

James & Dewey on Belief and Experience

EDITED BY JOHN M. CAPPs AND DONALD CAPPs

James And Dewey On Belief And Experience

Sami Pihlström

James And Dewey On Belief And Experience:

James and Dewey on Belief and Experience Donald Capps, John M. Capps, 2010-10-01 Donald Capps and John Capps s James and Dewey on Belief and Experience juxtaposes the key writings of two philosophical superstars As fathers of Pragmatism America s unique contribution to world philosophy their work has been enormously influential and remains essential to any understanding of American intellectual history In these essays you ll find William James deeply embroiled in debates between religion and science Combining philosophical charity with logical clarity he defended the validity of religious experience against crass forms of scientism Dewey identified the myriad ways in which supernatural concerns distract religious adherents from pressing social concerns and sought to reconcile the tensions inherent in science s dual embrace of common sense and the aesthetic James and Dewey on Belief and Experience is divided into two sections the former showcases James the latter is devoted to Dewey Two transitional passages in which each reflects on the work of the other bridge these two main segments Together the sections offer a unique perspective on the philosophers complex relationship of influence and interdependence An editors introduction provides biographical information about both men an overview of their respective philosophical orientations a discussion of the editorial process and a brief commentary on each of the selections Comparing what these foremost pragmatists wrote on both themes illumines their common convictions regarding the nature of philosophical inquiry and simultaneously reveals what made each a distinctive thinker

James and Dewey on Belief and Experience William James, John Dewey, 2005 Donald Capps and John Capps s James and Dewey on Belief and Experience juxtaposes the key writings of two philosophical superstars As fathers of Pragmatism America s unique contribution to world philosophy their work has been enormously influential and remains essential to any understanding of American intellectual history In these essays you ll find William James deeply embroiled in debates between religion and science Combining philosophical charity with logical clarity he defended the validity of religious experience against crass forms of scientism Dewey identified the myriad ways in which supernatural concerns distract religious adherents from pressing social concerns and sought to reconcile the tensions inherent in science s dual embrace of common sense and the aesthetic James and Dewey on Belief and Experience is divided into two sections the former showcases James the latter is devoted to Dewey Two transitional passages in which each reflects on the work of the other bridge these two main segments Together the sections offer a unique perspective on the philosophers complex relationship of influence and interdependence An editors introduction provides biog

James and Dewey on Belief and Experience Donald Capps, John M. Capps, 2004-12-15 Donald Capps and John Capps s James and Dewey on Belief and Experience juxtaposes the key writings of two philosophical superstars As fathers of Pragmatism America s unique contribution to world philosophy their work has been enormously influential and remains essential to any understanding of American intellectual history In these essays you ll find William James deeply embroiled in debates between religion and science Combining philosophical charity with logical

clarity he defended the validity of religious experience against crass forms of scientism Dewey identified the myriad ways in which supernatural concerns distract religious adherents from pressing social concerns and sought to reconcile the tensions inherent in science's dual embrace of common sense and the aesthetic James and Dewey on Belief and Experience is divided into two sections the former showcases James the latter is devoted to Dewey Two transitional passages in which each reflects on the work of the other bridge these two main segments Together the sections offer a unique perspective on the philosophers complex relationship of influence and interdependence An editors introduction provides biographical information about both men an overview of their respective philosophical orientations a discussion of the editorial process and a brief commentary on each of the selections Comparing what these foremost pragmatists wrote on both themes illuminates their common convictions regarding the nature of philosophical inquiry and simultaneously reveals what made each a distinctive thinker

Transactional Perspectives on Occupation Malcolm P. Cutchin, Virginia A. Dickie, 2012-07-26 An occupation is most simply put any activity we participate in that engages occupies our attention interests and or expectations at any point throughout the life course This book offers an emerging and innovative perspective on occupation based in the work of American philosopher John Dewey and other pragmatists that challenges accepted ideas Each chapter presents a lively and multifaceted dialogue on transactional perspectives on occupation Scholars from Europe North America and Australasia have written a diverse set of arguments and case studies about occupation covering theoretical methodological and applied issues relevant to the topic In addition contributors make connections with significant authors from various disciplines that make clearer the roles of occupation and occupational science across many cultures and contexts The transactional perspectives articulated in this book both implicitly and explicitly suggest that occupations are forms of activity that create and re create a multitude of our relationships with the world Often taken for granted by some academic disciplines occupation is a core element of human life This book is a provocative and critical analysis of the focal concept for occupational therapy and science

Pragmatism and Religion Stuart E. Rosenbaum, 2003 This distinctive collection of classical and contemporary readings comes at a time when pragmatism is undergoing a renaissance across a spectrum of disciplines Pragmatism and Religion addresses an important but overlooked issue whether or not the deep passions and commitments of American pragmatism's central figures are independent of Western religious traditions The first of the book's three sections samples pragmatism's religious roots Classical Sources includes works by John Winthrop Jonathan Edwards Henry David Thoreau and Ralph Waldo Emerson as well as Charles Sanders Peirce's Evolutionary Love William James's Philosophy chapter 18 of The Varieties of Religious Experience and selections by John Dewey W E B Du Bois John McDermott and Richard Rorty Part 2 Contemporary Essays on the American Tradition of Religious Thought features Richard Bernstein's Pragmatism's Common Faith Stuart Rosenbaum's Morality and Religion and Robert Westbrook's Uncommon Faith among others Part 3 Theism Secularism and Religion Seeking a Common Faith includes Raymond D Boisvert's What Is Religion

Sandra B Rosenthal's *Spirituality and the Spirit of American Pragmatism* Carl Vaught's *Dewey's Conception of the Religious Dimension of Experience* and Steven C Rockefeller's *Faith and Ethics in an Interdependent World* among others Stuart Rosenbaum's contemporary contributors are among the best in the fields of pragmatism and pragmatism in religion A unique resource *Pragmatism and Religion* will serve students of religion history and philosophy as well as those in interdisciplinary core courses

Dewey's Empirical Theory of Knowledge and Reality John R. Shook, 2000 The ongoing revival of interest in the work of American philosopher and pragmatist John Dewey has given rise to a burgeoning flow of commentaries critical editions and reevaluations of Dewey's writings While previous studies of Dewey's work have taken either a historical or a topical focus Shook offers an innovative organic approach to understanding Dewey and eloquently shows that Dewey's instrumentalism grew seamlessly out of his idealism He argues that most current scholarship operates under a mistaken impression of Dewey's early philosophical positions and convincingly demonstrates a number of key points that Dewey's metaphysical empiricism remained more indebted to Kant and Hegel than is commonly supposed that Dewey owed more to the influence of Wundt than is commonly believed that the influence of Peirce and James was not as significant for the development of Dewey's theories of mind and truth as has been argued in the past and that Dewey's pragmatic theory of knowledge never really abandoned idealism Shook's exposition of the unity of Dewey's thought challenges a large scholarly industry devoted to suppressing or explaining away the consistency between Dewey's early thought and his later work In every respect Dewey's *Empirical Theory of Knowledge and Reality* is a provocative and engaging study that will occupy a unique niche in this field It is certain to stimulate discussion and controversy forcing Dewey traditionalists out of habitual modes of thought and transforming our conventional understanding of the development of classical American philosophy

Knowledge and Belief in America William M. Shea, Peter A. Huff, 2003-02-13 The Enlightenment values of individual autonomy democracy and secularizing reason conflict with the religious traditions of community authority and traditional learning Yet in American history the two heritages have been intertwined since the colonial era the development of the Enlightenment has been influenced by community based thinking and religious institutions have adopted to an extent critical methods and a democratic ethos even within their own walls This volume unites the work of a distinguished group of theologians historians literary critics and philosophers to explore the interaction between Enlightenment ideals and American religion The Enlightenment's effect on the major religious traditions including the Catholic Church Evangelical Protestantism and Judaism is examined Also highlighted is religion in the thinking of such representative figures as Edwards Franklin Emerson Lincoln Santayana and the Pragmatists Stevens and Eliot

Pragmatism and the Philosophy of Religion Michael R. Slater, 2014-08-14 Michael R Slater argues for the contemporary relevance of pragmatist views in the philosophy of religion

Problems of Theoretical Psychology International Society for Theoretical Psychology. Conference, 1996

Modern Christian Thought: The twentieth century James C. Livingston, Francis Schüssler Fiorenza, This widely acclaimed

introduction to modern Christian thought formerly published by Prentice Hall provides full scholarly accounts of the major movements and thinkers theologians and philosophers in the Christian tradition since the eighteenth century Enlightenment together with solid historical background and critical assessments This second edition deals with the entire modern period in both Europe and America and is the first to include extensive treatment of modern Catholic thinkers Evangelical thought and Black and Womanist theology

American Thought Morris Cohen, 2017-09-04 What constitutes American thought is obviously too elusive to be encompassed by any one writer or group of writers The best that any attempt at intellectual history can achieve is to indicate some of its traces in written records This volume represents the efforts of one of America's leading philosophers to do just that He is uniquely qualified to do so as his contemporary Sidney Hook well understood As Cohen noted most of what people say and write is dominated by linguistic forms or habits Thus the dominance of the traditions and habits that make up the English language has been the strongest single influence in fashioning American thought as very largely a province of British thought despite the Declaration of Independence and two wars Cohen describes how American thought developed from its British roots It deals with reflective thought i e with thought that is conscious of its problems of its methods and of the widest general bearings of the results obtained so far The diverse subjects discussed range from religious thinking to the scientific and from the legal tradition to literary criticism Among the important figures Cohen assesses are Dewey Santayana Holmes Brandeis Whitehead James and Royce as well as those of men less well known but sometimes equally influential In its scope and insight this book takes its own unique and important place in American thought

William James on Religion H. Rydenfelt, S. Pihlström, 2013-06-13 A team of international experts present a collection of articles on William James's philosophy of religion and its current relevance A new look at his philosophy of religion is crucially important for the development of this field of inquiry today

The Personalist Ralph Tyler Flewelling, 1924

The Aesthetics and Ethics of Faith Christopher D. Tirres, 2014-04 This groundbreaking work presents the first sustained discussion of the connections between two quintessentially American traditions liberation theology and pragmatism It explores the dynamic relationship between the aesthetic and ethical dimensions of faith practice with a focus on the liberating potential of religious ritual

The Pragmatic Turn Richard J. Bernstein, 2010-04-26 Richard J. Bernstein argues that many of the important themes in philosophy during the past 150 years are variations and developments of ideas that were prominent in the classical American pragmatists Charles S. Peirce William James John Dewey and George H. Mead The pragmatic thinkers reject a sharp dichotomy between subject and object mind/body dualism the quest for certainty and the spectator theory of knowledge They seek to bring about a sea change in philosophy that highlights the social character of human experience and normative social practices the self-correcting nature of all inquiry and the continuity of theory and practice And they especially James Dewey and Mead emphasize the democratic ethical political consequences of a pragmatic orientation Many of the themes developed by the pragmatic thinkers were central to the work of major twentieth century

philosophers such as Wittgenstein and Heidegger but the so called analytic Continental split obscures this underlying continuity Bernstein develops an alternative reading of contemporary philosophy that brings out the persistence and continuity of pragmatic themes He explains why the discussion of pragmatism is alive varied and widespread Dust jacket

The Oxford Handbook of Positive Organizational Scholarship Kim S. Cameron, Gretchen M. Spreitzer, 2013-05-02 An ideal resource for organizational scholars students practitioners and human resource managers this handbook covers the full spectrum of organizational theories and outcomes that define explain and predict the occurrence causes and consequences of positivity

The Bloomsbury Handbook of Pragmatism Sami Pihlström, 2024-02-22 Pragmatism provides not just a theoretical perspective on science and inquiry but ways of being in the world of knowing the reality we inhabit Approaching this philosophical tradition as a diverse set of philosophies that it is The Bloomsbury Handbook of Pragmatism introduces many of the ideas and debates at the centre of the field today Focusing on issues in different subject areas this up to date handbook covers current research in aesthetics economics education ethics history law metaphysics politics race religion science and technology language and social theory Supported by an introduction to research methods and problems as well as a guide to past and future directions in the field chapters are enhanced by a how to use guide and glossary Now expanded this edition includes new chapters on pragmatism and various global and regional philosophical traditions as well as feminism and environmental philosophy Showing where important work continues to be done the tensions that exist and most valuably the exciting new directions the field is taking The Bloomsbury Handbook of Pragmatism advances our understanding of the role of pragmatism in 21st century philosophy

Key Concepts in Cultural Theory Andrew Edgar, Lecturer in Philosophy in the School of English Studies Andrew Edgar, Peter Sedgwick, 2005-10-09 This work presents a survey of over 350 of the key terms encountered in cultural theory today each entry providing explanations for students in a wide range of disciplines These include literature cultural studies sociology and philosophy

The Continuum Companion to Pragmatism Sami Pihlström, 2011-06-30 The Continuum Companion to Pragmatism offers the definitive guide to a key area of contemporary philosophy The book covers all the fundamental questions asked by pragmatism areas that have continued to attract interest historically as well as topics that have emerged more recently as active areas of research Twelve specially commissioned essays from an international team of experts reveal where important work continues to be done in the area and most valuably the exciting new directions the field is taking The Companion explores issues pertaining to aesthetics economics education ethics history law metaphysics politics race religion science and technology language and social theory Featuring a series of indispensable research tools including an A to Z of key terms and concepts a chronology a detailed list of resources and a fully annotated bibliography this is the essential reference tool for anyone working in contemporary pragmatism or modern American philosophy more generally

American Philosophy Barbara MacKinnon, 1985-01-01 This anthology demonstrates the richness and diversity of the American intellectual heritage In it we see how Jonathan Edwards

grapples with the problem of how to reconcile freedom and responsibility with Calvinist religious beliefs how Franklin and Jefferson exemplified American enlightenment thought and how the Transcendentalists Ralph Waldo Emerson and Henry David Thoreau formulated their particular romantic idealist beliefs A second and significant portion of the anthology is devoted to Pragmatism Substantive excerpts from Peirce James and Dewey as well as Royce are collected here A third part is devoted to other Twentieth Century American philosophies No other collection of writings in this field includes the breadth of coverage that this one does Among the chapters in this third part of the book are those on early Process Philosophy Phenomenology Positivism and Language Philosophies Selections from such philosophers as Whitehead Weiss Buchler Gurwitsch Sellars Quine Davidson and Rawls along with many others are included in this part A final chapter is devoted to twentieth century American Moral Philosophy The book is specifically designed to be used as a text for courses in American philosophy A substantive introduction that emphasizes the historical setting as well as major interests and ideas of the philosophers accompanies each chapter Extensive bibliographies and study guide questions follow each chapter The selections include more than any one course will cover but in their completeness also allow individual teachers and readers to select what they want
