Ferreiro,2017-10-03 Pulitzer Prize Finalist in History Winner of the Journal of the American Revolution 2016 Book of the Year Award At the time the first shots were fired at Lexington and Concord the American colonists had little chance if any of militarily defeating the British The nascent American nation had no navy little

in the way of artillery and a militia bereft even of gunpowder In his detailed accounts Larrie Ferreiro shows that without the extensive military and financial support of the French and Spanish the American cause would never have succeeded Ferreiro adds to the historical records the names of French and Spanish diplomats merchants soldiers and sailors whose contribution is at last given recognition Instead of viewing the American Revolution in isolation *Brothers at Arms* reveals the birth of the American nation as the centerpiece of an international coalition fighting against a common enemy
