some sort of college degree but college isn't always necessary to achieve success. Some people are ready to enter the workforce right after high school. Ellen DeGeneres was one of those people. The comedian began her career doing stand up routines in New Orleans coffee houses. Today Ellen has one of the most successful talk shows on television and stars in commercials for everything from credit cards to makeup. She's even judged American Idol. And what's most amazing about her story is that the charming talk show host has done it all without a college degree.

Anatomy of a Secret Life Gail Saltz, 2007. We think we know those who are close to us and we want to believe that what we see is what we get. But we can never know for certain because what really goes on inside another's head and heart is essentially a secret. How do you know if that secret is something that will hurt you? Your husband turns to face you in bed. Is he thinking about you or your closest friend? Your boss shows up in another new outfit. Did she get a raise or is she a compulsive shopper who is stealing money from the company? Your teenaged daughter is upstairs in her bedroom. Is she doing her homework or chatting online with a man twice her age? *Anatomy of A Secret Life* will take you inside the minds of secret keepers and show you how secrets start, how they're kept, and how they exact their devastating emotional and social toll. Using contemporary case studies and historical examples, Dr. Gail Saltz shows you how to spot through subtle behaviors and clues and safely stop the potentially dangerous secrets that someone even you might be concealing from the world.

The Secret Initiation of Jesus at Qumran Robert Feather,2006 An examination of the early mysterious Essene community at Qumran that links it with John the Baptist Jesus and the beginnings of Christianity Provided by publisher **Jesus and the Manuscripts** Craig A. Evans,2021-10-05 Jesus and the Manuscripts by popular author and Bible scholar Craig A Evans introduces readers to the diversity and complexity of the ancient literature that records the words and deeds of Jesus This diverse literature includes the familiar Gospels of the New Testament the much less familiar literature of the Rabbis and of the Qur an and the extracanonical narratives and brief snippets of material found in fragments and inscriptions This book critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion Evans argues that the Gospel of Thomas is not early or independent of the New Testament Gospels but that it should be dated to the late second century He also argues that Secret Mark like the recently published Gospel of Jesus Wife is probably a modern forgery Of special interest is the question of how long the autographs of New Testament writings remained in circulation Evans argues that the evidence suggests that most of these autographs remained available for copying and study for more than one hundred years and thus stabilized the text Key points and features Written by popular author and Bible scholar Craig A Evans Includes 20 pages of high quality color photos Walks readers through the various works of ancient literature both biblical and non biblical that mention Jesus Critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion Rituals and Practices in World Religions David Bryce Yaden,Yukun Zhao,Kaiping Peng,Andrew B. Newberg,2020-02-03 This book codifies describes and contextualizes group rituals and individual practices from world religious traditions At the interface of religious studies psychology and medicine it elucidates the cultural richness of practices and rituals from numerous world religions The book begins by discussing the

role that religious rituals and practices may play in the well being of humans and the multi dimensional cultural and psychological complexity of religious rituals and practices It then discusses rituals and practices within a number of religions including Christian Islamic Jewish Buddhist Taoist Sikh Hindu Confucian and other traditions There is a need for a more inclusive collection of religious rituals and practices as some practices are making headlines in contemporary society Mindfulness is one of the fastest growing psychological interventions in healthcare and Yoga is now practiced by tens of millions of people in the U S A These practices have been examined in thousands of academic publications spanning neuroscience psychology medicine sociology and religious studies While Mindfulness and Yoga have recently received widespread scientific and cultural attention many rituals and practices from world religious traditions have remained underexplored in scholarly scientific and clinical contexts This book brings more diverse rituals and practices into this academic discourse while providing a reference guide for clinicians and students of the topic
