Gillespie,Corinne J. Naden,1994 **Beyond Any Experience** Anne E. Terpstra,2022-05-31 Olivia Northman's world shattered the day she lost her wife to a drunk driver Three years later she still struggles with grief and the demands of being a single parent to their autistic son Ben After her first attempt at a new relationship crumbles Olivia retreats to the simple the predictable It's what's best for her son and her heart Ellie Vasquez isn't simple or predictable In fact she's charmingly impulsive as well as gregarious confident and attracted to Olivia which she reveals in an unguarded moment Olivia doesn't

know what's more surprising Ellie's interest in her own but a quiet conversation over drinks soon spins into something more. As Olivia's caution gives way to hope she sees another chance at love both for her and for Ben who takes to Ellie with a tender openness. Ellie is fearless about love in a way that makes Olivia want to be brave but the deeper their passion the closer she gets to drowning in grief in fear in guilt. To have a future with Ellie Olivia must come to terms with her past. If she can't she risks losing the second love of her life. Anne E. Terpstra's *Beyond Any Experience* is an intimate emotional debut that explores grief, parenting, neurodiversity, and the vulnerability of love after loss. *Children's Books in Print*, 1993

Subject Guide to Children's Books In Print, 1996 R. R. Bowker Publishing, 1996 *The Color of Love* Marra B. Gad, 2019-11-12 Winner of the 2020 Midwest Book Award in Autobiography/Memoir. *The Color of Love* is an unforgettable memoir about a mixed-race Jewish woman who, after fifteen years of estrangement from her racist great aunt, helps bring her home when Alzheimer's strikes. In 1970, three-day-old Marra B. Gad was adopted by a white Jewish family in Chicago. For her parents, it was love at first sight, but they quickly realized the world wasn't ready for a family like theirs. Marra's biological mother was unwed, white, and Jewish, and her biological father was black. While still a child, Marra came to realize that she was a mixed-race Jewish unicorn. In black spaces, she was not black enough or told that it was OK to be Christian or Muslim but not Jewish. In Jewish spaces, she was mistaken for the help, asked to leave, or worse. Even in her own extended family, racism bubbled to the surface. Marra's family cut out those relatives who could not tolerate the color of her skin, including her once-beloved glamorous worldly Great Aunt Nette. After they had been estranged for fifteen years, Marra discovers that Nette has Alzheimer's and that only she is in a position to get Nette back to the only family she has left. Instead of revenge, Marra chooses love and watches as the disease erases her aunt's racism, making space for a relationship that was never possible before. *The Color of Love* explores the idea of *yerusha*, which means inheritance in Yiddish. At turns heart-wrenching and heartwarming, this is a story about what you inherit from your family: identity, disease, melanin, hate, and most powerful of all, love. With honesty, insight, and warmth, Marra B. Gad has written an inspirational, moving chronicle proving that when all else is stripped away, love is where we return and love is always our greatest inheritance. **The Spaniard's Cross** Sharon K. Garner, 2003-11 The Spaniard, a young Armada survivor, pledged his love for a beautiful English maiden with a gold and ruby cross. Now the cross is a modern Spaniard's obsession, and Ellie and Trev are forced into a deadly game for the heirloom, a game that ends in a smuggler's secret passage deep beneath Cornwall. **Little Miss Sanctified** Louis Timm's, 2005-11 As Leeza celebrates her forty-fifth birthday, there is no birthday cake, candles, gifts, or party with family and friends. It's just her alone in a prison cell, probably for the rest of her life. She contemplates how her life has gone so completely off track and she recalls how it all began for her as a little girl growing up in Eden Square in the projects. Leeza wishes she could go back to being the little girl with the bad grammar and the big dreams, but it's much too late for that now. She faces a death sentence. A work of spiritual fiction, *Little Miss Sanctified* by author Dr. Louis Timm's lets God's people know they are not alone and

that there is that dark side that exists in all Through Leeza s fictional story Timm s shows Christians that the hand of a loving and living God offers a right sense of worth and direction God alone knows the end from the beginning With each and every temptation God will provide a way of escape only to those who truly want to escape the vices this world so lavishly offers
