Eloise Elephant:

Eloise Elephant Jerry Smath, 1995 **The Astonishing Elephant** Shana Alexander, 2000 Physiologically elephants are unique entirely different from all other mammals Yet since antiquity observers have agreed that the elephant is the animal most akin to man Today both species of elephant Africans and Asians stand on the brink of extinction Hope is arising however from a new generation of young American scientists many of them women Female zoologists and biologists have led the field in new findings about elephant ecology family and sexual patterns and the animals continual communication by ultrasound inaudible to human ears The Astonishing Elephant also reveals for the first time a hair raising story of elephant genocide in the years between the Civil War and World War I all male elephants in U S circuses were stealthily killed shot poisoned drowned and even hanged The reason was musth a periodic condition of mature males that renders them uncontrollable So gradually only female elephants now with masculine names were put on parade with none the wiser Most important The Astonishing Elephant details a decade of heartbreaking trial and error and eventual triumph as scientists have tried to learn how to breed elephants via artificial insemination BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Cowboy and His Elephant** Malcolm Macpherson, 2007-04-01 In the late 1980s a female baby elephant was born into a herd that lived on the plains of southern Africa Her mother has carried her for two years and normally she would have nursed her for five more But the close knit family of wild elephants was to face a predator for which it was no match humans In a cull her family was slaughtered in a few moments Only the newborn female s life was spared Terrified and bewildered the young elephant was transported to America to be sold There she met the person who was to change her life forever Bob Norris is a cowboy with an enormous empathy for animals that overwhelms his other emotions He was raised with a pet bear and as a boy decided to become a real cowboy He saw his dream come true in Colorado on one of the larger horse and cattle ranches in America Handsome as a movie star he became the Marlboro Man and appeared on TV and on billboards around the world But with the passing of years and with his own family grown up he felt the need for something that he could not name When she came into his life by happenstance the hurt vulnerable little elephant tapped the fullness of Bob s empathy and an incredible bond between the most unlikely of friends was forged Bob adopted the baby orphan elephant named Amy and patiently set about helping her recover from the trauma of her ordeal He had never seen a real African elephant up close except in zoos He was a horseman and breeder of champion quarter horses But through close observation gentle training humor and endless perseverance Bob gradually coaxed Amy into overcoming her mistrust of humans and indeed her fear of the world The little elephant became a hand on Bob s ranch tending to simple chores riding the fences and shadowing Bob on his horse She developed a winning personality and a strong character and became a beloved member of the Norris family and partner to the ranch hands But Bob knew from the start that the ultimate goal was for Amy to regain her confidence and her independence even if it were possible to go back to the savannahs of Africa This is

the true story of how Amy and Bob came together No one who reads The Cowboy and His Elephant can fail to be moved by such a simple tale of unlikely love

After The Fire George Wier,2020-05-03 It all began with the untimely death of Sol Gunderson s prize billygoat Bebe Since then someone is out to stop anyone from discovering the truth back of the animal s demise particularly Bill Travis and his daughter Jessica Was it toxic chemical waste dumped into Boggy Creek back of Gunderson s goat farm Was it radioactive materials Now Sol is running around shooting his mouth off like a loose cannon while someone is drawing a bead on Bill and Jessica After The Fire is the ninth installment of the action adventure suspense thriller The Bill Travis Mystery series

Please Pass the Skin Color Victoria Lopez Holdsworth,2018-11-21 One brave young pig a respectful conversation among friends and a deeper understanding about diversity Diverse animal friends gain a better understanding about racial and cultural identities during an art activity A courageous pig stands up for herself and others which generates a thoughtful and respectful conversation among friends This discussion leads to a greater awareness of how the friends recognize respect and celebrate their differences Based on the first author s real life experience coloring with friends at school this book shows kids through storytelling and beautiful illustrations that we are all of different colors and backgrounds No one color or background is most important The book also offers children an opportunity to better understand how their words can be perceived by and impact others serves as a positive example of how friends can respectfully express their views and listen to one another to collectively create a deeper understanding of an issue and provides parents and teachers with a way to begin discussions related to the recognition inclusion and celebration of differences

Good Night Stories Paul Fancett,2020-07-16 I was brought up in a little village in the heart of Devons glorious county side and was encouraged to spend lots of time out in the fields woods and streams I was lucky to have seen lots of wildlife in the natural surroundings Most of the stories have a truth to them the surroundings and facts about the animals even though the stories are fictional but as a fantastic teacher once said education should be fun thanks Max I started telling stories to my son he d just give me an animal and off I would go as he grew I started writing them down so he could read them too and enjoy them when we were apart Now I m 46 and hes grown and flown I have shared these stories with friends to read to there kids and have been told time after time to put them into print so dear friends and to my mum and dad here you go see I do listen I hope your kids enjoy having them read whilst you bond or read them on their own as much as I have over the years

Luna the Laughing Leopard Kelly Johnson,2025-06-15 In the heart of a lush vibrant jungle lives Luna a golden furred leopard known not for her strength or speed but for her magical musical laughter that lifts spirits and brings warmth to every corner of the forest While some animals find her constant joy puzzlingor even bothersomeLuna believes that laughter is a kind of magic capable of healing and connecting others As she spreads cheer among her fellow creatures from skeptical crocodiles to curious monkeys

Luna gently challenges their beliefs about seriousness sadness and joy Her mission is simple but powerful to show everyone that laughter is not a distraction from lifes difficulties but a way to make them more bearable Lunas unwavering optimism gradually opens hearts suggesting that joy even in the darkest moments can transform not just a daybut an entire jungle
