Elusive Marriage:

Peepeyes Dwain S. Tucker, 2011-03-26 This book chronicles the journey of discovery by a man who went on a quest to solve a mystery Did his grandmother die the way he was told she had or was she murdered The rumor had plagued his family for almost four decades Could the unthinkable be true that his own grandfather might have been involved with the mysterious death of his grandmother Along the way in his multiyear odyssey the author discovers his family roots his family tree and the disturbing secrets long buried by his family He vividly portrays the life and culture of Paducah Kentucky East St Louis Illinois and Okeechobee Florida in the 1910s through the 1970s He displays a culture and dialect of a strong breed of people that lived in rural western Kentucky in the early 1900s He discovers extreme violence knife fights gunfights bigamy racism thievery bootlegging and long lost siblings He discovers secrets within military and government files unknown mental illnesses wife beatings and murders He discovers his grandfather s World War II emprise and the surprises it revealed He uncovers the secrets of Freemasonry and how it may have been involved in his grandmother s death He uncovers many lies from many people and lawlessness by some in his family The story includes attempts at a belated exhumation and autopsy to finally solve the mystery once and for all He finally brings together all the evidence pieces of a bizarre mystery never before assembled by his family to solve the enigma of his grandmother s death This book details the emotional pendulum experienced by a grandson on a journey to solve a riddle and being repeatedly shocked and dumbfounded by what he found Anne Carayon Great entertaining narrative The mystery thickens as you go along The historical and sociological backgrounds have transformed a personal sad story into a page of American Middle West history It is also a description of what man can do to achieve his egotistical goals That s universal and timeless Deborah Schadt How brave it was of Dwain Tucker to put so much thought time and energy into looking for something he didn t want to find His intention to uncover evidence to disprove a family murder rumor led him to the discovery of numerous family secrets both good and bad Many in Dwain Tucker s family learned everything they knew from the school of hard knocks and he was so honest in his portrayal of the colorful characters in his family His attempt at imitating the dialect used by the people of that place and time is both humorous and accurate Dwain has my admiration appreciation and gratitude for preserving a part of the Tucker family history that if not for his perseverance would have otherwise been forever lost

Marriage and Life After Death Anthony Onyekwe, 2015-01-29 In Africa the emphasis on family marriage and offspring suggest that there is a kind of an unwritten ancestral law that imposes on every male the duty of begetting a son The reason is because the core of African soteriology is centered on offspring The predicament of the childless couples therefore stems from the desire for immortality and salvation that culminates in the admission of the dead into the ancestral world This quest for salvation and immortality constitute social emotional psychological and spiritual problems for Christian as well as non Christian childless couples

Tracing Your Georgian Ancestors, 1714-1837 John Wintrip, 2018-05-30 The Georgian period 1714 to 1837 was a key stage in our modern history so some understanding of it is essential for family historians who want to push their research back into the eighteenth century and beyond and John Wintrip s handbook is an invaluable introduction to it In a sequence of concise insightful chapters he focuses on those aspects of the period that are particularly relevant to genealogical research and he presents a detailed guide to the variety of sources that readers can consult as they pursue their research While fewer sources are available than for more recent history obstacles in the way of further research can often be overcome through knowledge of a wide range of sources and a greater understanding the historical context together with the use of sound research techniques So the author provides not only a historical overview of relevant topics but he also describes the records of the period in detail This expert guide to researching the Georgians will open up the field for experienced researchers and for newcomers alike

Emigrant Gentlewomen A. James Hammerton, 2016-07-01 First published in 1979 This book examines the distressed gentlewoman stereotype primarily through a study of the experience of emigration among single middle class women between 1830 and 1914 Based largely on a study of government and philanthropic emigration projects it argues that the image of the downtrodden resident governess does inadequate justice to Victorian middle class women s responses to the experience of economic and social decline and to insufficient female employment opportunities This title will be of interest to students of history

A Feminist Companion to the New Testament Apocrypha Amy-Jill Levine, Maria Mayo Robbins, 2006-01-01 The eleventh volume in this series examines New Testament Apocryphal texts including the Acts of Paul and Thecla the Acts of John the Gospel of Thomas the Gospel of Peter the Martyrdom of Perpetua the Acts of Xanthippe and Polyxena the Acts of Andrew the Acts of Thomas and the Apocalypse of Peter as well as Joseph and Asenath the Irish apocrypha and the Greek novels In this diverse collection the contributors utilize a variety of approaches to explore topics

such as the construction of Christian identity the Christian martyr heterodoxy and orthodoxy conjugal ethics and apostolic homewreckers trials and temptations the rhetoric of the body asceticism and eroticism

What Is Marriage? Sherif Girgis, Robert George, Ryan Anderson, 2012-02-28 Until just yesterday no society monogamous or polygamous had defined marriage as anything other than a male female union With clear and cogent arguments What Is Marriage explains the rational basis of this historic consensus It defeats the arguments for recognizing same sex partnerships as marriages and shows how doing so would harm the common good Originally published in the Harvard Journal of Law and Public Policy this book's core argument quickly became the year's most widely read essay of more than 300 000 scholarly articles posted on the Social Sciences Research Network Now expanded to address a flurry of prominent responses What Is Marriage stands poised to meet its moment as few books of this generation have If the marriage debate in America is decided in the next few years it will be either with this book's help or despite its powerful arguments Rhodes Scholar Sherif Girgis Princeton University professor Robert P George and Ryan T Anderson editor of the online journal Public Discourse provide a devastating critique of the claim that equality requires redefining marriage They point out that any assessment of what marriage equality demands depends on first determining what marriage is what sort of relationships must be treated as essentially the same They defend the principle that marriage as a comprehensive union ordered to family life requires a man and a woman And they argue for the great social benefits of enshrining this principle in law Most compellingly they show that those who embrace same sex civil marriage leave themselves no firm ground none for not recognizing as marriages every relationship type describable in polite English including multiple partner polyamorous sexual unions Finally What Is Marriage decisively answers common objections that the historic view is rooted in bigotry like laws forbidding interracial marriage that it is callous to people's needs that it can't show the harm of recognizing same sex couplings or the point of recognizing infertile ones and that it treats a mere social construct as if it were natural or an unreasoned religious view as if it were rational

A Daring Masquerade Mary Balogh, 2018-08-07 Kate Mannering a lady's companion is mistaken for the lady herself and kidnapped by a dashing masked highwayman When she hears his story however before being released she decides to help him recover his stolen birthright and soon gets herself embroiled in danger from smugglers and a would be seducer Meanwhile an annoying indolent guest at the home of her employer insults her at every opportunity but rescues her from every danger even when she does not need or appreciate his help She is alarmed to find herself falling quite inappropriately for both the highwayman and the guest

connection to the turning of the wheel as you celebrate the eight sacred seasons of the Witches year Mother Jones Magazine, 1977-07 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues The All-or-Nothing Marriage Eli J. Finkel, 2019-01-08 After years of debate and inquiry the key to a great marriage remained shrouded in mystery Until now Carol Dweck author of Mindset The New Psychology of Success Eli J Finkel s insightful and ground breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras Indeed they are the best marriages the world has ever known He presents his findings here for the first time in this lucid inspiring guide to modern marital bliss The All or Nothing Marriage reverse engineers fulfilling marriages from the traditional to the utterly nontraditional and shows how any marriage can be better The primary function of marriage from 1620 to 1850 was food shelter and protection from violence from 1850 to 1965 the purpose revolved around love and companionship But today a new kind of marriage has emerged one oriented toward self discover self esteem and personal growth Finkel combines cutting edge scientific research with practical advice he considers paths to better communication and responsiveness he offers guidance on when to recalibrate our expectations and he even introduces a set of must try lovehacks This is a book for the newlywed to the empty nester for those thinking about getting married or remarried and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today **Who's Your Hoosier Ancestor?** Mona Robinson, 1992-08-22 Who s Your Hoosier Ancestor is written by a Hoosier genealogist for Hoosiers and for the descendants of anyone who ever lived in Indiana Mona Robinson provides methods for locating elusive ancestors describing what records are available to the Indiana researcher where they can be found and how to use them most effectively Robinson details the many usual and unusual sources that can be employed in genealogical searches histories atlases directories maps and sources found in the home She offers helpful hints and clues explains the value of each type of record and the problems associated with using it Valid sources documentation primary and secondary sources and the many avenues of research are all detailed in this book written especially for Hoosier ancestor hunters **Sex Secrets ...** Robert B. Armitage, 1918 **The Foretelling** Caroline Crane, 2001-10 Drafted into telling fortunes at a fund raising carnival Angela Dawn prepares herself by studying a book on palmistry never dreaming that lives will be changed by her predictions On carnival night Angela sees thngs she does not want to see For two people she forecasts an early death One receives her warning the other does not For her best friend she predicts a head injury and possible suicide When an accident makes the first part come true the prophecy threatens to become self fulfilling Will the rest happen too The most glowing future goes to wealthy Glen Fabian Glen is too sophisticated to believe in fortune telling until the fulfillment of a tragic prophecy makes it all seem possible But there will be a high price to pay for his success Angela stands by helplessly as lives are shattered all because her predictions are taken seriously No one believes her when she tries to convince them it was only in fun As for

herself which will be her fate the happy marriage or the early death Here is a chilling story of terror triggered by an innocent game with few winners and many losers

Red Flag Wounded Ronald Suny, 2020-08-25 Tracking the degeneration of the Russian Revolution Red Flag Wounded brings together essays covering the controversies and debates over the fraught history of the Soviet Union from the revolution to its disintegration Those monumental years were marked not only by violence mass killing and the brutal overturning of a peasant society but also by the modernisation and industrialisation of the largest country in the world the victory over fascism and the slow recovery of society after the nightmare of Stalinism Ronald Grigor Suny is one of the most prominent experts on the revolution the fate of the non Russian peoples of the Soviet empire and the twists and turns of Western historiography of the Soviet experience As a biographer of Stalin and a long time commentator on Russian and Soviet affairs he brings novel insights to a history that has been misunderstood and deliberately distorted in the public sphere For a fresh look at a story that affects our world today this is the place to begin *Gluck* Diana Souhami, 2014-12-23 Diana Souhami's critically acclaimed biography of lesbian painter Hannah Gluckstein the woman the artist the legend To her family Hannah Gluckstein was known as Hig To Edith Shackleton Heald the journalist with whom she lived for almost forty years she was Dearest Grub And to the art world she was simply Gluck She was born in 1895 into a life of privilege Her family had founded J Lyons Co a vast catering empire From the beginning Gluck was a rebel At a time when only men wore trousers she scandalized society with her masculine clothing though she always dressed with style and turned androgyny into high fashion Her affairs with high profile women shocked her conservative family even while she achieved fame as an artist During the 1920s and thirties Gluck's paintings portraits flowers and landscapes presented in frames designed and patented by her were the toast of the town At the height of her success when wounded in love her own obsessions caused her to fade for decades from the public eye but then at nearly eighty her return to the spotlight ensured her immortality

Space, Place, and Bestsellers Lisa Fletcher, Elizabeth Leane, 2024-06-30 From airport bookstores to deckchairs as audiobooks downloaded by commuters and on Kindles and other portable devices twenty first century bestsellers move in old and new ways This Element examines the locations and mobilities of the contemporary bestseller as a multi format commercial object It employs paratextual textual and site based analysis of the spatiality of bestsellers and considers the centrality of geography to the commercial promise of these books Space Place and Bestsellers provides analysis of the spatial logic of bestseller lists evidence rich accounts of the physical and digital retail sites through which bestsellers flow and new interpretations of how affixing the label bestseller individual authors and titles generates industrial social and textual effects Through its multi layered analysis this Element offers a new model for studying the spatiality of popular fiction

Bride Ali Hazelwood, 2024-02-06 1 Indie Next Pick A Hall of Fame LibraryReads pick One of People's Best Books to Read in February A dangerous alliance between a Vampyre bride and an Alpha Werewolf becomes a love deep enough to sink your teeth into in this new paranormal romance from the 1 New York Times bestselling author of Love Theoretically and The Love

Hypothesis Misery Lark the only daughter of the most powerful Vampyre councilman of the Southwest is an outcast again Her days of living in anonymity among the Humans are over she has been called upon to uphold a historic peacekeeping alliance between the Vampyres and their mortal enemies the Weres and she sees little choice but to surrender herself in the exchange again Weres are ruthless and unpredictable and their Alpha Lowe Moreland is no exception He rules his pack with absolute authority but not without justice And unlike the Vampyre Council not without feeling It s clear from the way he tracks Misery s every movement that he doesn t trust her If only he knew how right he was Because Misery has her own reasons to agree to this marriage of convenience reasons that have nothing to do with politics or alliances and everything to do with the only thing she s ever cared about And she is willing to do whatever it takes to get back what s hers even if it means a life alone in Were territory alone with the wolf **Kaiser, Christ, and Canaan** Paul Michael Kurtz,2018-10-29

Back cover What did biblical scholars theologians orientalist philologists and ancient historians of the 19th century consider religion and history to be How did they understand these conceptual categories and why did they study them in the manner they did Analyzing the figures of Julius Wellhausen and Hermann Gunkel Paul Michael Kurtz examines the historiography of ancient Israel in the German Empire through the prism of religion as a structuring framework not only for writings on the past but also for the writers of that past themselves **Love on the Brain** Ali Hazelwood,2022-08-23 An Instant New York Times Bestseller A 1 LibraryReads and Indie Next Pick From the New York Times bestselling author of The Love Hypothesis comes a new STEMinist rom com in which a scientist is forced to work on a project with her nemesis with explosive results Like an avenging purple haired Jedi bringing balance to the mansplained universe Bee K nigswasser lives by a simple code What would Marie Curie do If NASA offered her the lead on a neuroengineering project a literal dream come true after years scraping by on the crumbs of academia Marie would accept without hesitation Duh But the mother of modern physics never had to co lead with Levi Ward Sure Levi is attractive in a tall dark and piercing eyes kind of way And sure he caught her in his powerfully corded arms like a romance novel hero when she accidentally damseled in distress on her first day in the lab But Levi made his feelings toward Bee very clear in grad school archenemies work best employed in their own galaxies far far away Now her equipment is missing the staff is ignoring her and Bee finds her floundering career in somewhat of a pickle Perhaps it s her occipital cortex playing tricks on her but Bee could swear she can see Levi softening into an ally backing her plays seconding her ideas devouring her with those eyes And the possibilities have all her neurons firing But when it comes time to actually make a move and put her heart on the line there s only one question that matters What will Bee K nigswasser do
