## **Elusive Subject A Biographers Life:**

**Elusive Subject** Phyllis Grosskurth, 2000-09-01 When Phyllis Grosskurth was a girl she imagined herself growing up to be a detective a sleuth on the trail of the wicked the dangerous the ones who didn't want to be found out Some time later when she started reading books far beyond her years her ambition changed to that of writer Her destiny combined both today she is the tireless discoverer of secret lives whose international reputation for daring scholarship has made her in the words of one critic Canada's premier biographer In *Elusive Subject* the eager examiner of others' lives looks fearlessly at her own a personal life as eventful passionate and revealing of her times as any of her subjects Her other life was that of biographer where the detective's instincts lead her to complex figures the Victorian essayist John Addington Symonds sex researcher Havelock Ellis psychoanalyst Melanie Klein and finally the poet Byron This rich and captivating memoir chronicles the adventures of an exceptional literary career while candidly charting the growth of an ambitious and talented woman who has all her life tested the conventions of her times From the Hardcover edition      **Biofictions** Martin Middeke, Werner Huber, 1999 *Biofictions* sets out to explore this renewed interest in Romantic artist figures in the context of the current renaissance of life writing      **The Complete Critical Guide to Thomas Hardy** Geoffrey Harvey, 2003 Thomas Hardy was the foremost novelist of his time as well as an established poet This guide provides students with a lucid introduction to Hardy's life and works and the basis for a sound comprehension of his work      **Nine Lives of William Shakespeare** Graham Holderness, 2013-09-12 Acclaimed as the greatest dramatist of all time William Shakespeare needs little introduction Or does he Going beyond Shakespeare the writer and actor Graham Holderness explores the fact and fiction tradition and myth surrounding Shakespeare's life Combining biography and fictional narrative Holderness takes a fresh critical approach to the problem of piecing together a definitive account of Shakespeare's life and work from scant historical information Instead this study builds upon and examines the many theories that surround the life of this well known yet remarkably unknown man Nine Shakespeares are presented writer player butcher boy businessman husband friend lover Catholic and portrait By carefully critiquing these biographies and reimagining these nine men *Nine Lives of William Shakespeare* creates a unique picture of how this playwright became Shakespeare as he is understood today Shakespeare Now is a series of short books that engage imaginatively and often provocatively with the possibilities of Shakespeare's plays It goes back to the source the most living language imaginable and recaptures the excitement audacity and surprise of Shakespeare It will return you to the plays with opened eyes      **Late-Victorian Heroic Lives in the Writings of Frank Mundell** Moniez Baptiste, 2017-08-21 This study explores the work of Frank Mundell a late Victorian author for the Sunday School Union Mundell focused on heroism and represented various kinds of heroic deeds and figures regardless of gender in his books Writing for educative as well as entertaining purposes he avoided the use of didacticism and he endeavoured to combine the traditional and the modern in the stories he chose to tell Mundell's favourite format was that of the prosopography putting

together several heroic lives or incidents He was careful to dedicate each of his volumes to one topic in particular thus distinguishing the different types of heroic deeds from one another His writings belong to four series or collections each highlighting a specific version of heroism from instances of the mundane performed in a familial context to extraordinary deeds He wrote about such bold acts as those featuring in the stories of brave firemen fighting devouring flames fearless sailors in tempestuous seas determined miners risking their lives to save their comrades or intrepid explorers facing perils in the wide world This book analyses each of his publications highlighting the elements belonging to his representation of heroism as a whole

The Memoirs of John Addington Symonds Amber K. Regis, 2017-02-09 This edition is the first to reproduce John Addington Symonds's Memoirs in its entirety It offers a panoramic view of middle class Victorian life shedding light upon sexual cultures and life histories too often hidden from history Symonds 1840-93 began writing his Memoirs in 1889 It was he confessed a foolish thing to do Symonds was a respected man of letters an historian translator essayist and poet he was also married with children But rather than unfold a simple tale of public and private achievement the Memoirs record his struggle to reconcile his homosexuality with these professional and familial identities His autobiography offers a confessional account of relationships beyond the accepted bounds of nineteenth century social mores presenting an alternative case study that contests the legal and medical authorities that would label his desires a crime or disease Yet being so eloquent on matters of heterodox sexuality the Memoirs were suppressed The manuscript survives because Symonds recognised its import however foolish he instructed his literary executor to preserve the text a duty ultimately discharged by placing the manuscript under embargo in the care of the London Library

Intermediality, Life Writing, and American Studies Nassim Winnie Balestrini, Ina Bergmann, 2018-09-10 This collection of essays gathers innovative and compelling research on intermedial forms of life writing by an international and interdisciplinary group of scholars Among their subjects of scrutiny are biographies memoirs graphic novels performances paratheatricals musicals silent films movies documentary films and social media The volume covers a time frame ranging from the nineteenth century to the immediate present In addition to a shared focus on theories of intermediality and life writing the authors apply to their subjects both firmly established and cutting edge theoretical approaches from Cultural Narratology Cultural History Biographical Studies Social Media Studies Performance Studies and Visual Culture Studies The collection also features interviews with practitioners in biography who have produced monographs films and novels

**Subject to Biography** Elisabeth Young-Bruehl, 1998 This book pays tribute to 14 women who donated millions of dollars to causes close to their hearts

**In Collaboration with British Literary Biography** Jane McVeigh, 2017-10-13 This book is about one person's reading and what has been learnt about how the lives of other people particularly authors have been written in British literary biographies over the last fifty years It is less interested in what happened in the lives of the people described in these biographies and more concerned with how these stories have been told It aims to have a conversation with British

biographers particularly Michael Holroyd Richard Holmes Hermione Lee and Claire Tomalin to make their voices heard to set them talking It understands biography as an ongoing collaboration not only between biographers and their subjects but between biographers and their readers This is also a study of haunting in which we haunt the lives of others to help us come to a better understanding of our own

**Thomas Hardy** Geoffrey Harvey,2003-12-08 Thomas Hardy was the foremost novelist of his time as well as an established poet This guide provides students with a lucid introduction to Hardy s life and works and the basis for a sound comprehension of his work

The Oxford Handbook of Virginia Woolf Anne E. Fernald,2021 A Handbook on Woolf s achievements as an innovative novelist and pioneering feminist theorist It studies her life her works her relationships with other writers her professional career and themes in her work including among others feminism sexuality education and class

**Lives of Victorian Literary Figures, Part IV, Volume 1** Ralph Pite,Janet Beer,Sarah Annes Brown,Jane Spirit,Elizabeth Nolan,2024-05-17 Part of the Lives of Victorian Literary Figures series this set collects contemporary memoirs biographies and ephemera relating to Oscar Wilde Henry James and Edith Wharton Editorial apparatus includes a general introduction headnotes endnotes and a general index

**Ghost Storeys** Cameron Macdonell,2017-07-04 Most studies of modern Gothic media assume that beyond the 1830s modern Gothic architecture and literature had very little in common The work of Ralph Adams Cram 1863 1942 America s most prolific Gothic Revival architect and an author of ghost stories challenges that assumption The first interdisciplinary study of Cram s aesthetics Cameron Macdonell s Ghost Storeys deconstructs the boundaries of Gothic architecture and literature through a microhistory of St Mary s Anglican Church in Walkerville Ontario Focusing on Cram and the church s main patron Edward Walker 1851 1915 Macdonell explores the intricate intersections of Gothic aesthetics architectural ethics literature theology cultural values and community construction in an Edwardian era company town When Walker commissioned the church he believed that its economy of salvation could save him from the syphilis that afflicted his body and stained his soul However while implementing that economy Cram whose architectural theory social commentary and ghost stories were pessimistic about reviving the Gothic in the modern world also created an architecture haunted by the sickness of humanity Painstakingly researched and lavishly illustrated Ghost Storeys redefines the allegorical relationship between a marginalized church and the Gothic Revival movement as a global interdisciplinary phenomenon

*Dacia Maraini's Narratives of Survival* Tommasina Gabriele,2015-12-03 Dacia Maraini s Narratives of Survival Re Constructed focuses on Dacia Maraini s narrative from about 1984 to 2004 and makes substantive use of her interviews and essays While acknowledging the importance and ongoing validity of feminist scholarship of Maraini s work this book seeks to take scholarship on Maraini beyond feminist readings by identifying a critical framework that cuts across gender and genre and thereby invites alternative readings Using a method of close textual analysis the author includes studies of men children animals and imaginary characters in Maraini s narrative analyzes language character motifs and symbols and considers some of Maraini s work in light of declining

postmodern and emerging posthuman critical social theory This critical framework identifies the paradigm of reconstruction as narrative center both strategy and theme of many of Maraini's works from this twenty year period and beyond Reconstruction here signifies the strategies by which Maraini's deep investment in survival which has its roots in the life threatening conditions she experienced as a small child in a WWII Japanese concentration camp is enacted in a narrative rebuilding and re constructing of personal memory of various personal social and political histories of motherhood and maternal discourses of crime stories of postmodern fragmentation and even of the process of erasure itself Maraini's narrative is deeply attentive to the mechanisms that threaten survival of the body and not just the woman's body psychological and aesthetic survival the survival in the Italian canon of a woman author's work memory and legacy after her death the survival of a drug addicted and self destructive younger generation and by extension collective and ecological survival Never marked by nihilism or despair Maraini's narratives offer the ethos of reconstruction as a variation on the begin again that marks the end of many of her novels and as we can see in *Colomba* her own aesthetic process of renewal and regeneration This book focuses primarily on *Il treno per Helsinki* 1984 *Isolina* 1985 some of her short stories for children *La nave per Kobe* *Diari giapponesi di mia madre* 2001 *Buio Strega Literary Prize* 1999 and *Colomba* 2004 Biography Catherine Neal Parke, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company **A Companion to Literary Biography** Richard Bradford, 2018-11-28 An authoritative review of literary biography covering the seventeenth century to the twentieth century A Companion to Literary Biography offers a comprehensive account of literary biography spanning the history of the genre across three centuries The editor an esteemed literary biographer and noted expert in the field has encouraged contributors to explore the theoretical and methodological questions raised by the writing of biographies of writers The text examines how biographers have dealt with the lives of classic authors from Chaucer to contemporary figures such as Kingsley Amis The Companion brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work Literary biography is the most popular form of writing about writing yet it has been largely neglected in the academic community This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature This important work Allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism Examines the birth of literary biography at the close of the seventeenth century and considers its expansion through the eighteenth nineteenth and twentieth centuries Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources methodologies and theories Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day Written for students at the undergraduate level through postgraduate and doctoral levels as well as academics A Companion to Literary Biography illustrates and accounts for the importance of the literary biography as a vital element of

criticism and as an index to our perception of literary history      Biography across the Digitized Globe ,2025-02-27 This volume is dedicated to Professor Hans Renders founder of the Biography Institute of the University of Groningen the Netherlands Throughout his academic career Renders witnessed a reflexive turn in historical research biographers became more open about the limitations of their sources and the subjective nature of their selection Over this same period however the availability of digital sources has increased exponentially which has profound implications for biographical research and the transnational framework used to approach the genre Through its thirteen thought provoking essays this work seeks to make an intervention in Biography Studies by bringing the well developed reflexive tradition to bear on the pressing challenge of proliferating digitized sources      **Against the Hounds of Hell** Peter Eisenstadt,2021-02-23 An inspiration to Martin Luther King Jr James Farmer and other leaders of the civil rights movement Howard Thurman was a crucial figure in the history of African Americans in the 20th century Until now however he has not received the biographical treatment he deserves In *Against the Hounds of Hell* Thurman scholar Peter Eisenstadt offers a fascinating exploration of the life of this religious thinker and activist Thurman s life was as notable for its remarkable variety as its accomplishments The first significant African American pacifist Thurman was the first African American to meet Mahatma Gandhi An early and outspoken feminist environmentalist and advocate for social and economic justice he was one of the first and most insistent mid twentieth century proponents of racial integration At the same time he was a key figure in the emergence of mysticism and spirituality as an alternative to formal religion Thurman dedicated his career to challenging what he called the hounds of hell the ways in which fear deception and hatred so often dogged the steps of African Americans and the marginalized and disinherited peoples of the world This biography will at last establish this multifaceted historical personage as a leading figure of twentieth century American politics religion and culture      **The Other Mirror** Kristine Ibsen,1997-02-25 During the last decade women s narrative has become a recognized force in Mexican letters The essays in this collection explore the recent work of nine contemporary Mexican women writers Many of the works have been translated into English some like Laura Esquivel s *Like Water for Chocolate* have become international best sellers The unprecedented commercial success of these novels has generated mixed reactions at the same time that the secondary status afforded women s narrative has come to be questioned in many academic circles some authors are dissociating themselves from women s writing The essays in this volume address these issues providing a much needed contribution to the study of women s narrative      **American Book Publishing Record** R.R. Bowker Company,1978
