**The Beginning** Jenna Elizabeth Johnson, 2010-05-25. Imagine a world as rich as Tolkien's Middle-earth, a plot as multifaceted as Harry Potter, an adventure that rivals Eragon, and characters as memorable as the Wings of Fire dragons. The Legend of Oescienne is an epic fantasy series beloved by children and adults alike. A young heroine in training, eager to prove her worth, a domineering dragon determined to test her fortitude, and an ancient curse threatening the very existence of their world. High fantasy at its best. In the twelve years since coming to live in Oescienne, Jaharra has grown and learned about the magical world around her, facing personal dangers, challenges, and enemies of her own despite having a dragon to watch over her. Yet as the months pass, her dragon guardians begin to grow anxious. There is evidence of an unknown evil in their midst, a threat they cannot see or hear but one they can sense like a bad omen. And it's only a matter of time before Jaharra becomes aware of the prophecy she is meant to fulfill and what she must sacrifice in order to survive what lies ahead. Only one question remains: will she be ready to face the Crimson King when the time comes, or will the fate of Ethes be forever sealed in darkness? Literary Classics Winner for Best Young Adult Series.

**The Elf Resistance - Book Six of the Magi Charter** Jordan David, 2015-10-26. Two Centuries. Two Santas. The Belgian and the Cowboy. Internal dilemmas and external strife aplenty. It is during this era that Mistletoe Green flexes his grip over the North Pole and through the manipulation of the Santas ultimately succeeds in the sealing of the Library. The Elders banished to the Village must escalate their resistance plans against the FCD and all their evils. Dire times tend to forge the people the future most depends on. And from these crucibles was Santa Christo, so tempered the upheavals of the twentieth century with its wars and technological

leaps would serve as the foundation of a legacy that would forever cast him as the greatest Santa About the series The Magi Charter For over two thousand years the legend of Santa Claus has endured His is a mission of peace as outlined in the Magi Charter given to the first Santa by the Child From humble beginnings following that First Christmas the Santa lineage has been passed down through the ages This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves to our modern times where the world s problems effect even those in the secluded complex of the North and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable Even in that era those committed to the Charter must find a way to deliver that which is needed most to those most deserving The Christmas Gayety Book Effa Estelle Preston,1924
