Elvis Stories:

Elvis: The Siege of Graceland and Other Stories Robert Wells, 2022-04-13 A very different view of the world of Elvis Presley is presented in these comic fictional stories His manager Colonel Parker his family and the Memphis Mafia all feature in episodes such as the siege of Graceland when the military police try to arrest Elvis Fans of the King of Rock and Roll will learn of Liberace s hair raising encounter with Elvis s pet chimpanzee screen legend Greta Garbo coming out of retirement to make a film musical and the invitation from HM The Queen to Elvis to attend the Royal Highland Games Some stories are based on real events such as the Million Dollar Quartet and being drafted into the army but here they are given a comic twist They are written by a lifelong fan who asks Who d have thought Elvis and life at Graceland could be so funny *Radio Elvis and Other Stories* John H. Irsfeld, 2002 Urban legends Las Vegas and life in the U S Army are deftly captured in these stories by novelist John Irsfeld With imagination bordering on the quirky or absurd Irsfeld brings back to life a fictional character from Scott Fitzgerald s *The Great Gatsby* and presents Elvis as alive and in hiding years after his reported death *The Marriage Auditors* brings to mind George Orwell s 1984 only in this case it s not Big Brother watching individuals but a team who monitor marriages and force the dissolution of those they deem unsuccessful Irsfeld also writes of life as he has known it He has for instance lived in the shadow of the Las Vegas Strip for years In the Las Vegas stories he looks at the city and sees a playground where little about life seems real Tourists and residents alike operate in the sounds and shadows of the cards the wheels and the slots The army stories in this book spring from Irsfeld s own experiences in the U S Infantry With a thorough and probably hard earned knowledge of army ways he captures the reality of barracks life among men who may at any time find themselves sent to a far off unfamiliar place called Vietnam Several of the stories follow one man eventually demonstrating the effect of the army on him when he becomes a civilian Irsfeld s view of America is not one of bucolic landscapes happy families or settled societies During these times of wars and rumors of war his tales fit our national life and express our fears and distractions [The Real True Stories of the Fairy Tales](#) Alex Jacobson, 2014-11-12 In this book *The Old Steam Engine* who knows the real stories of what really happened in those fairy tales we all hear tries to set the record straight He is in fact the real Little Engine that Couldn t When a little girl named Regan happens upon the old steam engine he is an abandoned and broken down steam engine But he begins to speak to her He tells her that she has heard the wrong stories about what happened to people like Little Green Riding Hood and Snow Purple He tells the little girl that Little Green Riding Hood was not helpless and did not need a woodsman to save her So too Snow Purple did not need to marry a prince The real stories of the fairy tales tell children that real people are the heroes of the stories The uniqueness of the stories appeals to adults as well as children so that the adults reading the stories will find them fun to read and to discuss with the children **Elvis by the Presleys** Priscilla Presley, Lisa Marie Presley, 2020-02-18 An intimate account of legendary entertainer Elvis Presley featuring stunning photography and exclusive stories from Priscilla Presley Lisa Marie Presley and

more Behind the King of Rock and Roll was a husband father son cousin friend and spiritual seeker In Elvis by the Presleys those who knew him best come together to memorialize our greatest star featuring hours of exclusive family interviews Elvis quotes and private family photographs and images of personal memorabilia from the archives of Graceland Elvis Presley Enterprises Elvis by the Presleys reveals life at Graceland like never before Graceland is seen as a teeming family retreat where the kitchen was the center of operations where tag football games were played in the yard where folks drove golf carts up and down the hills and where Elvis spent many of his happiest times We witness the arc of his love affair with Priscilla Elvis as a father to his adored Lisa Marie his obsessions and passions and the strength of his musical legacy which continues unabated to this day There are Christmas cards here too contracts and invoices selections from Lisa Marie s childhood scrapbook and even a picture of the champagne bottle signed from Elvis and Priscilla s wedding Elvis by the Presleys is the tumultuous story of the life of a lovely yet complex man a portrait of the career of a brilliantly accomplished yet often frustrated artist an insider s tale of enduring love related with warmth and unguarded candor and a story told the way only a family can tell it *Elvis Presley* Joel Williamson, Donald Lewis Shaw, 2015 An eminent Southern biographer interprets one of the most famous Southern icons of popular culture *Elvis Sightings* Ricardo Sanchez, 2014-09-29 I m Floyd no last name needed thanks and I m a P I The only other thing you need to know about me is that I m not an Elvis impersonator I live my life fast and hard and yes in sequined jumpsuits but more importantly I live my life the way Elvis would have wanted me to Honestly With integrity It was a tip that the King was still alive and living under an assumed name that brought me to Kresge Wyoming But there s something bigger than Elvis happening out here I ve been beaten bloody by an acrobatic bartender roped into the search for a missing councilman fallen for a bearded lady and threatened by men in black who really don t want me poking my nose into the town s business Half of my leads look like dead celebrities The other half are either refugees from a broken down circus or spear holding Viking wannabes I m in Crazytown USA but I can t leave Not yet If I don t find the missing councilman soon Kresge will be turned into a Danish themed amusement park I ve never been so close to finding Elvis And I need to know if my new self appointed sidekick James Morrison is really who he claims to be 81 000 words **My First Tractor: Stories of Farmers and Their First Love** Foreword by Jerry Apps, 2010 Elvis Culture Erika Doss, 1999 Doss fine arts and American studies U of Colorado Boulder examines the image of Elvis from a number of perspectives including as a religious icon honored in household shrines as a sexual fantasy for women and men as an inspiration for impersonators as a not altogether positive emblem of whiteness for many blacks and as a commodity to be protected by Elvis Presley Enterprises Bandw illustrations Annotation copyrighted by Book News Inc Portland OR *Elvis After Elvis* Gilbert B. Rodman, 2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the

most heavily publicized living celebrities In Elvis after Elvis Gil Rodman traces the myriad manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn't belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis's central role in furious debates about racism and the appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in the wars over what constitutes a national culture
