Emanuele Martino:

Enlightening Encounters Giorgia Alu, Nancy Pedri, 2015-01-15 *Enlightening Encounters* traces the impact of photography on Italian literature from the medium's invention in 1839 to the present day. Investigating the ways in which Italian literature has responded to photographic practice and aesthetics, the contributors use a wide range of theoretical perspectives to examine a variety of canonical and non-canonical authors and a broad selection of literary genres including fiction, autobiography, photo texts, and migration literature. The first collection in English to focus on photography's reciprocal relationship to Italian literature, *Enlightening Encounters* represents an important resource for a number of fields including Italian studies, literary studies, visual studies, and cultural studies.

Con questo romanzo pubblicato nel 1887 a Berlino l'autore si guadagna la fucilazione alla schiena come presunto ispiratore della rivoluzione a cui non aveva assolutamente partecipato un assassinio legale. La rivoluzione prese maggiore vigore e solo dopo un anno e mezzo la Spagna perse il suo secolare dominio sulle Filippine. Un poeta scrisse una pallottola per la tua testa ma la tua mente distrusse un impero. Trama: Dopo aver completato i suoi studi in Europa, il giovane Juan Crisostomo Magsalin Ibarra ritorna nella sua terra natale, le Filippine, dopo sette anni di assenza. Per festeggiare il suo ritorno, Don Santiago de los Santos, conosciuto anche come Capitano Tiago, un amico di famiglia del giovane, organizza una festa di ricongiungimento a cui partecipano anche alcuni frati e altre personalità di spicco. Durante la festa, uno degli invitati, un frate francescano di nome Don Maso Vardolagas, precedentemente curato di San Diego, sminuisce e calunnia Ibarra. Il giorno dopo Ibarra visita la sua promessa sposa, Maria Clara, la bellissima figlia del Capitano Tiago e residente benestante di Binondo. Durante questo incontro, il loro amore di lunga data si manifesta e Maria Clara non può fare a meno di rileggere le lettere che il suo amore le inviava prima di trasferirsi in Europa. Prima di lasciare la città per recarsi a San Diego in tempo per la festa cittadina, il tenente Guevara, una Guardia Civile, gli rivela alcuni incidenti che precedettero la morte di suo padre, Don Rafael Ibarra, un ricco hacendado della città. Secondo Guevara, Rafael aveva scoperto la corruzione e gli abusi commessi dai frati. Anche se il padre era un cattolico praticante, la sua assenza ai sacramenti, come la confessione o la messa, erano causati dall'ulteriore scoperta di alcuni atti malvagi perpetrati da Don Maso. Per questo Don Maso accusa ingiustamente Rafael di essere un sovversivo e un eretico. L'animosità del frate contro il padre si rafforza dopo un altro incidente avvenuto quando Rafael aveva

cercato di fermare una rissa fra un esattore delle tasse ed un bambino conclusasi nella morte accidentale di quest ultimo Rafael fu accusato della morte del bambino e i pensieri maligni delle persone intorno a lui iniziarono ad emergere portando ulteriori complicazioni Rafael fu imprigionato e quando tutto stava per sistemarsi morì di malattia nella sua cella I resti di Rafael una volta seppelliti in un cimitero locale erano stati esumati sotto ordine di D maso e trasferiti in un cimitero cinese Questo perch il frate credeva che quello fosse un luogo di sepoltura per pagani gente che non riconosceva Dio negli anni passati Tuttavia i custodi del cimitero simpatizzando per Rafael e per la sua famiglia e disprezzando i frati buttarono i suoi resti in un lago per ingannare il francescano Fonte <https://it.wikipedia.org> *Nuova antologia di scienze, lettere ed arti*, 1874
