Embroidery Sampler:

Simply Samplers Cheryl Fall, 2014-08-15 A sampler is a project made from a sampling of different stitches or different motifs. Once the learning tool that helped generations of girls master basic needlework skills, this traditional project is still a great way to learn and practice embroidery skills as well as a creative way to add color to a room or a fabric item. Covers samplers in several different styles: cross stitch, counted thread, surface and freestyle embroidery. Creative uses for sampler art beyond the basic wall hanging: gift bags, ornaments, scarves, tote bags and more. Includes a how-to section with step-by-step instructions for basic embroidery stitches and sewing skills. 16 projects for decorative sampler designs plus creative variations. [An Embroidery Sampler](#) Ondorisha, 1988 This extensive volume of design ideas is perfect for the beginner and the expert sewer alike. Choose from dozens of classic themes with detailed instructions for each.

The Philippine Craftsman, 1915 [Needlework and Women's Identity in Colonial Australia](#) Lorinda Cramer, 2019-09-05

In gold rush Australia, social identity was in flux. Gold promised access to fashionable new clothes, a grand home and the goods to furnish it, but could not buy gentility. *Needlework and Women's Identity in Colonial Australia* explores how the wives, mothers, sisters and daughters who migrated to the newly formed colony of Victoria used their needle skills as a powerful claim to social standing. Focusing on one of women's most common daily tasks, the book examines how needlework's practice and products were vital in the contest for social position in the turmoil of the first two decades of the Victorian rush. From 1851, placing women firmly at the center of colonial history, it explores how the needle became a tool for stitching together identity. From decorative needlework to household making and mending, women's sewing was a vehicle for establishing, asserting and maintaining social status. Interdisciplinary in scope, *Needlework and Women's Identity in Colonial Australia* draws on material culture, written primary sources and pictorial evidence to create a rich portrait of the objects and manners that defined genteel goldfields living. Giving voice to women's experiences and positioning them as key players in the fabric of gold rush society, this volume offers a fresh critical perspective on gender and textile history. *Sampler Workbook: Motifs and Patterns* Caroline Vincent, 2010-08-30 M nstre til korsstingsbroderi og andre broderiteknikker hvor motiverne er bygninger, mennesker, trer, dyr, borter, blomsterarrangementer, tal og bogstaver.
