Emergency Kit Jo Shapcott, Matthew Sweeney, 1996 *Emergency Kit* is an anthology with many differences It is to begin with a book which gives prominence to poems rather than to the poets who wrote them It is truly international bringing together poems not just from these islands but from many parts of the English speaking world It is the first book to identify a strain in the poetry of the last half century which is characteristic of the strange times we live in an age when as the editors note scientific discovery itself has encouraged us to make free with the boundaries of realism It values imagination surprise vivid expression the outlandish and the playful above ideology and sententiousness It is in short living proof that poetry in the English language continues to thrive and to matter
