Portrait of America Jerrold Hirsch, 2004-07-21 How well do we know our country Whom do we include when we use the word American These are not just contemporary issues but recurring questions Americans have asked themselves throughout their history and questions that were addressed when in 1935 the Roosevelt administration created the Federal Writers Project FWP under the aegis of the Works Progress Administration Although the immediate context of the FWP was work relief national FWP officials developed programs that spoke to much larger and longer standing debates over the nature of American identity and culture and the very definition of who was an American Hirsch reviews the founding of the FWP and the significance of its American Guide series considering the choices made by administrators who wanted to celebrate diversity as a positive aspect of American cultural identity In his exploration of the FWP's other writings Hirsch discusses the project's pioneering use of oral history in interviews with ordinary southerners ex slaves ethnic minorities and industrial workers He also examines congressional critics of the FWP vision the occasional opposition of local Federal Writers especially in the South and how the FWP's vision changed in response to the challenge of World War II In the course of this study Hirsch raises thought provoking questions about the

relationships between diversity and unity government and culture and ultimately culture and democracy      **Classroom Management** ,2008      *The Oxford Handbook of Feminist Theology* Mary McClintock Fulkerson,Sheila Briggs,2012 This volume highlights the relevance of globalization and the insights of gender studies and religious studies for feminist theology It focuses on the changing global contexts for the field and its movement towards new models of theology distinct from the forms of traditional Christian systematic theology and of secular feminism      **Cultural Views on Online Learning in Higher Education** María Gabriela Di Gesú,María Fernanda González,2021-03-01 This book opens up a fruitful conversation by and between invited academics from Europe and Latin America on the features of online learning in higher education The authors analyse online education from interdisciplinary theoretical and empirical reflections to reveal the existing tensions and turning this book into a valuable artifact on how learning is shaped when technology comes in between diverse geographical and social contexts Like any other human activity e learning can be seen as a context dependent educational system with many objects in mutual interaction Applying a cultural psychology perspective to this provides new answers to questions such as How can cultural psychology shed new light on online learning Why do students and academics still opt for classic classes What inner boundaries are pushed when studying online How can online learning be influenced by affect How do teachers and students mold their identities when they move in and out of online environments This book reveals the existing tensions resistances and appropriation strategies that students and academics from diverse backgrounds and places go through when attending online learning courses in higher education and furthermore shows how these theoretical frameworks can be successfully applied to practice      **Pathway of care and gaps in services for children and adults with autism spectrum disorder** Maria Luisa Scattoni,Andy Shih,Diana Schendel,2023-05-04      *Evangelicals, Worship and Participation* Dr Alan Rathe,2014-11-28 In discussions of worship the term participation covers a lot of ground It refers not only to concrete acts in gathered liturgy but also to some of the loftiest claims of Christian theology In this book Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape of participation Rathe presents a broad review of evangelical worship literature through a lens borrowed from medieval theology This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect and offers fresh perspectives on such current theological concerns as God's triunity missio Dei and the practical theology of participation Offering a fresh contribution to a young but important discipline the liturgically informed study of evangelical worship practice this book reconnects the evangelical tradition to the Great Tradition and in the process re appropriates classic concepts that are full of promise for contemporary ecumenical dialogue      **Evangelicals, Worship and Participation** Alan Rathe,2016-04-22 In discussions of worship the term participation covers a lot of ground It refers not only to concrete acts in gathered liturgy but also to some of the loftiest claims of Christian theology In this book Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape of participation Rathe

presents a broad review of evangelical worship literature through a lens borrowed from medieval theology. This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect and offers fresh perspectives on such current theological concerns as God's triunity, *missio Dei*, and the practical theology of participation. Offering a fresh contribution to a young but important discipline, the liturgically informed study of evangelical worship practice, this book reconnects the evangelical tradition to the Great Tradition and in the process reappropriates classic concepts that are full of promise for contemporary ecumenical dialogue.
