Elizabeth Dole Public Servant:

Elizabeth Dole Dana Meachen Rau, 2007-07 A biography of Elizabeth Dole who held the posts of U S Senator U S Secretary of Transportation U S Secretary of Labor and President of the American Red Cross Elizabeth Dole Carolyn Mulford, 1992 A biography of the current president of the American Red Cross from her childhood in North Carolina through her years of public service in Washington D C **Elizabeth Hanford Dole** Molly M. Wertheimer, Nichola D. Gutgold, 2004-12-30 As a politician what you say and how you say it is almost as important as what you do Political careers are made based not only on substantive achievements but also on style presentation speeches and debates Dole s is no exception After a career in government service spanning six presidents from Lyndon B Johnson to George H W Bush she became widely recognized as a leading Republican politician in her own right after her 1996 speech at the GOP convention In 1999 she spent six months campaigning for president before dropping out of the race due to a lack of adequate funds and in 2002 she was elected U S Senator from North Carolina In this biography of Dole the authors show how she has been able to advance the causes she cares about as well as her political career through her consummate skills as a public speaker Dole s career included service in two cabinets as Secretary of Transportation Reagan and Secretary of Labor Bush and she also served as president of the American Red Cross The authors quote liberally from her speeches and interviews to illustrate the events of her political career and to place her choices personal career and political in the context of the times and places in which she grew up and came of age Her trajectory from Southern belle debutante to Harvard Law School student and from political wife to presidential candidate and U S senator is fascinating and the deftness with which she has been able to deflect the criticisms thrown her way is instructive for women of both political parties and for politicians of both genders

The Style and Rhetoric of Elizabeth Dole Rachel B. Friedman, Ronald E. Lee, 2013-12-18 This book analyses the public discourse of Elizabeth Dole It explores the way in which this trail blazing public figure navigated the double binds that confront women who obtain and exercise political power The text argues that Dole crafted a conservative feminine persona in which she depicted herself as a selfless public servant This sense of servant was defined through Dole s appeal to the transcendent moral purposes of Christianity She used this image to great effect in her most noteworthy public addresses especially her 1996 Republican National Convention speech in support of her husband s presidential campaign In her 2008 unsuccessful North Carolina U S Senate reelection campaign Elizabeth Dole s political style unraveled in the face of a series of effective attacks by her opponent Kay Hagan and her own desperate rhetorical appeals to stave off defeat Marine, Public Servant, Kansan Dennis Raphael Garcia, 2018-08-07 For Ernest Ernie Garcia the American dream began in Mexico more than a hundred years ago Ernie raised in Kansas became the US Senate sergeant at arms and escorted President Ronald Reagan to the podium to deliver the State of the Union address After the president s speech Ernie reflected on his family s long and arduous journey from Zacatecas to El Paso to Kansas as well as on his presence in the Capitol alongside the

president Congress and the Supreme Court He was certain his ancestors never imagined that their dreams would lead him to the White House Ernie's experience as sergeant at arms is just one chapter in the inspiring life story told in this book Drawing upon oral histories recounted by family members friends and Ernie himself Dennis Raphael Garcia reaches back to the travails and grit of great grandfather Pedro as he made his way to the American heartland with his son Jose Like so many immigrants with courage and determination they found great hardship but also great opportunity A decade of field labor the Great Depression the Dust Bowl and two world wars laid the groundwork for Ernie's story Marine Public Servant Kansan describes how this Mexican American boy fatherless at a young age and facing discrimination found his way to a place alongside a senator and a president through hard work and education and some basketball Along the way he realized his own ambition to become an officer in the Marine Corps The book follows Ernie through both Iraq wars to his service even in retirement as superintendent of the Kansas State Highway Patrol In Marine Public Servant Kansan the remarkable character of not just one Kansan son of Mexican immigrants but also the immigrant experience itself is eloquently and poignantly weaved into the story of Ernie and his family's American dream
