## **Ellison's Invisible Man:**

**Ralph Ellison's Invisible Man** John F. Callahan, 2004-04-01 This casebook features ten distinctive and provocative essays in addition to a generous sampling of Ellison's comments on the novel. A number of the latter are from letters never before published; also published here for the first time is Part II of Ellison's Working Notes on Invisible Man, an undated exposition of his authorial intentions, probably written in 1946 or 1947. The ten essays are a selection of the most perceptive and comprehensive essays written on Invisible Man during the last thirty-five years, including an essay by Kenneth Burke which began as a letter to Ellison about the novel written before its publication in 1952. Also among the essays is Larry Neal's Ellison's Zoot Suit, in which he finds the novel an exemplary enactment in fiction of the black aesthetic. The essays explore topics of narrative form, classical and vernacular points of reference, and the relationship between the themes of love and politics. Taken together with Ellison's Working Notes and later commentary on the novel, these essays account for the continuing appeal of Invisible Man more than fifty years after its publication. An editor's introduction and a full bibliography accompany the essays, selections from Ellison's writings, and informal statements on his novel. The volume offers a rich variety of interpretations of Invisible Man for students and scholars of Ellison. **Invisible Man** Ralph Ellison, 2010-09-29

NATIONAL BOOK AWARD WINNER NATIONAL BESTSELLER In this deeply compelling novel and epic milestone of American literature, a nameless narrator tells his story from the basement lair of the Invisible Man; he imagines himself to be One of The Atlantic's Great American Novels of the Past 100 Years. He describes growing up in a Black community in the South, attending a Negro college from which he is expelled, moving to New York, and becoming the chief spokesman of the Harlem branch of the Brotherhood before retreating amid violence and confusion. Originally published in 1952 as the first novel by a then unknown author, it remained on the bestseller list for sixteen weeks and established Ralph Ellison as one of the key writers of the century. The book is a passionate and witty tour de force of style, strongly influenced by T. S. Eliot's *The Waste Land*, James Joyce, and Dostoevsky.
