Stephanie Laurens returns to the quintessential question of what family means to a Cynster in this tale of the last unmarried member of the Cynster Next Generation and the final mission that opens his eyes Toby Cynster is not amused when informed that his new mission is to be his last in the shadowy service of Drake Marquess of Winchelsea Courtesy of Toby being the last unmarried Cynster of his generation and the consequent martial obsession of his female relatives he will be given no more excuses to avoid society and instead expected to devote himself to finding a suitable bride But Toby sees no point in marrying thanks to his siblings he has plenty of nephews and nieces with whom to play favorite uncle and he has no thoughts of establishing a family of his own But then the mission takes an unexpected turn leaving Toby to escort the irritatingly fascinating Diana Locke plus the three young children of a dying Englishman from Vienna to England Diana is no more

enthused about their journey than Toby but needs must and forever practical she bows to events and makes the best of things for her godchildren's sakes. She's determined to see them to safety in England and does her best to ignore her nonsensical and annoying awareness of Toby. But then their journey becomes a flight from deadly pursuit and their most effective disguise is to pass themselves off as a family the sort of family Toby had been certain he would never want. Through a succession of fraught adventures Toby, Diana and the children lean on each other and grow and mature while furthering their ultimate aim of reaching England safely and along the way Toby and Diana both learn what having a family actually means to them individually and together and each discovers the until then missing foundation stone of their future lives. When Thomas Cardwell, an upstanding man of business, is murdered, Roscoe enlists the aid of the best investigators in London, namely Barnaby and Penelope Adair and Inspector Stokes of Scotland Yard, to solve the puzzle of why anyone would want to kill a man as honest as Cardwell. Dispatched by Roscoe, London's gambling king, to learn what nefarious activity an upstanding man of business has stumbled upon, Jordan Draper, Roscoe's own man of business, arrives at Thomas Cardwell's office to discover Cardwell very recently murdered. Soon Jordan finds himself working alongside the Adairs and Inspector Stokes as they search for clues as to why anyone would kill a man as unthreatening as Cardwell. Unexpectedly, Jordan finds himself drawn to Cardwell's family, especially Thomas's sister Ruth, and as the investigation progresses, the greater Jordan's compulsion to find the murderer and bring the family resolution and respite grows. Clue by clue, motive by surprising motive, the investigators seek to identify Cardwell's murderer and along the way uncover the nefarious activity he'd sought to bring to the authorities' attention. But in a case cluttered with intertwined motives and a web of potential suspects related to each other as well as the victim, finding the kernel of truth amid the chaff is no easy matter. Only through enlisting the help of the investigators' wider circle of supporters do they make any headway, and on the heels of uncovering a cascade of crimes, they finally, finally, close in on the man who murdered Thomas Cardwell.
