The collection of Italian medieval sculpture in The Metropolitan Museum of Art and The Cloisters began with the acquisition in 1908 of a Romanesque column statue; today the Museum's holdings comprise more than seventy works dating from the ninth to the late fifteenth century. The birthplaces of these works range from Sicily to Venice; some typify local styles, others illustrate the intense artistic exchanges taking place within Italy and between Italy and the wider world. Technological advances of the last decades have made it possible to determine more precisely the materials and techniques from which works of art are made, the history of their alteration, and the mechanisms of their deterioration. Using such techniques, scholars have been able to ascertain, for example, that sculptures previously thought to be modern works carved in the medieval manner were in fact completely authentic. This innovative volume represents a watershed in the study of sculpture: a collaborative dialogue between an art historian and a conservator, between art history

and art science that deepens our understanding of the object we see while illuminating its elusive enigmatic history From publisher s description Absolutely A-line Wendi Gratz,2009 Shows and tells how to make 26 A line dresses for girls pattern included **Embroidery Designs Boho-Chic** Kelly Fletcher,2017-09-12 Embroidery Designs Boho Chic is a fresh perspective on this classic art Embroidery isn t just for granny s throw pillows anymore grab your tools and start customizing everything Embroidery has flourished throughout different periods of history from the courts of medieval Europe to the bohemian stitchers of the 1960s and 70s all the way to today s Scandinavian inspired sewing enthusiasts Now this endlessly evolving but perennially popular pastime is accessible to all Loaded with step by step instructions for twelve stitch techniques Embroidery Designs Boho Chic includes three sheets of iron on transfers for twelve boho chic designs two stitching needles a six inch embroidery hoop two pieces of white fabric and ten skeins of six stranded embroidery floss From raspberry borders to trendy folk birds this colorful kit features boho chic designs guaranteed to add flair to shirts dresses bags throw pillows wall hangings anything and everything that could use some extra flair With instructions for twelve different stitch techniques the design possibilities are endless for seasoned stitchers and beginners alike Metropolitan Home ,1993-03 Painting with Thread Kit Nicol,2003-03 In Painting with Thread Kit Nicol has developed an exciting approach to stitch craft that will have wide ranging appeal Her exquisite embroidered pictures range from simple landscape scenes using just one or two stitches to raised embroideries incorporating more elaborate techniques such as stumpwork Kit also borrows freely from other areas of needlecraft using traditional quilting techniques such as trapunto to give a simple 3 D effect Packed with useful tips for designing and executing your own embroidered pictures Painting with Thread is an inspiring book for stitchers of all levels of ability **COPPERHEAD** Marla Fair,2008-09-16 Growing up on an 18th century North Carolina plantation the daughter of a British Army officer and Indian fighter Miriam Foxwell s life was well ordered she knew what was expected of her and what she could expect until one day when her elder sister Kate told her that their crazy old grandfather had an animal locked in his studio an animal that walked on two legs with rich copper skin and deep brown eyes the color of the silt in her garden an animal that was wounded and dangerous and wore beads and feathers in his long shining hair An animal named COPPERHEAD From the moment she met him nothing would ever be the same
