Figley,1985 **Innovations in Mental Health Services to Disaster Victims** Mary H. Lystad,1985 *Emergency Psychiatry* Ellen L. Bassuk,2012-12-06 This eagerly awaited volume occupies an important place in the series Critical Issues in Psychiatry Most mental health professionals are quite at home with ordinary day to day crises of clinical practice but relatively unprepared for the true psychiatric emergency Such emergencies are too infrequent for most of us to experience a real sense of competence On the other hand emergency room psychiatrists as well as residents and other trainees have long wished for a truly comprehensive textbook that would cover the spectrum of emergency psychiatry This book is just such a definitive and comprehensive volume for the specialist while at the same time a clear succinct and comprehensive reference for the clinician of emergency care The authors consistently present a systematic model emphasizing the interconnection between the process of emergency interven tion and the specific features of clinical crisis They are true to the principle that one s system of care should be built on priorities It is immediately apparent that these are highly experienced clinicians as well as teachers It is difficult to imagine a clinical situation that is not addressed by this book It includes chapters on triage assessment and treatment planning emer gencies associated with all the various psychopathologies age groups from childhood to old age the emergency management of violent and suicidal pa tients as well as rape and disaster victims emergencies secondary to substance abuse and prescribed medications psychotherapeutic and psychopharmacol ogic intervention as well as the relevant legal social and community issues in emergency care Manual for Child Health Workers in Major Disasters Norman L. Farberow,1981 **Coping in Crisis** Katherine K.P. Young,1983-07-01 COPING IN CRISIS attempts to examine crisis resolution processes in the light of the time honoured Chinese perspective that crisis is a time of danger and a time of opportunity It presents a specific approach to crisis intervention designed to turn the dangers demands and deprivations inherent in crisis situations along positive lines and provides an impetus for growth The Hong

Kong crisis study reported in this book examines the nature of personal and family crises over which people in Hong Kong seek help from the family service centres of the Social Welfare Department and Caritas It also seeks to discover whether opportunities for growth and learning are present despite the risks to which the person in crisis is exposed *The Next New Madrid Earthquake* William Atkinson,1989 Scientists who specialize in the study of Mississippi Valley earthquakes say that the region is overdue for a powerful tremor that will cause major damage and undoubtedly some casualties The inevitability of a future quake and the lack of preparation by both individuals and communities provided the impetus for this book Atkinson brings together applicable information from many disciplines history geology and seismology engineering zoology politics and community planning economics environmental science sociology and psychology and mental health to provide the most comprehensive perspective to date of the myriad impacts of a major earthquake on the Mississippi Valley Atkinson addresses such basic questions as What actually are earthquakes How do they occur Where are they likely to occur Can they be predicted perhaps even prevented He also addresses those steps that individuals can take to improve their chances for survival both during and after an earthquake **Crisis Intervention** Lawrence H. Cohen,William L. Claiborn,Gerald A. Specter,1983 Explores historical theoretical and conceptual evaluative and practical aspects of crisis intervention as theoretical model as clinical technique and as social phenomenon **Mental Health Disorders Sourcebook, 8th Ed.** James Chambers,2021-11-01 Consumer health information about the signs symptoms and treatment of various mental illnesses and the special mental health concerns of children and adolescents older adults and other groups along with tips for maintaining mental wellness Includes index glossary of related terms and other resources **Crisis Intervention Handbook** Albert R. Roberts,2005-07-14 As a result of the growing amount of acute crisis events portrayed in the media that impact the lives of the general public interest in crisis intervention response teams management and stabilization has grown tremendously in the past decade However there exists little to no literature designed to give timely and comprehensive help for crisis intervention teams This is a thorough revision of the first complete and authoritative handbook that prepares the crisis counselor for rapid assessment and timely crisis intervention in the 21st century Expanded and fully updated the Crisis Intervention Handbook Assessment Treatment and Research Third Edition focuses on crisis intervention services for persons who are victims of natural disasters school based and home based violence violent crimes and personal or family crises It applies a unifying model of crisis intervention making it appropriate for front line crisis workers clinical psychologists social workers psychiatric mental health nurses and graduate students who need to know the latest steps and methods for intervening effectively with persons in acute crisis **Catalog of Copyright Entries.
