ENGLISH DESCRIPTION Have you as a parent ever found yourself treating your children in a way you would never tolerate from someone else? The authors of *Emotionally Intelligent Parenting* call for a new Golden Rule: Do unto your children as you would have other people do unto your children. And most important, they show us how to live by it. Based upon extensive research, firsthand experience, and case studies, *Emotionally Intelligent Parenting* breaks the mold of traditional parenting books by taking into account the strong role of emotions, those of parents and children, in psychological development. With this book, parents will learn how to communicate with children on a deeper, more gratifying level and how to help them successfully navigate the intricacies of relating to others. The authors take the five basic principles of Daniel Goleman's best seller *Emotional Intelligence* and explain how they can be applied to successful parenting. To this end, the book offers suggestions, stories, dialogues, activities, and a special section of *Sound EQ Parenting Bites* to help parents use their emotions in the most constructive ways, focusing on such everyday issues as sibling rivalry, fights with friends, school situations, homework, and peer pressure. In the authors' extensive experience, children respond quickly to these strategies; their self-confidence is strengthened, their curiosity is piqued, and they learn to assert their independence while developing their ability to make responsible choices.

Emotional Intelligence for Parents Grace Cohen, 2021-07-27 Parents are under a lot of stress. They don't know how to handle their own emotions and they have no idea what to do with their kids' emotions either. The best way for parents to understand their children better is by having an emotional intelligence that allows them to see things from the child's perspective. This helps parents make better decisions when they deal with their kids, both in terms of discipline and building strong relationships with them.

Emotional Intelligence for Parents is a book about helping parents in two ways. First, it teaches them how to master their own emotions and understand other people's feelings better. Second, it offers tips on raising emotionally intelligent children. Imagine being able to understand your child's feelings so well that you can help them in ways that make sense to them. Imagine having the skills and confidence to handle any parenting situation. And imagine raising emotionally intelligent

children who are more likely to succeed throughout life Your children will respond positively when they see that you are in control of yourself and understand their feelings What other benefits can you get from this book Your kids will love you even more than they already do You ll be the type of person you always wanted to be as a kid You ll have happier more fulfilled days with your family You ll get a second chance at parenting the way you always wished you could have You ll raise kids who are self aware and know how they feel before they act on it This book can help parents of all ages deal with their children in the best way possible Whether it be toddlers or teenagers this book has something for everyone Get your copy today Click Buy now and discover more Raising Emotionally Intelligent Teenagers Maurice J.
