Human Resources Cases And Concepts:

Human Resources: Cases & Concepts Leon C. Megginson, 1968 **Human Resource Management: Text & Cases, 2nd Edition** Pande Sharon & Basak Swapnalekha, 2015 In a constantly evolving service led Indian economy human resources have become the cornerstone of an organization's success. The management of human capability has become an art that has to be understood and mastered to run a successful enterprise. Human Resource Management Text and Cases 2e explains the basic concepts of this discipline and presents cases that provide an insight into the challenges faced by HR professionals on a day today basis. Going beyond the coverage of a traditional textbook this book focuses on applied aspects of HRM which capture the evolving challenges in the field. The authors have used their extensive real world work experience in talent acquisition and human resource development and retention to provide lucid explanation of all major concepts of human resource management. Replete with examples and cases this title is a complete guide for all MBA students and HR practitioners.

KEY FEATURES Extensive coverage of HR best practices and innovations. Sample ready to use formats of relevant documents. Thought provoking chapter opening cases to set the context for learning in the text ahead. Application cases to showcase real world implementation of concepts. PowerPoint slides and Question Bank for teachers. **Key Concepts in Human Resource Management** Jonathan Sutherland, 2017-05-02 Key Concepts in Human Resource Management is one of a range of comprehensive glossaries with entries arranged alphabetically for easy reference. All major concepts, terms, theories and theorists are incorporated and cross referenced. Additional reading and Internet research opportunities are identified. More complex terminology is made clearer with numerous diagrams and illustrations. With over 500 key terms defined the book represents a comprehensive must have reference for anyone studying a business related course or those simply wishing to understand what human resource management is all about. It will be especially useful as a revision aid.

Strategic Human Resource Development : Concepts and Practices Kesho Prasad, 2012 In today's corporate world employee management is first and the foremost concern of any organization. An organization can easily churn out the best out of their employees by improvising the strategic development within the human resource norms. This book comprehensively discusses the strategic management functions that are designed to meet the business objectives effectively. This textbook explains the concepts of human resource management, HRM and human resource development, HRD and shows how they supplement and complement each other. The book explicates how sourcing, retention, development, compensation and performance are driven by the strategic business needs in an organization. Divided into four parts the book explicates strategic developmental aspects of the people, training and development vis-à-vis organizational behaviour, culture and leadership as well as primacy of technology in training as well as the concepts of human resource management and human resource development. The special feature of this book is a chapter on Competency Mapping which is a tool to identify accurate skills for developing competency requirement within the employees. **Fundamentals of Human Resource**
