Talk and Taxonomy Peter Eglin, 1980-01-01 The thesis of this essay is that social or cultural competence consists more of an interpretive or methodological ability to use language in the service of interaction than of a substantive knowledge of collections of cultural categories and of the semantic relations between the terms naming those categories Mind,

Language, and Metaphilosophy Richard Rorty, 2014-02-13 This volume presents a selection of the philosophical essays which Richard Rorty wrote during the first decade of his career and complements four previous volumes of his papers published by Cambridge University Press In this long neglected body of work which many leading philosophers still consider to be his best Rorty develops his views on the nature and scope of philosophy in a manner which supplements and elucidates his definitive statement on these matters in *Philosophy and the Mirror of Nature* He also develops his groundbreaking version of eliminative materialism a label first coined to describe his position and sets out original views on various central topics in the philosophy of language concerning private language indeterminacy and verificationism A substantial introduction examines Rorty's philosophical development from 1961 to 1972 The volume completes our understanding of Rorty's intellectual trajectory and offers lucid statements of positions which retain their relevance to current debates **Categorical Analysis**

E. Maynard Adams, 2018-07-11 The essays in this volume have been selected for their contribution to Everett W Hall's mature philosophical position which was grounded in careful linguistic analysis and directed toward philosophically clarifying the major areas of culture He emerges as skillful meticulous and patient in his exploration of language as a means of interpreting the categorial structure of the world Originally published in 1964 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were
