Higgins, 2014 *Searching for God* draws upon the traditional categories of systematic theology as it guides readers through the Catholic theological thought process involved in the search for God At each step we examine the work of a past thinker from the time of the early church up to the early twentieth century and a present thinker whose works are often required reading in theology courses Not only do readers have the opportunity to critically evaluate several important theological works in the Catholic tradition they can also enter into dialogue with those works as they engage in their own search for God Provided by publisher

Understanding of Revelation History of Reception and Effects Problems of a Biblically Oriented Theology **Who am I? How to Find out who you Truly are?** IntroBooks Team, The question Who am I is frequently posed but it can be challenging to respond to People may be able to describe themselves in terms like professional or scholar or whether they are introverts or extroverts However it doesn't really capture who they are at their core Again these traits just reveal the basic level of who they actually are People might also attempt to sum up their finest attributes by claiming they are smart and compassionate Individuals need to dig deeper and make something that is exclusively for them if they want to discover who they really are Therefore it is preferable to respond to questions regarding who humans are from the social point of view or what aspects characterize them by citing illustrations of what makes them the individuals they are on their own The actual selves the real selves the people who were born to be are what persist eternally **Find Hope: NIV VerseLight Bible** Christopher D. Hudson, 2010-02-09 This Bible caught me when I was sinking A friend of mine bought me this Bible it was a really kind gesture She said she didn't know what to say to me herself but she was sorry for what I had been through and she thought it might help Well it did This Bible caught me when I was sinking and brought me back to the surface John age 48 Find Hope is a full text Bible with passages that describe the hope and comfort God offers to hurting people highlighted in blue to make them easy to find Millions of people men women and children have been leaning on God's truths during their most troubling times for over 2000 years Discover like John these truths that still have the power to sustain comfort and bring you joy today NIV VerseLight Bibles make great gifts for friends in need of biblical encouragement or for your own personal use Whether you need inspiration comfort or simply want to hear words of God's love there is an NIV VerseLight Bible for you Your Word is a lamp to my feet and a light for my path Psalm 119:105 *Find Your Way Discussion Guide* Carly Fiorina, 2019-05-07 No matter where you are in life you are not yet all you can be At some point virtually everyone finds themselves struggling to find their way in life Perhaps you're just starting out and haven't yet found your personal or professional path Maybe you've been plugging away for years trying to live someone else's dream Maybe you're outwardly successful but plagued by a nagging soul level sense of dissatisfaction Carly Fiorina who started as a secretary and later became the first female CEO of a Fortune 50 company can help Drawing on her own remarkable journey Carly will show you how to choose a path over a plan use problems to propel yourself and your organization forward overcome fear and procrastination make smart decisions and reclaim your power and use it for good Carly Fiorina believes beyond a shadow of a doubt that your potential can be unleashed In the Find Your Way Discussion Guide she will show you the path to getting there [Let Me Go There](#) Paula Gooder, 2020-01-14 Bestselling Anglican author Paula Gooder a favorite of Rowan Williams and many others has written a daily companion for the six weeks of Lent to lead you deeper into the spirit of the season and open up the scriptures that are essential at this time of year She begins with an introduction to the season of Lent and its characteristic themes exploring how to use it as a time for spiritual growth In forty short sections suitable for daily reading Paula then reflects on a theme

associated with the season including Wilderness Journey Fasting Taking up your cross Discipleship Prayer Temptation

**When He Shall Appear** Terry Marr, 2019-01-18 One evening during my prayer time I found myself thinking about the many patients I have had the opportunity to be with as they made their transition into eternity As a retired registered nurse and as a pastor I have held the hands of many young and old as they stepped into eternity At the end of these journeys I have witnessed mixed emotions from ambivalence and uncertainty to unimaginable fear as they crossed over into uncertainty and darkness Still there were others who seem to embrace the experience as a peaceful and blissful crossing over into the light of His presence as they finally get to behold His face Like many of you I have heard many talk about the rapture of the church and the Second Coming of Jesus as the premier event for all to behold his face But what about the many who cross over every day In this book you will understand that every day we have the opportunity to have Jesus appear to each of us No not as a character in the Bible but as a living Savior who has always been by our side You will find Him in the face of a child in the touch of friend or in the song of a cool breeze He is everywhere you find true love joy and peace Yes that s where He will appear And the more you embrace these moments the more you will find yourself becoming like Him for it is then you will see Him as He is

**Following the Lamb** Keith T. Marriner II, 2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn t we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost

**The Cross** Bob Sorge , 2021-02-12 Kneel again in blood and water and revisit the hill where the two of you first met Understand the great paradox of the cross He suffered so we never have to and He suffered to show us how His cross will make sense of your sufferings Your faith will be strengthened as you believe God for your own resurrection This is the most profound writing on the cross I have ever read The magnitude of this book is almost beyond my ability to describe it s a treasure of truth Don Wilkerson Co Founder Teen Challenge

**Searching for Enough** Tyler Staton, 2021-03-02 Searching for Enough will help you see doubt not as an emotion to fear but as an invitation to discover the truth that God s presence is enough to hold us in space between faith and disillusionment Do you ever find yourself thinking I m not enough and I m never going to be And I know I m not supposed to say this but God s not enough for me either Whether or not we attend church deep down we wonder if the biblical story of faith is really enough for the complexity of the world in which we

live We fill our lives with other things hoping that maybe the next experience or accomplishment will complete us Yet with every goal we reach we still feel discouraged and anxious In *Searching for Enough* Pastor Tyler Staton draws on ancient and modern insights to introduce us as if for the first time to Jesus disciple Thomas history's most notorious skeptic Like Thomas we are caught between two unsatisfying stories We want to believe in God but can't reconcile his presence with our circumstances and internal struggles But what if there's a better story than shame What if there's redemption so complete that there's nothing left to hide What if there is a God who can heal your resentments fears and loneliness in such a profound way that you feel whole From a place of spiritual companionship and deep authenticity Tyler shows us that it is not an empty tomb that will change our lives but the presence of the living God Whether you are a distant skeptic an involved doubter or a busy but bored Christian *Searching for Enough* invites you to find enough in a God who offers the only promises that never disappoint
