How To Claim The Promise:

How to Claim the Promise Randy Mayeux, Lynn Waller, 1985 Claiming a Promised Inheritance Alexandra Braun, 2022 This book examines those cases where a person is promised a future inheritance and having acted on it later discovers that the promise is unfulfilled It structures its analysis and argument around the stories of disappointed promisees and their unfulfilled expectations of a future inheritance and how they might seek redress It maps and compares the various and often very diverse range of legal responses that a promisee can avail herself of across different legal areas of the law ranging from contract law to property law employment law unjust and unjustified enrichment law and succession law and in both common and civil law traditions It asks how these responses protect the interests of promisees and whether they are sensitive to the context in which such promises are expressed In doing so the focus rests on the level of protection the various forms of redress grant their scope and the challenges promisees face when bringing a claim but also on the values and interests that are at stake when granting relief This book argues that due to the social and legal context within which promises of a future inheritance are normally made promisees are usually in a vulnerable position that can easily be exploited It further argues that the law is usually more acutely attuned to the risks that the promisor incurs and that greater attention should be paid to the challenges promisees face This book thus complements the traditional viewpoint by bringing into focus the too often ignored perspective of promisees

Pathways to the King Rob Reimer, 2024-03-11 The church in America desperately needs revival The percentage of people who attend church in America today is lower than ever before But how do we experience revival How do we usher in God's Kingdom on Earth and see the next great spiritual awakening It starts with you God wants you to draw near to Jesus and to be a carrier of His Kingdom He wants you to experience the reality and fullness of His Kingdom and He wants you to expand the Kingdom to others just like Jesus did Pathways to the King provides you with 8 Kingdom pathways that you'll need to incorporate and internalize in order to experience and expand God's Kingdom on Earth These pathways are discussed in great detail are securely rooted in biblical truths and are illustrated by poignant examples from Scripture from the lives of believers and from great Christians throughout history When you begin to walk down these pathways you will develop intimacy authority and power in Christ and become a Kingdom minded person living out the compelling life of the Spirit

The Apriori Foundations of the Civil Law

Adolf Reinach, John Crosby, 2013-05-02 The phenomenologists were concerned to show that essential structures of being knowable by rational insight are found far more abundantly than is commonly thought In his great monograph Reinach shows that in the civil law where one usually thinks that there are only legal structures of human devising there are in fact many essential structures such as the structure of promising or of owning These pre positive structures which are something different from the moral norms relevant to the positive law provide the civil law with a foundation that can be known by philosophical insight Though the enactments of the civil law are changeable these essential foundations are not changeable Of particular significance and originality is Reinach s concept of a social act that is of an act that addresses another and has to be heard by the other in order to be complete Reinach shows that the essence of legally relevant acts such as promising comes to evidence when they are understood as social acts The concept of a social act in fact has significance far beyond the part of legal philosophy in which Reinach first discovers it
