Moore,2019-03-14 Sunset Fire Rainbow Drawing on such common occurrences of light Navajo artists have crafted an uncommon array of design in colored glass beads Beadwork is an art form introduced to the Navajos through other Indian and Euro American contacts but it is one that they have truly made their own More than simple crafts Navajo beaded designs are architectures of light Ellen Moore has written the first history of Navajo beadwork belts and hatbands baskets and necklaces in a book that examines both the influence of Navajo beliefs in

the creation of this art and the primacy of light and color in Navajo culture Navajo Beadwork Architectures of Light traces the evolution of the art as explained by traders Navajo consultants and Navajo beadworkers themselves It also shares the visions words and art of 23 individual artists to reveal the influences on their creativity and show how they go about creating their designs As Moore reveals Navajo beadwork is based on an aggregate of beliefs categories and symbols that are individually interpreted and transposed into beaded designs Most designs are generated from close observation of light in the natural world then structured according to either Navajo tradition or the newer spirituality of the Native American Church For many beadworkers creating designs taps deeply embedded beliefs so that beaded objects reflect their thoughts and prayers their aesthetic sensibilities and their sense of being Navajo but above all their attention to light and its properties No other book offers such an intimate view of this creative process and its striking color plates attest to the wondrous results Navajo Beadwork Architectures of Light is a valuable record of ethnographic research and a rich source of artistic insight for lovers of beadwork and Native American art

Choctaws at the Crossroads Sandra Faiman-Silva,2000-06-01 Choctaws at the Crossroads examines the political economy of the Choctaws at the end of the twentieth century Forcibly relocated in the 1830s from the lower Mississippi Valley to the southeastern corner of Indian Territory the Choctaws today are a dynamic and complex rural ethnic community in Oklahoma Many work as nonunionized laborers for large corporations yet they seek to maintain some aspects of their traditional way of life Combining fieldwork and archival research Sandra Faiman Silva uncovers the processes by which the local economic and social practices of the Choctaws have become intertwined with and in some respects dependent on corporate and global economic forces Low wages and often temporary work force the Choctaws to supplement their income through tribal economic assistance and through traditional practices of horticulture fishing craft production canning and residence sharing Faiman Silva finds a troubling paradox in this strategy Such traditional economic activities are central to Choctaw identity and way of life and are outside the non Indian controlled capitalist system at the same time these practices help sustain the power and profits of corporations This sensitive and theoretically informed study makes an important contribution to understanding the historic economic and social conditions of contemporary Native Americas

The American Journal of Nursing ,1923 **Nexus Analysis** Suzie Wong Scollon,2004-07-31 Nexus Analysis presents an exciting theory by two of the leading names in discourse analysis and provides a practical guide to its application The authors argue that discourse analysis can itself be a form of social action If the discourse analyst is part of the nexus of practice under study then the analysis can itself transform that nexus of practice Focussing on their own involvement with and analysis of pioneering communication technologies in Alaska they identify moments of social importance in order to examine the links between social practice culture and technology Media are identified not only as means of expressing change but also as catalysts for change itself with the power

to transform the socio cultural landscape In this intellectually exciting yet accessible book Ron Scollon and Suzie Wong Scollon present a working example of their theory in action and provide a personal snapshot of a key moment in the history of communication technology as the Internet transformed Alaskan life *Museum Objects* Sandra H. Dudley,2012 *Museum Objects* provides a set of readings that together create a distinctive emphasis and perspective on the objects which lie at the heart of interpretive practice in museums material culture studies and everyday life This reader brings together classic and up to date texts on the nature and definition of the object itself the senses and embodied experience of objects No other volume brings together such perspectives in this way and no other volume includes such a focus on the museum context *Museum Objects* incorporates both theorised and more practical readings from a range of international academic and contextual perspectives The overall result is a definitive set of readings that offers a comprehensive understanding of objects and their place within the museum context
