Kuby,2017-08-04 As all of us earthly creations are both wired to seek pleasure and to avoid pain to help us survive but humans are able to transcend both pleasure and pain in order to achieve their higher purpose Pleasure draws us to our happiness goals but the virtues of heroism give us the discipline and sacrifice required for the challenges in the happiness pursuit We run the good race because of the big picture meaning which each challenge holds for the whole life journey allowing us to prioritize and focus on our highest good Our lifespan stages lead us to the joyful sacrifices of marriage and parenting into future generations as a form of this worldly transcendence of death Many singles duplicate the role of parenting in their work as teachers mentors or spiritual leaders while some singles find their call to serve through religious communities This book celebrates all calls to joyful service that expand the loving bonds of family to embrace all mankind

Revelation: the World Conquest of the Kingdom of God John J. Melescue,2013-06-13 The Interpretation of REVELATION by the Sanhedrin Romans and Disciples of Jesus Christ Inspired by the Devil the Sanhedrin and Romans had slain the Lord Jesus and now they were brutally murdering His disciples to rid the earth of His kingdom Jesus had instructed His saints Dearly beloved avenge not yourselves but rather give place unto wrath for it is written Vengeance is mine I will repay saith the Lord Rom 12 19 Finally the time for His vengeance had come the avenging of the blood of His saints was at hand He sent His hidden message in Revelation to His disciples to get out of His way Then Almighty God filled the vials of wrath until they overflowed with His fury The angels in heaven gave a harkening blast on the trumpets of war shaking the very foundations of heaven and earth And the armies of the Lord prepared for battle for the great day of God's wrath had come and no one would be able to stand against it This book will teach you the interpretation of Revelation for the three target audiences along with all the metaphors Jesus strategically selected for His greatest parable of all The Four Horsemen of the Apocalypse The Beast of the Land The Beast of the Sea with Seven Heads and Ten Horns The Land Sea and Trees The Mark of the Beast and the Number of His Name 666 The Two Super Witnesses The Plague of Locusts The Seven Seals Seven Trumpets and Seven Vials of Wrath The Three Heavens The New Heaven and New Earth and New Jerusalem And much more *Resilient* Ron Luce,2014-09-02 If your foundation is faulty how will you stand We live in a feel good culture Somehow in a world where

emotions were meant to enhance our lives we've allowed them to dominate. What's more we're told that if we don't follow our feelings we're not being authentic. It is no wonder that this attitude follows us into our churches. As a result when problems arise or good things don't happen as we expect we question our faith wondering why God doesn't care. Resilient explores the watered-down feel-good ways the Christian faith is often presented that result in a shaky foundation. Sharing the real-life struggle he experienced when his oldest daughter Hannah almost died during a plane crash that claimed the lives of four of her friends, Ron Luce shows you how to train yourself for endurance rather than just strength. Build your confidence in God when you don't understand. Develop a resilient faith that will get you through the good and the bad. The Noble Death

David Seeley, 1990-01-01 For Paul, Jesus' death is vicarious. But in what way precisely? The author critically reviews the various possibilities offering evidence that in Paul's thought Jesus is understood as fulfilling a martyr's role rather than as a cultic sacrifice or as patterned after biblical models such as the Suffering Servant or the Isaac figure. The essential aspects of the concept of the Noble Death found in the martyr stories of 2 and 4 Maccabees and in Graeco-Roman literature are clearly discernible also in Paul's interpretation of the death of Jesus. Paul was very much a man of his time and the concept was a natural one for him to use in relation to Jesus' death. **Expositor and Current Anecdotes**, 1906 Revelation to John's

Apocalypse Unveiled and Revealed Jim Taylor, 2017-02-07 There are many people even Christians who will not read John's revelation letter for two reasons. First they don't believe that it can be understood. Second they are terrified of even thinking about reading of the deadly judgments of God that John's revelation letter portrays—that is the appalling plagues, famines, wars, and natural disasters that John's letter discloses as having been pronounced against this present evil world, and they don't want to be any part of that, nor do they even want to be reminded of those dreadful things that they think are going to happen. Such is so sad, so very sad. One of the purposes of this book is to alleviate that fear completely and to replace it by making the reading of John's revelation letter a time of comfort and encouragement. That shall all be accomplished by illustrating how the deadly forces of destruction that John described in his revelation letter are not decreed against the Christians—they will never fall upon God's church—but rather they are in fact the very powers of God that protect his church, shelter his children, and defend the Christian faith. All of that can be established by comparing the spiritual war that John witnessed in heaven with the carnal war that was fought between the Roman Empire and the church. That comparison is not difficult to establish because both of those wars were actually the one and the same war. Once that correlation has been confirmed, Revelation becomes a letter of comfort and security and a letter that replaces fear with hope. Another reason that even Christians will not read John's revelation letter is because they do not think that it can be understood because it is so complicated, but God does not put books in his Bible that cannot be understood. John's revelation letter can be understood, and that is the other purpose of this book to make it understandable. **INSTITUTE OF BIBLICAL STUDIES SPIRITUAL ASSETS** Dr. Terry L.
