Alice Lorraine Richard Doddridge Blackmore, 1883 [It's My Business Why I Am Still Single](#) Mia Montgomery, 2008-06-12. If you're still single and you have looked for love in many faces or have wondered what you have done wrong and find it difficult to maintain hope while your situation is shrieking with despair, then author Mia Montgomery has the perfect book for you. *It's My Business Why I Am Still Single* discusses various reasons why many women remain single and unfulfilled. Through this insightful book, she shares her own experiences with the hope that other women will learn from them. Follow her journey from living loneliness to loving singleness as she laces it with poetry reflecting her candid, honest emotions.

What Readers Think About This Book:

I was so compelled by your honesty and realness. The poetry was beautiful. Wow, what a gift. I also think that the questions were a very wise choice. Thank you for being brave enough to share your life through this book. Know that you have impacted me in a great way. You have confirmed and reiterated my position about relationships. This book was right on time. I will be re-reading it. I now understand the importance of knowing, loving, and understanding me. D. Johnson, Florida.

This book wasn't about feeling pity over singleness. It is a book that makes a woman look inside and assess who she really is. M. Edwards, Florida.

I am a married woman and still this book made me re-look the way that I sometimes treat my husband and the things that I have expected from him. The poetry alone brings insight and triumph to your spirit. J. Murrell, Florida.

Though I have read many books, I really enjoyed reading this book by Mia Montgomery. I felt that the author really paid attention to some of the main reasons and the points as to why many women who are single. She dealt with issues that need to be corrected and addressed, reversing what mama told you and how to function within a relationship without losing yourself. The author used evidence of her life and the lives of her friends in order to make her points clear. Her evidence was convincing because I felt as if I were walking in her shoes, but mostly I felt as if the pages were answering questions to topics I wanted answers to but didn't know how or who to ask. There are many books in bookstores that talk about being single, but I've yet to read a book where the author totally puts themselves, their experiences, and their reputation on the pages in hopes that you will learn from their mistakes and not repeat them. The information is unique and it offers fresh insight to single women that will help to empower us and build us up. I think the author was very successful in carrying out the purpose of the book. This is a book that will uplift and build women during
