**Knowing God's Will** Gary Alan Burch, 2016-12 The Christians I come in contact with almost unanimously want to know God's will for their lives They often struggle sometimes heart wrenchingly to grab on to what God wants them to do The questions of how to know God's will continually come up in Bible studies in Sunday school in pastor's messages to the congregation and in various other ways People seem to be continually searching for God's will but not really finding it So the question begs to be asked why is it so hard to know God's will Why is there such a struggle In actuality God has made it easier for us than you probably realize God has given us such a golden opportunity to know him more personally than any other generation before Christ God does not want us to struggle to know Him and His will Find how to strengthen your relationship with God understand what He says His will is and find where God is leading [How to Get Along with God](#)

Richard G. Williamson, 2006-07 How to Get Along with God is a spiritually practical approach to nurturing a relationship with God by using biblical examples related to modern issues The book explores the sovereignty of God and how the power of the Holy Spirit influences our decisions when we have a right relationship with Jesus It compares biblical accounts of challenging issues with those of contemporary living The book demonstrates that we still serve the same God that commanded our biblical progenitors The book provides the reader an opportunity to see how God responded to Old and New Testament characters and that His words are immutable and unchanging The same biblical truths that existed for many thousands of years still exist today The inescapable conclusion is that we are admonished to follow God's Word today with the same zeal as our Bible examples It is the only true way in which we may get along with God [Knowing Me, Knowing God](#)

Richard Brash, 2021-02-18 Discover a fresh theological perspective on Scripture with Richard Brash's insights Explore God's relationship with humanity and deepen your understanding of divine wisdom In the Bible God gives us knowledge of himself and of ourselves so that through these two intertwined strands we may receive what Calvin called true and sound wisdom In pursuit of this wisdom many Christians have learned to interpret Scripture chronologically following the Bible's developing story from creation through fall to redemption and ultimately to restoration But what of a complementary theological approach to Scripture one which focuses on the Bible's main characters God and human beings and the nature of their relationship Richard Brash presents such an approach introducing six theological keys to Scripture which help us better to know God and ourselves in the three fundamental areas of being knowing and acting At each stage he develops the theme of the gracious condescension of the infinite incomprehensible and holy God in his relation to finite human beings creating us as his image establishing a proportion between his own knowledge and ours and overcoming sin to take a people for himself through the love gifts of his Son and his Spirit If you are looking for an enlarged vision of God and a renewed understanding of your own vocation before the Lord take up this book and be refreshed in your love for God in heart soul and mind
