*Jerusalem Fire* R. M. Meluch, 2016-12-06 Does Jerusalem Stand It was the question all human star travelers asked one another The ancient city of Jerusalem holy to three human religions had become the touchstone for anyone not yet absorbed into the Na id Empire under its twin banner of Galactic Dominion Human Supremacy Iry A planet out of myth whose very existence could bring down an empire Alihahd The captain was a notorious rebel runner To most of the known galaxy hewas a legend without a face to the rest a face without a name He was called Alihahd He left It was the word Na id enforcers heard when they demanded to know where the rebel had gone always one step ahead as if he knew his enemy very well Hero villain coward Three times a legend on both sides of the same war **West Jerusalem Noir (Akashic Noir)** Maayan

*Christ, Shepherd of the Nations* Jon Morales, 2017-12-28 Does John's Apocalypse envision destruction or salvation for the nations of the world Scholarly views on this issue range from extreme total destruction to extreme universal salvation Jon Morales maintains that the question must be reframed to highlight not only the destiny of the nations but also their dilemma within the drama of world history Using narrative methodology Morales asks four key questions concerning the nations What is John's story of the nations How does he tell this story What is John's message to the nations And what is his message to the church concerning the nations Literary characters cannot be understood in the abstract but must be rather discovered sequentially in the development of an entire narrative The nations in Revelation are no exception Understanding that previous studies have neglected to situate the nations within Revelation's larger plot or in interaction with other narrative characters Morales concludes that John's purpose is to show that the nations belong to God John achieves his purpose in part by deploying a novel metaphor virtually unexplored until now Christ shepherd of the nations
