A gentle pioneer Amy Ella Blanchard, 2024-12-24 It was a grave little company which sat around the big fireplace of the Kennedy farm house one night in March Outside the wind howled and blustered and even though a huge log fire shot its flames in fine fashion up the wide chimney there was necessity for sand bags at the door and for heavy homespun curtains at the windows to keep out the insistent draughts which would make their way through every chink and cranny The younger children cuddled close together on the hearth their mother from time to time looking up from her work to watch them thoughtfully their father silent and moody gazed into the snapping fire while Agnes herself old enough to understand better than her brothers and sisters the cause of the unusual seriousness paused more than once in her task of knitting to steal a glance at her parents [Books in Print](#), 1991 **The Revolver** Parker Felterman, 2013-03-07 Jack Jayson is a private investigator in New Orleans in 1984 The city is rife with greed corruption and murder and not even the police seem qualified to put a stop to the gangsters running the show Jayson is happy to stay out of it until a mysterious woman shows up at his office and he finds himself unable to deny her request Melissa Giannis husband was found dead and everything points to a powerful underworld figure The police turned her away so she looks to Jayson for justice She hires him to hunt down the villain who put her husband in the grave Jayson has no idea however that his life is about to go haywire The deeper he gets into the investigation the more he realizes he has no one to turn to and no one to trust To Jayson even the police commissioner is suspect After a break in the case Jayson realizes the murder of Melissa's husband is related to the death of

Out of the West Rufus Rockwell Wilson,2023-07-10 The epic of American expansion has had many chroniclers Romance is wedded to heroism and rich achievement crowned high endeavor In this present volume is woven the golden thread of that romantic and heroic era Here on these pages live again the mighty men of those epoch making days when the forces of manhood were matched against the forces of nature valor against villainy and life itself was ventured on a single hazard of fortune Nurtured many of them in the calm and quiet of the more settled East they dreamed as youths of those plains and mountains out where the West begins They matched their wits against the crafty red man and their strength against the perils and privations of a trackless wilderness With the might to conquer they triumphed over heat and cold over foe and famine over storm and starvation and made Death Valley a highway to the shores of the Pacific where the West ends The record which these pages unfold could be written only by a man who knows the West and who though himself an Easterner feels akin with the spirit of the pioneer Countless pages have been scanned for an accurate record of those men and times and for verification of the stirring incidents recited here Numerous interviews and prolonged research have enabled the author to present a stirring vivid picture of glamorous years and of valorous men who undeterred by danger and unafraid of death wrought mighty deeds and opened vast areas to commerce and civilization **Report** Commonwealth Shipping Committee,1910 The Homiletic Review ,1896 **Metropolitan Pulpit and Homiletic Monthly** ,1896
