CHRISTIAN THEOLOGY Edward D. Andrews, 2016-07-16

The Gospel According to ANE Covenant Understanding Dave Schoch, 2014-01-15 Most Christians in the Church today in the West do not know about Ancient Near Eastern ANE covenants nor do they understand that the covenants God has made with mankind are based in form on ANE covenants and their governing principles In fact the Old and New Covenants are

ANE covenants Scholars and theologians know that the greater understanding we have of the historical and cultural roots of Christianity we can come to a more accurate interpretation of the New Testament Scriptures This is particularly true since Biblical archaeology has unearthed information regarding ANE covenants which the Fathers of the Reformation did not have access to when formulating their doctrinal beliefs and creeds Because the New Testament is an ANE covenant the governing principles of ANE covenants affects how we must interpret the Scriptures emanating from that covenant The information brought forth in this volume demands dissemination throughout the grassroots levels of the Church and Christian academia

Cornelius Van Til's Doctrine of God and Its Relevance for Contemporary Hermeneutics Jason B. Hunt, 2019-09-27 Cornelius Van Til s Doctrine of God and Its Relevance for Contemporary Hermeneutics seeks to answer the question What does Van Til have to do with hermeneutics It is argued that some of the most relevant concerns in the field of contemporary hermeneutics are similar to those addressed by Van Til in the area of apologetics Van Til s approach involved a self conscious consistency between method and theology proper in order to reason according to the Christian worldview found in Scripture Just as one s apologetic method should be consistent with the theology revealed in the Bible so also should one s hermeneutic This work not only argues that Van Til has an important place in the hermeneutical discussion but also demonstrates his place in terms of the main contours in his doctrine of God In doing so certain influences on evangelical hermeneutics are considered according to consistency with theology proper Lastly a Van Tillian hermeneutic is applied to the often debated issue concerning the New Testament use of the Old Testament

Antiochene Theoria in the Writings of Theodore of Mopsuestia and Theodoret of Cyrus Richard J.

Perhai,2015-03-01 Biblical scholars have often contrasted the exegesis of the early church fathers from the eastern region and school of Syrian Antioch against that of the school of Alexandria The Antiochenes have often been described as strictly historical literal exegetes in contrast to the allegorical exegesis of the Alexandrians Patristic scholars now challenge those stereotypes some even arguing that few differences existed between the two groups This work agrees that both schools were concerned with a literal and spiritual reading But it also tries to show through analysis of Theodore and Theodoret s exegesis and use of the term *theoria* that how they integrated the literal theological readings often remained quite distinct from the Alexandrians For the Antiochenes the term *theoria* did not mean allegory but instead stood for a range of perceptions prophetic christological and contemporary It is in these insights that we find the deep wisdom to help modern readers interpret Scripture theologically

The Mature Church Emmanuel D. Mbennah,2013-08-09 In this book Emmanuel Mbennah argues that Christian spiritual maturity is the bridge between the new identity of the Christian articulated in Ephesians 1 3 and the moral code of the Christian life commensurate with the new identity presented in Ephesians 4 17 6 20 From an interpretation of Ephesians 4 13 Mbennah brings to the fore what Christian spiritual maturity is and why it is imperative He argues that Ephesians 4 1 16 is about spiritual maturity and not about Christian unity except unity as a by product of maturity A case study in which the meaning of spiritual maturity is used as a critical standard to evaluate the spiritual maturity of a church in a particular context further clarifies the meaning of spiritual maturity and demonstrates what a sad state of immaturity a church could be in Mbennah calls for the Church s return to the pursuit of maturity and a return to the subject in New Testament scholarship
