Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1920 **Literary Digest** ,1920 Ibsen: A Portrait of the Artist Hans Heiberg,2019-08-15 The least pretentious and in its impact the most popular of Henrik Ibsen biographies according to the National Library of Norway Hans Heiberg writes in the preface I have always wanted to read a biography of Henrik Ibsen as a human being a portrait of the man before he became a mask and Let it be said emphatically that this book is not intended for academics It is meant for the enjoyment of people who are interested in Ibsen himself Measured in circulation it seems that Heiberg achieved his goal the book was published in three editions in Norwegian and was translated into Swedish Danish English Russian and French into more languages than any other Ibsen biography Brief and thoroughly readable this biography is frankly offered for the enjoyment of people who are interested in Ibsen himself Nonetheless all the

basic areas are covered Rolf Fjelde The New York Times In spite of the biography's economy all the essentials are there Ibsen's quirks of temperament the violent contrasts in his nature the combination of troll and moralist of ancient prophet and shrewd businessman do not surprise Mr Heiberg perhaps because he is himself Norwegian Eva Le Gallienne Saturday Review Heiberg's portrait of Ibsen is crystal clear the style simple while every sentence is meaningful Heiberg is an outstanding storyteller in the descriptions of Ibsen's family and environment his childhood and youth in adversity development and achievement Farmand Hans Heiberg's portrait has a fresh and personal angle it is wisely crafted in the details honest and straightforward the individual Ibsen stands at its core with his personal fallibilities and ridiculous characteristics and precisely therefore also in all his greatness Drammens Tidende and Buskerud's Magazine In Ibsen A Portrait of the Artist Heiberg has intended to draw a portrait of the man behind the artwork What was he like And how did he become the way he was One can call Ibsen A Portrait of the Artist a novel a relation of Andr Maurois well known biographies of famous men and women but Heiberg never invents things which may or may not have happened He sticks to what he knows or what he is fully justified in believing Arbeiderbladet

The Notorious Life of Ned Buntline Julia Bricklin, 2020-06-01 Edward Zane Carroll Judson aka Ned Buntline 1821 1886 was responsible for creating a highly romantic and often misleading image of the American West albeit one that the masses found irresistible in the mid to late nineteenth century Some scholars estimate that he wrote at least four hundred dime novels over his lifetime and perhaps as many as six hundred While he is best known for discovering William Frederick Cody Buffalo Bill and making

the irrepressible scout a star Judson by that time had already lived five lifetimes himself he had fought Seminole Indians in Florida started and bankrupted three newspapers published dozens of successful novels agitated for the Know Nothing party and fought in the Union Army during the Civil War Along the way the fiery redheaded gray eyed writer lectured extensively about temperance between drinking bouts He married eight women seduced at least one other and cavorted with prostitutes one of whom beat him physically and legally It wasn't until 1869 that en route home from a temperance speaking tour in California he met Cody in Nebraska while trying to make contact with another Western star Wild Bill Hickok Judson's time with his last three wives overlapped his time with Cody Their subsequent fight over Judson's Civil War pension provides not only a unique glimpse into the mind of a narcissistic genius but also a panoramic view of America's past forcibly displayed by white Protestant manhood The Notorious Life of Ned Buntline captures the likeness of a man whose life was a landscape littered with contradictions a man whose readers often forgave his Jekyll and Hyde behavior because of his inventive portrayal of a country trying to subdue the last of its natural landscapes and make sense of its teeming cities It will be at last an open eyed look at the man who sparked an American legend but whose own scandalous life somehow escaped history's limelight *Digest; Review of Reviews Incorporating Literary Digest*, 1920 **The History of Freemasonry** Albert Gallatin Mackey, 2012-03-07 Written by an expert on the craft this classic traces Freemasonry's origins from biblical times to its practice among America's founding fathers It also explores philosophical symbolic and ritual traditions **Selected Characteristics of Occupations Defined in the Dictionary of Occupational Titles**, 1981 Supplement to 3d ed called Selected characteristics of occupations physical demands working conditions training time issued by Bureau of Employment Security
