1 and 2 Thessalonians Verse by Verse Grant R. Osborne, 2018-06-13 When we overlook Paul's letters to the Thessalonians we miss out Paul's letters to the church in Thessalonica are often considered two of the less important of his letters but they were written to a very important city with very important issues In addition to addressing the issue of Christ's return and the problem of people who refused to work these letters model a truly loving relationship between a pastor and a congregation In *1 2 Thessalonians Verse by Verse* respected New Testament scholar Grant R Osborne shows us that in a world that centered on the divinity of the emperor and the demands to participate in the worship of the gods the Thessalonians desperately needed to be given resources that would help them withstand the pressure to conform These letters provide us with a thrilling example of affection among believers in extremely hard times and help us see how that affection can make severe trials bearable The Osborne New Testament Commentaries by respected professor and author Grant R Osborne are for people seeking a straightforward explanation of the text in its context avoiding either oversimplification or technical complexity Osborne brings out the riches of the New Testament making each book accessible for pastors and all who consider themselves students of Scripture Middle Egyptian Gertie Englund, 1988 *Threshold* Craig Temple, 2017-07-17 After King Edward Moranvale of the land of Pixima made a deal with the Underworld Council the Demon Wars struck the land He promised the souls of the lion race in exchange for more power The entire race was wiped out except for one Tobias Threshold Out of rage for the loss of his family he tried to kill the king only to be thrown in the dungeon After his assisted escape he was chased through the jungles of Pixima He fell on a rift that lead to Washington DC Lost and alone he unwillingly led the demons to this new world Now will Threshold and a few others be able to save both Pixima and America from being taken over This is bad meets evil Who will win **Threshold** Curt Collier, 2014-07 Short stories by the author of the cult favorite *Border Town Blood* Six variations on the theme of thresholds gateways mirrors and alternate universes The stories run the gamut through science fiction contemporary fantasy and horror Are you ready to cross over **Threshold: Aperture to the Light of the World**, *Threshold* Marjorie Benton Cooke, Maurice B.
