INSPIRATION

By Alden Thompson

- Did every fact and idea in the Bible come straight from God?
- What about apparent inconsistencies in the Bible?
- If we read the Bible too closely, could we find something that will destroy our faith?
- How much freedom do we have to interpret the Bible?

Inspiration Hard Questions Honest Answers:

Inspiration Alden L. Thompson, 2016-12-16 Is the Bible historically accurate Are there any contradictions in the Bible If we look too closely at the Bible might we find things that will destroy our faith Should I be afraid that some new archeological discovery will prove the Bible wrong How much freedom do I have to interpret the Bible Combining history Scripture and an understanding of human nature Dr Thompson takes on the difficult questions regarding the Bible and inspiration He goes beyond the question of whether you can trust the Bible to ask whether you can trust yourself as you study This unique study of inspiration uses internal evidence from the Bible text its history collection and transmission to look at the way in which God works through prophets and Bible writers As an experiential lens he uses the experience of the Seventh day Adventist community of which he is a part and its reception and use of Ellen White as God's messenger This provides an example of someone who produced an incredible volume of written material in her lifetime yet maintained a great humility and understood her own spiritual experience as one of growth However *Inspiration Hard Questions Honest Answers* is not just for Seventh day Adventists The lessons drawn from the experience of one community have wide applicability as we look at a range of views on biblical interpretation experience tradition and contemporary claims of a prophetic word All communities of faith would do well to ask the hard questions addressed in this book and to learn from the history and experience of others Ultimately the author is addressing a question that comes to all of us What is God's will and how can I know it Can I be certain To find the answers we need Dr Thompson reminds us We cannot just know Scripture we have to know God In this Second Revised Edition you will find a new bridge chapter designed to invite readers outside of the Adventist tradition to join in the conversation as well as a number of minor updates and a set of beautiful photographs and drawings inspired by scripture prepared for this edition by Wanda Thompson It is not enough to determine how the inspiration of scripture works as a theological tenet or a doctrinal point Ultimately for God's Word in scripture to accomplish its mission we must each be inspired by it as well

A Holy Mystery Chris Eyre,2019-03-27 A pastor says If you think you understand the trinity you ve probably fallen into heresy An expert in biblical studies says The trinity is one of the best ways ever invented to say We don t have a clue Many people say the trinity is not found in the Bible so what is it doing as a doctrine This lively and challenging book asks you to think about the trinity what it means how it came to be and what value it might have in Christian conversation today If you don t want to have your thinking challenged or you d rather just go on saying I believe in the trinity without knowing what you re saying then definitely stay away from this book To the rest of you Enjoy

The Only Thing That Matters Is Heaven Terrell Carter,2020-07-03 Is heaven a place somewhere we go Is it a future goal

attainable only after this life ends Pastor and educator Dr Terrell Carter looks at this issue with a pastor's heart and a scholar's precision looking at what the Bible teaches us and how this might relate to how we live act and worship today In the process he introduces readers to such theological terms as Kingdom of Heaven and Kingdom of God Why a kingdom Read this book to find out In each chapter of this book you'll learn something new about how the Bible speaks about heaven and the afterlife You'll read the parables of Jesus on this topic with a new vision You'll find things in the book of Revelation that you might have been missing And you'll find all this in an easy to read style This book is a good quick read for those who are in hurry for an introduction and it provides a sound basis for a short study on heaven the afterlife and life on earth in the meantime for a small study group

Breaking Through the Wall Keith Clouten, 2017-12 Keith Clouten has comprehensively researched the extent to which the Lord was involved in providing the inspired writings as we have them today It is made clear that though He oversaw the whole process He didn't puppeteer it Moses John and all the Bible writers in between were God's penmen not pen The principles of revelation and inspiration that shaped the biblical Canon carry over to the prophetic status and ministry of Ellen White Clouten takes a balanced approach in emphasizing that her faulty humanity didn't differ from that of David Jonah and others or affect the legitimacy of her messages or fulfillment of the prediction in Joel 2:28 Readers of this valuable book will be stirred with a fresh appreciation for God and His immeasurable desire to teach His wayward children how He plans to redeem them

Out of the Office Robert D Cornwall, 2017-04-13 Theology is often seen as a discussion of dry doctrines suitable mostly for academic institutions but separated from the practice of faith In this third volume of the Academy of Parish Clergy's Conversations in Ministry series Dr Bob Cornwall church historian theologian and pastor shows the ways in which one's theology shapes one's ministry in the church and in the world Besides discussing the theological roots of ministry and mission this book is firmly placed in the 21st century looking at the virtual world as our parish as well as more traditional connections Practical Systematic Spiritual Down to earth If you are looking for a way to put more life focus and meaning into your ministry as a pastor or church leader this is the book for you

The Ellen G. White Encyclopedia Denis Fortin, Jerry Moon, 2014-04-08 Everything About Ellen G White in One Resource This masterwork brings together hundreds of articles that describe the people and events in the life of Ellen White as well as her stand on numerous topics Doctrine and Theology use of the Apocrypha the holy flesh movement the humanity of Christ justification king of the north latter rain legalism perfection Health and Lifestyle dress reform football hydrotherapy insurance use of humor milk and cheese politics and voting secret vice time management Life Events her conversion General Conference session of 1888 great controversy vision iceberg vision San Francisco earthquake Places Gorham Maine Graysville Tennessee Loma Linda Sanitarium Oakwood Industrial School Pitcairn People Elizabeth Harmon Bangs the twin sister that Ellen worked to bring into the faith Fannie Bolton the literary assistant who was fired a surprising number of times John Byington the militant abolitionist and first General Conference president Sylvester Graham the temperance advocate whose cracker lives on today

God the Creator Henry E. Neufeld,2020-06-17 What does it mean to believe that God is the creator Are you required to dismiss the findings of modern science and the theory of evolution While Christians share a belief in God the Father almighty creator of heaven and earth they do not all agree on just when and how God created Many are unaware of the many different views on origins that are held by Christians and on the theological implications of those beliefs This book discusses the basic Christian beliefs on the origins of the universe and of life but then moves forward to provide some pointers toward a more robust doctrine It is very difficult to be truly neutral and the author does not attempt to do so Rather he attempts to speak in such a way as to foster further discussion Key topics include biblical interpretation the relationship of written revelation and study of the created world the fall sin and redemption including the glorious purpose God has for all creation It is suitable as an introduction to the issues involved in this debate

Where Is Your Allegiance Paul A Himes,2017-08-28 Lay persons in the church might be forgiven for imagining that the book of Revelation cannot be understood There are many different interpretive schemes proposed and hundreds of variations within those schemes But the reader who is willing to spend the time will find real treasures in the study of this book and Paul Himes has provided an excellent guide to some of the most important passages as he looks at the messages to the seven churches and even more importantly at the One who is sending those messages based on the vision in the first chapter and the ways in which the churches are addressed Dr Himes provides key background information and then takes a serious look at the details of the text but he does so in a way that is clear and that points the reader to ways of approaching the text more seriously on his or her own For those who want to follow the trail further the footnotes are extensive Since as the author tells us on page 5 one cannot begin to grapple with the eschatology of Revelation until one has submitted to the Christology of Revelation this book provides an excellent point of entry for someone who wants to take a new and refreshing look at this important book Here one can study the Christ of revelation Christology the church He ordained ecclesiology and go from there to the purpose and destination He has for that church eschatology

To Love and Cherish Elgin Hushbeck, Jr.,Hannelore Hushbeck,2019-08-12 There are few topics where good advice is more needed than that of Christian marriage At the same time there are few topics about which the answers given are as scattered and unclear In this short but comprehensive volume Elgin Hushbeck Jr tackles one of the most disputed passages in the New Testament Ephesians 5 and its discussion on Marriage On the one hand this passage tends to scandalize some liberals and on the other gets interpreted in a very patriarchal way by some conservatives Hushbeck puts this passage into its literary and historical context to see what Paul was saying to his immediate audience and

how that message can apply to modern Christians His clear exposition of structural and rhetorical factors is especially helpful His analysis will open the eyes of many as to how this verse presents a challenge to both the conventions of Paul's time and of ours as it goes to the heart of Christian Marriage This book is suitable for individual reading but could also be valuable for a small group study or as the basis for a sermon series *Hermeneutics, Intertextuality and the Contemporary Meaning of Scripture* Ross Cole, Paul Petersen, 2013-12-31 Did Matthew twist the Scriptures Where did Satan come from My Reading Questions and issues like these are presented in this selection of papers and presentations from a Bible conference at Avondale College on the broad topic of intertextuality More than 100 scholars and administrators convened and shared their research as well as their personal perspectives on how to read and apply holy Scripture in the 21st century This anthology contains a representative sample of their studies and reflections *When People Speak for God* Henry E. Neufeld, 2007-06-15 When someone claims they have a message from God how do you decide whether to believe them This question has been with people of faith at least since Abraham heard someone God as it turned out telling him to leave home and go to a place he would be shown Other people have left their homes thinking God was guiding them and have ended up with nothing but trouble And what about books When someone claims a book is inspired by God how do you determine whether they are right or wrong Very often they will be telling you that your eternal destination depends on believing what they say and yet others will say that their book is right Is it possible to know Interpretations of those books can be equally difficult to judge People with special interpretations of scripture often claim just as much authority as those who claim to be prophets If you reject their interpretation you are rejecting God himself How do you make a wise decision Writer and Bible teacher Henry Neufeld wrestles with these questions in these pages You may not like some of the answers but you will be challenged as he calls us each to focus first on the conversation with God and then to each be responsible for learning God's will for our individual lives **To Be or Not To Be** David Moffett-Moore, 2017-11-27 Existentialism is a philosophical school of thought unique in being based on feeling and experience rather than on the traditional foundations of philosophy Many of its proponents have been atheists or can be considered opponents of religion With this history can there be such a thing as a Christian existentialism Dr David Moffett Moore believes there can be In this book he outlines the basics of existentialist thought and a path to a Christian existentialist viewpoint **Andrews University Seminary Studies** Andrews University. Seventh-Day Adventist Theological Seminary, 2007 One World Bruce G Epperly, 2019-02-05 Can you imagine reading the Lord's Prayer as a gateway to adventure Bruce Epperly who has introduced process theology to the masses through concise readable guides presents this well known prayer through a vision of a relational open spirited profoundly personal always creative and forward looking God who invites us to be companions in the holy adventure of healing the earth This is not your routine book on the Lord's Prayer Instead it is an invitation to to holy adventure through sharing in the prayer of Jesus Each short chapter includes a section titled Living the Prayer of Jesus In the back there are a series of questions for conversation

This book is short only 35 pages of text besides the questions and concise but it is also challenging It would make a good church wide or small group study and is suitable for individual reading **The A to Z of the Seventh-Day Adventists** Gary Land, 2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller s conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination s geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations
