Islamic Teachings An Overview:

Islamic Teachings Muḥammad Ḥusayn Ṭabāṭabā'ī, 1999 *An Introduction to Islam* Frederick Denny, 2015-09-21 An Introduction to Islam Fourth Edition provides students with a thorough unified and topical introduction to the global religious community of Islam In addition the author s extensive field work experience and scholarship combined with his engaging writing style and passion for the subject also sets his text apart An Introduction to Islam places Islam within a cultural political social and religious context and examines its connections with Judeo Christian morals Its integration of the doctrinal and devotional elements of Islam enables readers to see how Muslims think and live engendering understanding and breaking down stereotypes This text also reviews pre Islamic history so readers can see how Islam developed historically

Introduction to Islam Dr. Mahmoud Akef, 2003 More than one billion of the current world s population is Muslims and more than three fifths of the world s energy resources are located in Muslim lands Yet many people are left to wonder about the beliefs practices and teachings of the Islamic religion This Book is the first in a series that aims to answer these questions and many more about Islam and Islamic civilization Introduction to Islam addresses the main principles of Islam its origins and spread beyond the Arabian Peninsula the life of the Prophet Muhammad the Islamic view of the other divinely sent prophets and messengers the comprehensiveness of Islamic teachings Muslim relations with non Muslims and the universality of the Islamic message An Introduction to Islam David Waines, 2003-11-06 A revised and updated edition of Waines wide ranging account of the history and theology of Islam **Introduction to Islam** Tariq Ramadan, 2017 In this book Tariq Ramadan focuses upon the realities of Islam today Avoiding ideology and idealism Ramadan brings to life an essence of the true meaning of Islam and its implications today In simple direct language An Introduction to Islam introduces readers to Islam and to its principles rituals diversity and evolution Global Islam: A Very Short Introduction Nile Green, 2020-12-01 This book presents the first comprehensive survey of the multiple versions of Islam propagated across geographical political and cultural boundaries during the era of modern globalization Showing how Islam was transformed through these globalizing transfers it traces the origins expansion and increasing diversification of Global Islam from individual activists to organizations and then states over the past 150 years Historian Nile Green surveys not only the familiar venues of Islam in the Middle East and the West but also Asia and Africa explaining the doctrines of a wide variety of political and non political versions of Islam across the spectrum from Salafism to Sufism This Very Short Introduction will help readers to recognize and compare the various organizations competing to claim the authenticity and authority of representing the one true Islam Introduction to Islam Zahid Aziz, 2015-04-16 There has been a great demand for a booklet to introduce younger people to the teachings of Islam in fairly simple language The Ahmadiyya Anjuman Isha at Islam Lahore has over the past decades produced a range of excellent works dealing with all aspects of Islam This literature has been widely appreciated and acclaimed as meeting the needs of the present times both for teaching Muslims and for

presenting Islam to the world generally It has been felt for sometime that the wonderful knowledge contained in these comprehensive works must be made more readily accessible to younger people by presenting it at an introductory level in simpler language This booklet has therefore been prepared to satisfy these requirements All the basic doctrines and practices of Islam have been covered supplemented by information about the Holy Quran Hadith and the moral teachings of Islam No prior knowledge is assumed The question answer format used it is hoped will make the booklet more interesting than would be the case with a descriptive approach There are abundant direct quotations from the Holy Quran throughout with full references In some places the teachings of Islam are elaborated in general words without direct quotations or specific references as this was not considered necessary in those cases in an introductory booklet of this kind For further reading on any point or fuller explanation the writings of Maulana Muhammad Ali should be consulted In any case as younger readers advance in their knowledge they would be expected to move on to these standard books
