## Island Queen Cincinnati Excursion Steamer:

**The Island Queen** John H. White, Robert J. White, 1998 John and Robert White tell the story of The Island Queen in evocative detail More than sixty photographs and illustrations bring back the placid days when the Island Queen paced up and down the river at her ease a symbol of summer pleasures still vivid in the memory of many Ohioans *Along the Ohio River* Robert Schrage, Donald Clare, 2006 An illustrated journey along the Ohio River offers photographic images of this dynamic and important American waterway including riverfront cities commerce industry natural and scenic wonders and more from Cincinnati Ohio to Louisville Kentucky Original **Billboard**, 1947-09-20 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends National Waterways, 1929 Gum-Dipped Joyce Dyer, 2003-07 Gum Dipped A Daughter Remembers Rubber Town tells the story of growing up in the rubber community of Firestone Park in Akron Ohio the former Rubber Capital of the World The book begins with the rededication of the bronze Harvey Firestone statue on August 3 2000 at the Centennial celebration for the Firestone Tire Rubber Company The statue perched high on a hill at the entrance to Firestone Park the residential community Harvey built for his workers in 1915 was sacred to the author Joyce Coyne Dyer and her father Tom Coyne during the fifties a time when the Coynes worshipped the company and thought themselves members of the Firestone family *Downstairs, Upstairs* John A. Flower, 2003 Money and privilege no longer describe college students who books in hand stroll across fair campuses Changes in American college life since the 1960s make the previous 300 years from the founding of Harvard in 1636 benign by comparison Today universities in gritty downtowns admit welfare mothers who struggle to escape grinding poverty Sometimes they have to take their babies to class with them Felons from prison enroll through special programs hoping for training that will enable them to surmount previous misdeeds Men and women in low paying jobs enroll part time They head families struggle with car and rent payments and are always tired But they attend college classes struggling to stay awake preparing themselves for better jobs John A Flower takes us on an extraordinary professional and personal odyssey in this new book As dean at Kent State University he was engulfed in the Vietnam War protests and witnessed the shattering events of May 4 1970 During 20 years as vice president then president of Cleveland State University he was the target of racial protests that took place on campus At the same time a lurid scandal involving the high profile basketball coach required Flower to dismiss him For more than 50 years he participated from the inside as profound changes across the nation caused ivory towers to crumble Flower writes eloquently and powerfully helping readers to understand how forces for change reshape colleges and universities He illustrates how external special interest groups influence campus affairs and analyzes their influence on curriculum affirmative action contract issuance land acquisition unionism and a multitude of other issues He uses his experience to present ways in which concerned citizens and

community leaders can address change in positive ways Downstairs Upstairs is a must read for all Americans who recognize the imperative for higher learning     **The Waterways Journal** ,1928     *Cincinnati Revealed* Kevin Grace,Tom White,2002-04-22 In nearly 200 rarely seen photographs and vintage postcards discover Cincinnati as you've never seen it before Since its inception in 1788 Cincinnati has evolved from a brawling pioneer town to a thriving Midwest metropolis experiencing rapid growth and unprecedented social and technological change Highlighted in this volume are the city's spectacular architectural achievements its centers of culture and learning its hubs of industry and transportation its legendary sports tradition its diverse neighborhoods and above all the spirit of its citizenry Through these striking images together with the insightful text authors Kevin Grace and Tom White take the reader on a unique visual tour of this historic river city It is a tour well worth taking     *Jazz on the River* William Howland Kenney,2005-04 Jazz on the River describes how musical entrepreneurs gave the music of New Orleans to mainstream America in the 1920s by quite literally sending their musicians upstream aboard riverboats that plied the Mississippi waterways every summer     **Shantyboat** Harlan Hubbard,1977-01-01 Shantyboat is the story of a leisurely journey down the Ohio and Mississippi rivers to New Orleans For most people such a journey is the stuff that dreams are made of but for Harlan and Anna Hubbard it became a cherished reality In their small river craft the Hubbards became one with the flowing river and its changing weathers This book mirrors a life that is simple and independent strenuous at times but joyous with leisure for painting and music for observation and contemplation     **International Marine Engineering** ,1915     **The Ohio Hopewell Episode** A. Martin Byers,2004 This religious symbolic social and ecological interpretation of one of the most fascinating archaeological records of the prehistoric world of Native Americans cannot help but stimulate discussion and debate Jacket     Arn's War Edward C. Arn,2006 Arn writes in a straightforward and engaging manner that avoids false sentimentality or romanticism Instead he gives readers keen insights into the daily life of soldiers locked in gruesome events far beyond their experience and describes how it feels to be under fire to suffer a wound to agonize over the deaths of friends to endure true suffering to sacrifice and to survive Edited and annotated by Jerome Mushkat this memoir is an account of a citizen soldier who survived his baptism by fire during World War II BOOK JACKET     Cincinnati ,1979     *Twisted Tour Guide: Pittsburgh* Marques Vickers,2022-05-16 Avoid The Tourist Herds What could be more uninspiring than seeing the identical attractions that everyone else has for decades This Twisted Tour Guide escorts you to the places locals don't want to talk about anymore the same places people once couldn't stop talking about Long after the screaming headlines and sensationalism has subsided these bizarre infamous and obscure historical sites remain hidden awaiting rediscovery Each visitation site in this guide is accompanied by a story Many of the narratives defy believability yet they are true The photography from each profile showcases the precise location where each event occurred The scenes can seem ordinary weird and or sometimes very revealing towards clarifying the background behind events If you're seeking an alternative to conventional tourism this Twisted Tourist Guide is ideal Each

**The WPA Guide to Ohio** Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress  
 Administration developed the Federal Writers Project to support writers and artists while making a national effort to  
 document the country s shared history and culture The American Guide series consists of individual guides to each of the  
 states Little known authors many of whom would later become celebrated literary figures were commissioned to write these  
 important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers  
 editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours

detailed descriptions of towns and rich cultural details exhibit each state s unique flavor For a reader interested in small town life in the early 20th century the WPA Guide to Ohio is an excellent resource A series of photographs by Ben Shahn for the Farm Security Administration is well complemented with 17 selective essays about the political industrial and cultural life in the Buckeye State The essay on the economy provides interesting information on the labor movement in Ohio     **The Coal Trade Journal** ,1912     Ohio Best Books on,1940     **Railroad History** ,1996     **MotorBoating** ,1941-06
