## Issues Of Eternity:

**The Eternity Driven Christian** Ebenezer Jimmy Ackah, 2021-02-16 We often hear the word eternity either in church on radio on television and sometimes by preachers and evangelists or some other Christians But how many Christians understand the concept of eternity and its implications to Christians and non Christians alike Even though many Christians know about eternity and its implications some Christians don't even care The truth is that whether you know about it or not or care about it or not will not change God's plan concerning eternity The Eternity Driven Christian is the solution to many challenging questions bothering many in the Church today The book discusses issues on eternity and provides practical examples based on some examples of Jesus Christ This book has come to open people's eyes to truths about the concept of eternity and to let believers know the certainty of eternity and its implications to both the believer and the nonbeliever This book on eternity will reset and refocus the mind of everyone that reads it and prepare them for eternity before it is too late It is a great benefit to every Christian Whether you are a church worker leader or pastor everyone is seeking the welfare of his or her soul after life ends on earth here May the Lord bless everyone to glean the most precious truth of God's word from this book

Basic Issues in Medieval Philosophy - Second Edition Richard N. Bosley, Martin M. Tweedale, 2006-05-09 In this important collection the editors argue that medieval philosophy is best studied as an interactive discussion between thinkers working on very much the same problems despite being often widely separated in time or place Each section opens with at least one selection from a classical philosopher and there are many points at which the readings chosen refer to other works that the reader will also find in this collection There is a considerable amount of material from central figures such as Augustine Abelard Duns Scotus and William of Ockham as well as extensive texts from thinkers in the medieval Islamic world Each selection is prefaced by a brief introduction by the editors providing a philosophical and religious background to help make the material more accessible to the reader This edition updated throughout contains a substantial new chapter on medieval psychology and philosophy of mind with texts from authors not previously represented such as John Buridan and Peter John Olivi

The Fundamental Doctrines of the Christian Faith Reuben Archer Torrey, 1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church's history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord's Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have

testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form

**Eternity's Guide to Immortality** Robert Falkenstein, 2022-04-13 In a moment of time author Robert Falkenstein transcended both the mind and the understanding of humans to see the greatest victory celebration of the ages that of heaven where time merges into eternity and children from all tongues races and nations who once walked the earth are joined together as one to usher in a new age in which neither pain nor death will have a place Building on this experience Eternity's Guide to Immortality seeks to fill your heart with joy and wonder as you journey through heaven's golden streets Come see the endless sights and sounds of heaven through the eyes and words of countless generations who enjoyed its deep and endless joys It is truly a world beyond comprehension where God has made provision for all Learn about God's plan for you and discover why He wants you to live with Him forever where time ends and eternity begins where the endless pains and worries of this world cannot enter There you will never be alone This personal narrative and testimony invites you to explore what heaven has in store for you so that you may embrace God's plan for you The Believer's pathway, ed. by W. Shaw William Shaw (religious writer),

**The Oxford Handbook of Medieval Philosophy** John Marenbon, 2015 This Handbook shows the links between medieval and contemporary philosophy Topic based essays on all areas of philosophy explore this relationship and introduce the main themes of medieval philosophy They are preceded by the fullest chronological survey now available of the different traditions Latin and Greek Islamic and Jewish *Great Commission* E. A. Kilbourne, 1913

**The History of the Science-fiction Magazine** Michael Ashley, 2000 This third volume in Mike Ashley's four volume study of the science fiction magazines focuses on the turbulent years of the 1970s when the United States emerged from the Vietnam War into an economic crisis It saw the end of the Apollo moon programme and the start of the ecology movement This proved to be one of the most complicated periods for the science fiction magazines Not only were they struggling to survive within the economic climate they also had to cope with the death of the father of modern science fiction John W Campbell Jr while facing new and potentially threatening opposition The market for science fiction diversified as never before with the growth in new anthologies the emergence of semi professional magazines the explosion of science fiction in college the start of role playing gaming magazines underground and adult comics and with the success of Star Wars media magazines This volume explores how the traditional science fiction magazines coped with this from the death of Campbell to the start of the major popular science magazine Omni and the first dreams of the Internet

Evangelical News Anja-Maria Bassimir, 2022-05-24 This work is an innovative treatise on the evangelical magazine market during the 1970s and 1980s and how it sustained religious community and ideology Bassimir argues that community can be produced in discourse especially when shared rhetoric concepts and perspectives signal belonging The 1970s and 1980s were a tumultuous period in United States history In suit with a dramatic political shift to the right evangelicalism also entered the public discourse as a distinct religious movement and was immediately besieged by cultural appropriations and internal fragmentations This was also a time when Americans in general and evangelicals in particular grappled with issues and ideas such as feminism and legal abortion restructuring traditional roles for women and the family The Watergate Crisis and the newly emerging Christian Right also threw politics into turmoil During this time there was a surge of readership for evangelical magazines such as Christian Today Moody Monthly Eternity and Post Americans Sojourners While each of these magazines and many other publications contributes to and participates in the overall dissemination of evangelical ideology they all also have their own outlooks and political leanings when it comes to hot button issues Evangelical Visions through a thoroughly researched lens makes important correctives to common understandings of evangelical discourse particularly regarding the key political initiatives of the religious right Bassimir demonstrates that within the pages of these periodicals evangelicals hashed out a number of competing views on feminism abortion reproductive technologies and political involvement itself To accomplish this Evangelical Visions traces the emergence of evangelical social and political awareness in the 1970s to the height of its power as a political program The chapters in this monograph also delve into such topics as how evangelicals re envisioned gender

norms and relations in light of the feminist movement and the use of childhood as a symbol of unspoiled innocence and the pure potential of humanity Presently most accounts of evangelicalism cite evangelical magazines only very selectively and virtually no studies make substantive use of those magazines as objects of investigation Bassimir s Evangelical Visions makes a much needed contribution to our understanding of evangelicalism in the late twentieth century by providing a nuanced picture of a religious subculture that is too often reduced to caricature This study is located at the intersection of history religious studies and media studies and will appeal to scholars and students of all of these fields **How We Saved Texas**

**Prison Chaplaincy 2011** Michael G. Maness,2015-10-16 As Maness so forcefully presents religion is truly the greatest source for change in human history and our staff chaplains facilitate that Likewise we came to see there would be little true cost savings in that some staffer would have to take care religion in prisonits a right after alland manage the good volunteers Jerry Madden Senior Fellow Right on Crime RightonCrime org House Committee on Corrections Chairman 2011 12 It seemed like all was lost Dr Keith Bellamy Senior Minister Woodville Church of Christ TDCJ Certified Volunteer Chaplain 15 plus years Take a ride through Maness book and learn firsthand about reducing crime rehabilitating lives making our streets safer and bringing hope to the least the last and the lost just like Jesus commanded The chaplain of the prison brings hope and light in what can be a dark and stressful place all the more reason we need them Carol S Vance Former Chairman Texas Board of Criminal Justice Harris County District Attorney 1966 79 Every TDCJ chaplain and every chaplaincy manager owe the existence of their jobs to the efforts of a few unique individuals who rallied many to seek help from Texas senators and representatives Frank Graham Founder Chapel of Hope org Politically the TDCJ chaplaincy was doomed God used the courage of one man to turn that situation around Thank you Chaplain Michael Maness for preserving this magnificent piece of important religious history Dr Paul W Carlin LBT Ph D TheMinistryChurch org **American Theological Inquiry,**

**Volume Three, Issue One** Gannon Murphy,2010-01-15 American Theological Inquiry ATI reaches thousands of Christian scholars clergy and other interested parties primarily in the U S and U K The journal was formed in 2007 by Gannon Murphy PhD Theology Univ Wales Lampeter Presbyterian Reformed and Stephen Patrick PhD Philosophy Univ Illinois Eastern Orthodox to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America and the West The purpose of ATI is to provide an inter tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies developments ideas commentaries and insights pertaining to theology culture and history toward reforming and elevating Western Christianity ATI seeks a critical function as much or more so as a quasi ecumenical one The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter tradition understanding while mutually affirming Christ s power to transform culture and the importance of strengthening Western Christianity with special reference to Her historic creedal roots Theologians would be theologians and the theologically
