## **Endowed From On High Understanding The Symbols Of The Endowment:**

**Endowed from on High** John D. Charles, 1999 The Endowment is a re enactment of scriptural images and symbols It is literally a gift a gift of God s power While carefully maintaining the sacred confidentiality of the temple ordinances this book provides scriptural correlations which will open up rich new ares of understanding Once you read this inspired information you will be better informed about the scriptural authority and symbolism of the sacred ordinances You will be better prepared and motivated to apply scriptural symbols in your life and strive to become more like Christ Within these pages are more than twenty scriptural symbols which correlate with the temple service the central focus of these symbols is found in Brigham Young s oft quoted statement of the ceremony s ultimate purpose to enable recipients to pass by the angelic sentinels who guard the entrance to God s kingdom as they walk back to the presence of the Father Endowed from on high teaches that revelation occurs during the endowment that promises are required before blessings are granted that covenants are the channels through which blessings flow and that the Lord is voluntarily bound when we obey His commandments This is a unique and reverential guide to growth in the most sacred of all areas of our relationship with the Savior and our heavenly Father Reading and pondering Endowed from on High will be a choice experience for all Church members

**Behold the Man!** J. Marc. Merrill, 2013-08-19 The Greek word translated as Socrates is actually a compound that means save from death and power over so the intent of the compound is to point to one who has power over life and death and that one is Christ Harold North Fowler in his introduction to The Apology says that the high moral character and genuine religious faith of Socrates are made abundantly clear throughout this whole discourse It would seem almost incredible that the Athenian court voted for his condemnation if we did not know the fact When we keep in mind the true intent of the compound translated as Socrates then we can be certain that it was not the Athenian court that voted for the condemnation and death of this man with a high moral character but rather a multitude of people who were influenced by the members of the Sanhedrin in Jerusalem BEHOLD THE MAN reveals how inaccurate and misleading English translations have been of ancient Greek literature and the author makes a compelling case for Christ being at the center of THE ILIAD CLASSICAL GREEK DRAMA PLATO AND GREEK LITERATURE FROM HERCULANEUM **Books Written in Stone: Volume 1** J.

Marc. Merrill, 2012-03-06 The Great Pyramid mysteries abound For example Why was the subterranean chamber apparently abandoned and yet it is larger than the Queen s Chamber and the King s Chamber combined Why is there a pit in the floor of the subterranean chamber and why does the narrow passage that snakes south off the subterranean chamber come to a sudden end after 53 feet Why was sand from the Sinai hidden behind the wall of the horizontal passage to the Queen s Chamber and why is there a sudden drop in that passage Why was the Grand Gallery built so large in comparison to the ascending passage and why are the slots in the ramps of the Grand Gallery empty Why was the antechamber to the King s Chamber built with both limestone and granite blocks and what purpose could the so called Granite Leaf have served

Egyptologists pyramidologists and others outside these two camps have attempted to explain such anomalies Their theories are examined and compared to a new vision that answers not just some of the questions about the Great Pyramid but all of them as revealed in *Books Written in Stone Enoch the Seer the Pyramids of Giza and the Last Days Binding Earth and Heaven* Gary Shepherd, Gordon Shepherd, 2015-06-13 In *Binding Earth and Heaven* Gary Shepherd and Gordon Shepherd use early nineteenth century Mormonism as a case study to examine questions about how new religious movements may as rare exceptions survive and even eventually become successful in spite of intense opposition Initial scorn and contempt for Mormonism the fledgling creation of the young Joseph Smith quickly elevated to mob violence as both Smith s innovative teachings and converted followers proliferated resulting in the widely held perception that the Mormons constituted a social menace This book examines how Mormonism attracted and maintained the loyalty of increasing numbers of people despite mounting hostilities and severe hardships The book focuses on the unique Mormon ritual and accompanying doctrinal underpinnings of patriarchal blessings Patriarchal blessings were an innovative adaptation of the Old Testament practice of fathers making quasi legal pronouncements over the heads of their sons a way of verbally conferring rights promises admonition and guidance to heirs *Binding Earth and Heaven* shows how the organizational complexities of this practice contributed to strengthening and sustaining member faith and fealty thereby bolstering the continuity and development of Mormonism *Books Written in Stone* J.
