New Jerusalem at the end of the book of Revelation From beginning to end God s desire to be joined to man for His expression fills the pages of the Bible In The Divine Economy Witness Lee traces the flow of God s economy from the creation of man in Genesis to its consummation in Revelation Like a river that flows without interruption the divine economy includes not only the creation of man as a vessel to contain God but also the major steps taken by Christ incarnation crucifixion and resurrection in carrying out the divine economy Through faith in Christ redemption is applied to man and the Spirit is supplied in man as rivers of living water In the divine economy the rich experience and practical daily enjoyment of God is the common portion of every believer The believer s first step into a living enjoyment of God Himself is to see God s eternal plan as presented in The Divine Economy *Living On The Rock* Michael Brown,2018-11-15 Living on the Rock contains essential lessons for spiritual growth in the Christian life Building on a sound biblical foundation pastor Mike Brown explores areas of spiritual life that are essential for believers to grow in in order for them to become strong stable and healthy in their walk with the Lord This book is an invaluable and inspiring resource for believers who want to grow in their faith **The Collected Works of Witness Lee, 1963, volume 2** Witness Lee,2021-05-28 The Collected Works of Witness Lee 1963 volume 2 contains the messages and fellowship given by Brother Witness Lee from April 6 through July 7 1963 with the exception of messages he gave in a series on the Gospel of John which are published in Life study of John not included in The Collected Works In the first part of April Brother Lee was in Los Angeles At the end of that month he visited San Diego California and then returned to Los Angeles for most of May At the end of May and the first part of June he visited Christian groups in Sacramento California and in Eugene Salem and Portland Oregon before giving a conference in San Francisco For the remainder of the period he was in Los Angeles The contents of this volume are divided into eight sections as follows 1 Six messages given at a conference in Los Angeles on April 12 through 14 These messages have been published under the title The Four Major Steps of Christ The published book consists of four chapters 2 Ten messages given at a conference in San Diego on April 23 through 27 These messages have been published under the title God s Intention concerning Christ and the Church 3 Four messages given in Los Angeles in Lord s Day morning meetings in May and June These messages are included in this volume under the title Lord s Day Morning Messages 4 A series of messages composed from personal notes taken by several individuals in various meetings held throughout the period These include nine messages given in Los Angeles on Saturday mornings from April 6 through May 25 two messages given in Sacramento on May 30 and a report given in Los Angeles on June 14 concerning Brother Lee s visit to the San Francisco Bay Area and Pacific Northwest These messages are included in this volume under the title Various Speakings Brother Lee gave two additional messages in Sacramento on Lord s Day June 2 of which there is no record 5 Seven fellowship meetings held with the leading ones in Los Angeles and Chula Vista California from April 21 through June 24 These messages are included in this volume under the title Fellowship with the Leading Ones The contents were composed from personal notes taken by brothers who were present in the meetings 6

The Gospel of John and the Religious Quest Johannes Nissen,2013-09-24 The Gospel of John and the Religious Quest argues that at its origin the Fourth Gospel was part of a dialogue with various religious traditions and that to this day it is being used in active dialogue with those who live in traditions other than the Christian In the first part of the book Johannes Nissen analyzes a number of texts selected both for their central importance to John's theology and for their special relevance in today's religious quests and encounters These texts focus on John's images of Life water bread light way and tree but also treat concepts that are crucial to the Fourth Gospel Word Truth and Love In the second part Nissen focuses on significant issues for current readers of the Gospel the relation between incarnation and inculturation models for dialogue with other religions images of Christ truth and love as criteria for dialogue and the experience of faith in the light of the Fourth Gospel **Revelation and Concealment of Christ** Saeed Hamid-Khani,2021-03-16 The elusive disposition of John's language has been noted by biblical scholars throughout the history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John's language within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John's enigmatic language is wedded to the Evangelist's purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel's Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John's unique language i e Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only

revealed by the spirit of God to those who are born of God
