BATTLEGROUND

Britain 1460 - 1461

From Wakefield To Towton

Peter Bramley

From Wakefield To Towton:

A Brief Guide To British Battlefields David Clark, 2015-02-26 A very readable work of reference offering a survey in chronological order from AD 84 to 1746 of the major battles which have taken place on British soil from the Roman occupation to Culloden the last battle fought on British soil In this way the book can be read as a continuous narrative while each entry also stands alone as a self contained guide The battles are grouped into relevant sections such as the Wars of the Roses the English Civil Wars and the Jacobite Rebellions within broader historical periods Each period is prefaced by a presentation of the nature of warfare and is enhanced by a feature article of specialist interest Every entry includes a narrative of events leading up to the battle a vivid description of the battle itself and an assessment of the long and short term consequences In addition there is useful information for visits including precise identification of the location details of access to and features of each site The book is illustrated throughout with maps and a plate section **Lost Legend of the Hawk** Jack Holroyd, 2010 **A Companion and Guide to the Wars of the Roses** Peter Bramley, 2011-10-03 The Wars of the Roses 1455-85 saw the end of Plantagenet rule in England and Wales and the accession of the Tudor dynasty to the throne It is sometimes seen as the end of the Middle Ages in England and the start of the modern era and it paved the way for the reigns of Henry VIII and Elizabeth I A surprising number of historic sites from this turbulent period survive battlefields castles churches monasteries Peter Bramley's beautifully illustrated field guide and companion to the Wars of the Roses gives full details of both the events and the personalities associated with each of these sites together with the historical background and the reasons for the struggle between the houses of York and Lancaster Arranged by region it covers the whole of England and Wales and provides invaluable information for anyone visiting or planning to visit any of the sites connected with the conflict as well as anyone interested in the history of this period in general **Wars of the Roses A Gazetteer- 2** Michael Ryan Jones, 2012-04-30 Between 1455 and 1485 15th century England was ravaged by war The dynastic struggle was between supporters of two rival branches of the royal House of Plantagenet the houses of Lancaster and York The Red and White Roses These books are of people and places listing them and trying to locate their situations on maps of the counties Shires **A Topographical Dictionary of Yorkshire** Thomas Langdale, 1809 **From Wakefield to Towton** Philip Haigh, 2001-08-01 The Wars of the Roses was a complicated bloody affair between the houses of Lancaster and York and witnessed much changing of sides That disjointed feuding persisted for a staggering thirty years and was a north versus south affair However the period and conflicts covered by this title are refreshingly clear An intriguing tale of treachery and deceit *The Wars of the Roses* David Grummitt, 2025-06-23 The series of rebellions against royal authority and the violent clashes between aristocratic families that occurred in England between 1455 and 1487 have long been characterized as the Wars of the Roses Yet far from being a continuous period of civil war the Wars of the Roses were in fact an intermittent series of minor clashes pitched battles and sieges These occurred against the backdrop of a demilitarization

of the English aristocracy in the final years of the Hundred Years War Drawing on extensive archival research and a wide ranging synthesis of the secondary literature David Grummitt here reconsiders the nature of war and the martial culture of the English in the second half of the fifteenth century He places these experiences within the peculiar legal constitutional and political culture of late Lancastrian and Yorkist England to reexamine in depth the motivation for fighting the raising and equipping of armies the experience of battle and its aftermath and the ways in which civil conflict was rationalized and memorialized These experiences are compared and contrasted to that in its continental neighbours in an age of expanding royal authority gunpowder weapons and emergence of standing professional armies The book s conclusions offer a new interpretation of the evidence for the size of armies and scale of conflict during these years the weaponry and tactics employed and the wider importance of war chivalry and martial culture in late medieval England In so doing and by drawing on a range of new conceptual approaches in the fields of the history of emotions material culture and conflict archaeology alongside other more traditional disciplinary approaches to military history the book offers a thorough and fulsome history of the Wars of the Roses one that properly integrates war and marital culture into our understanding of the political and cultural history of fifteenth century England and late medieval European military history more generally **Wakefield's**

Military Heritage Paul L. Dawson,2025-05-15 The military heritage of Wakefield from Norman invaders to the present day This book will be of interest to all those who would like to know more about Wakefield s remarkable military history

Richard III Sir Clements Robert Markham,1906 First published in 1906 this work was one of the first and most important Ricardian apologias for a general readership A distinguished geographer whose long career had involved voyaging to the Arctic in search of Sir John Franklin as well as travels in Peru and India Sir Clements Markham 1830 1916 had played a crucial role in launching Scott s first expedition to Antarctica in 1901 Markham also had a long standing interest in the reputation of England s last Plantagenet king The first part of this book presents the life of Richard while the second half is devoted to a thorough examination of the charges laid against the monarch by the Tudors and later historians Markham seeks to expose these charges as unfair and unfounded The work also includes genealogical tables and a map of the Battle of Bosworth Field **The Ancient Sepulchral Effigies and Monumental and Memorial Sculpture of Devon** William

Henry Hamilton Rogers,1877 **Richard III: His Life & Character** Sir Clements Robert Markham,1906 Richard III Sir Clements Robert Markham,1906 *Visits to Fields of Battle, in England, of the Fifteenth Century* Richard Brooke,1857

A History Syllabus for Secondary Schools ,1904 **The Globe Guide to Shakespeare** Andrew Dickson,2016-09-06 With full coverage of the thirty nine Shakespearian plays including a synopsis full character list stage history and a critical essay for each this comprehensive guide is both a quick reference and an in depth background guide for theatre goers students film buffs and lovers of literature Along with an exploration of the Bard s sonnets and narrative poems The Globe Guide to Shakespeare features fascinating accounts of Shakespeare s life and the Globe Theater itself with colorful details

about each play's original performance This comprehensive guide includes up to date reviews of the best films and audio recordings of each play from Laurence Olivier to Baz Luhrmann Kozintsev to Kurosawa The Globe Guide to Shakespeare is the quintessential celebration of all things Shakespearian Shakespeare's Serial History Plays Nicholas Grene,2002-01-03 Shakespeare's Serial History Plays provides a re-reading of the two sequences of English history plays Henry VI Richard III and Richard II Henry V Reconsidering the chronicle sources and the staging practices of Shakespeare's time Grene argues that the history plays were originally designed for serial performance He charts the cultural and theatrical conditions that led to serial productions of the histories in Europe as well as in the English speaking world and looks at their original creation in the 1590s and at modern productions or adaptations from famous stagings such as the Royal Shakespeare Company's 1960s Wars of the Roses through to the present day Grene focuses on the issues raised by the plays seriality the imagination of war the emergence of character and the uses of prophecies and curses through the first four techniques of retrospection hybrid dramatic forms and questions of irony and agency in the second Warfare in England Hilaire Belloc,1912 **A History Syllabus for Secondary Schools** New England History Teachers' Association,1904 **Bosworth 1485** Glenn Foard,Anne Curry,2013-08-22 Bosworth stands alongside Naseby and Hastings as one of the three most iconic battles ever fought on English soil The action on 22 August 1485 brought to an end the dynastic struggle known as the Wars of the Roses and heralded the dawn of the Tudor dynasty However Bosworth was also the most famous lost battlefield in England Between 2005 and 2010 the techniques of battlefield archaeology were used in a major research programme to locate the site Bosworth 1485 a battlefield rediscovered is the result Using data from historical documents landscape archaeology metal detecting survey ballistics and scientific analysis the volume explores each aspect of the investigation from the size of the armies their weaponry and the battlefield terrain to exciting new evidence of the early use of artillery in order to identify where and how the fighting took place Bosworth 1485 provides a fascinating and intricately researched new perspective on the event which perhaps more than any other marked the transition between medieval and early modern England **The national and domestic history of England** William Hickman S. Aubrey,1878
