**From the Alleghenies to the Hebrides** Margaret Fay Shaw, 2018-04-12 Margaret Fay Shaw's life spans a century of change. Orphaned at 11, she left home and school in Pennsylvania and Philadelphia aged 16, crossing to Scotland to spend a year at school near Glasgow. It was there that her love for Scotland was born. After studying music in New York and Paris, she returned to live for six years with two sisters in South Uist. Life on the island had changed little from previous centuries and material comforts were few. But the island was rich in music and tradition, and Margaret Fay Shaw's collection of Gaelic lore and song are amongst the most important made this century, whilst her photography evocatively captures the aura of a vanished world. Her autobiography is the remarkable testament of a remarkable woman as well as a powerful plea in defence of a Gaelic culture and world under threat. It is written with a sharpness of observation, directness of humour and zest for life which make it a marvellous record of the twentieth century.

**From the Alleghenies to the Hebrides** Margaret Fay Shaw, 2018-04-12 The story of a woman's life spanning the twentieth century and two continents. A miniature masterpiece, often funny, sometimes moving, never sentimental. Times Literary Supplement Margaret Fay Shaw's life spanned a century of change. It is written with a sharpness of observation, directness of humor and zest for life, and it is also a marvelous record of the twentieth century. A gem of an autobiography. Outer Hebrides Mark Rowe, 2025-06-19 This new thoroughly updated third edition of Bradt's Outer Hebrides is the only up-to-date guidebook to focus solely on Scotland's Western Isles: the islands of Lewis, Harris, St Kilda, Berneray, North Uist, Benbecula, South Uist, Eriskay, Barra, and Vatersay. Informed and intimate, this guidebook is ideal for people who travel with curious minds to discover places of great cultural, historical, and wildlife interest. The Outer Hebrides is an archipelago of 15 inhabited islands and more than 50 others that are free of human footprint. It is perfect for a staycation where you can get off the beaten track, switching off from the modern world. Huge variations in landscape are found across the islands, from Lewisian gneiss which dates back almost three billion years to rugged Harris with its magnificent, almost unbroken sands running down its western flanks, and the undulating flatness and jagged sea lochs of the Uists. Here Gaelic is increasingly spoken, driven both by a strong sense of regional identity but also unexpectedly boosted by commitment from many incomers. Ancient monuments abound from enigmatic 2

000 year old brochs to Tobha Mor the earliest Christian site on the Outer Hebrides Here too are the Standing Stones of Callanish where a vibrant new visitor centre opens in 2025 and the Uig peninsula where the Lewis Chessmen were uncovered nearly 200 years ago Nature lovers can watch stunning seabird colonies birds of prey seals and red deer or become absorbed in the machair grassy coastal zones that are transformed into glorious carpets of wildflowers in late spring and summer Walkers have an impressive choice of routes while cyclists can enjoy the new Hebridean Way cycle trail Alongside providing all the practical details you could ever need experienced journalist Mark Rowe contextualises your visit with detailed and enlightening background information from geography and geology to art and architecture via extensive coverage of wildlife New elements of this third edition include advice on camping and campervanning a round up of deserted villages and first malt whisky produced on Harris Whatever floats your boat Bradt's Outer Hebrides is your perfect travel companion
