

The diagram consists of a central light blue circle containing the text "Factors affecting behavioral problem". Surrounding this central circle are five smaller, darker blue circles, each representing a different category of factors. These circles are arranged in a ring, with each one overlapping slightly with the central circle and its neighbors. The categories are: School factors (top), Biological factors (top-right), Sociodemographic factors (bottom-right), Other factors (bottom-left), and Family factors (top-left).

## Factors affecting behavioral problem

### School factors

- giving facilities to students on the basis of intelligence, academic performance, and social and physical capacity

### Biological factors

- genetics
- brain damage
- temperament
- physical illness

### Sociodemographic factors

- low socioeconomic status
- young age of mother
- low educational level of parents)

### Other factors

- factors during pregnancy
- injury or any brain trauma
- exposure to any substance with toxic character

### Family factors

- type of family
- interaction between members in family
- external factors that directly, indirectly affect the family
