to Funeral Rites In Islam Maulana Ebrahim Noor,2020-03-05 A person is born into this world spends a little time and then passes away All h Swt mentions in the Holy Qur'n Every soul has to taste deathThe one thing we can all be sure about and cannot deny is the fact that one day we will all be leaving this earth Our life on this earth is merely a journey to our real abode in the hereafter The Messenger of All h Swt mentions in a ad th Live in this world as if you are a traveller or a wayfarer In another ad th the Messenger of All h saw mentions The intelligent person is the one who controls his self desires

and performs deeds for after his death and the helpless person is the one who follows his self desires and relies on Allah Swt

This booklet does not go over all the preparations one must make before they pass away as our whole lives should be preparation for the hereafter but I will cover the necessary steps we must take as Muslims when another Muslim is about to pass away or passes away This is a time of great grief and sadness which can lead people to perform acts which are against Shar'ah and are classified as Bid'ah innovation People sometimes spend lavishly on funerals in the same way as they spend at weddings People become a burden on the family of the deceased expecting to be dined on several occasions and the atmosphere at the funeral house may become contrary to the event Many actions are done with the thinking that there is a basis for it in our religion but the reality is that there is no evidence to support them Rather than go through all the innovative practises I have identified the actions for which there is sound evidence I have provided references where required so we can have peace of mind that we are carrying out all of the rituals correctly We will comprehensively review the process which will enable the burial to take place quickly easily and most importantly in accordance with Shar'ah Some of the subjects we will cover are as follows What do we do when we see someone passing away What legal paperwork do we need to go through with the burial How to prepare the Kafan shroud and bathe the body of the deceased The correct burial process according to Shar'ah The period of mourning and information on Iddah Etiquettes of visiting the house of the deceased What can we do for those who have passed away
