Gumeny, 2016-04-01 Six months ago Thor the former Norse God of Thunder along with the motley crew of political clones and cyborgs and psychic squirrels he calls his friends saved the world And in a wholly unprecedented move this time the world stayed saved The frozen head of Walt Sidney is not happy about that Like at all The bodiless businessman has pit his two top men against each other and sent them after the group in a contest to see who can out murder who Because vengeance is a dish best served lukewarm and out of a can heated over the smoldering remains of your enemies Also vengeance should be eaten with an officially licensed Lindsey Louse Spearin Spork for maximum vengeance ing The fourth book in the EXPONENTIAL APOCALYPSE series REVENGE ARONI is smart vulgar and quite simply and with absolutely zero hyperbole the single best post apocalyptic book about borderline inept mercenary heroes you will ever read Filled with gallows humor and inventive swearing and run on sentences as well as sex drugs violence and blatant attacks on artisanal coffee REVENGE ARONI will surely be looked back on as the piece of literature that saved humanity from both itself and the inevitable uprising of homicidal crab people **Philemon's Problem** James Tunstead Burtchaell, 1998 Philemon was a wealthy

Christian whose slave Onesimus went off in search of freedom met and listened to Paul and joined the church But instead of being given a new life of his own Onesimus was sent back by Paul to an aggrieved master with no protection but his mentor's brief Letter to Philemon Paul never asked Philemon to free his slave Instead he admonished him to take Onesimus back only now as his brother in Christ This left both master and bondsman with a problem how could one man own another and both be brothers in Christ In this unique work James Tunstead Burtchaell uses the ancient story of Philemon and Onesimus as a compelling entry into modern theological reflection on the unbelievable reach of the grace and forgiveness of the Father whose Son died without disciples rose to reconcile and transform them and then scattered them around the world as men and women who were now also able to love those who loved them not and transform them too According to Burtchaell in order for the faith of Philemon and Onesimus to cope with Paul's imperative they required an inspired imagination to take in

the notion that the Father loves sinners i e all of us and he neither would nor could do otherwise For Philemon and Onesimus to undertake such a relentless love themselves would require frighteningly new convictions new commitments and new celebrations
