army of Egypt is in the far north with Rameses II He is a true soldier s soldier Hormud and his army are to go upriver on the mighty Nile to rid Nubia of those who would take over the country and the highly valued mining district Nubia is a conquered territory now under Egyptian control Outnumbered and rushed for time Hormud and his army must complete the mission by ending the rebellion and ensuring the mines will be safe from hostiles **Killing the White Man's Indian** Fergus M. Bordewich,1997-04-14 In the face of a new lightly romanticized view of Native Americans Killing the White Man s Indian bravely confronts the current myths and often contradictory realities of tribal life today Following two centuries of broken treaties and virtual government extermination of the savage redmen Americans today have recast Native Americans into another equally stereotyped role that of eternal victims politically powerless and weakened by poverty and alcoholism yet whose spiritual ties with the natural world form our last best hope of salvaging our natural environment and ennobling our souls The truth however is neither as grim nor as blindly idealistic as many would expect The fact is that a virtual revolution is underway in Indian Country an upheaval of epic proportions For the first time in generations Indians are shaping their own destinies largely beyond the control of whites reinventing Indian education and justice exploiting the principle of tribal sovereignty in ways that empower tribal governments far beyond most American s imaginations While new found power has enriched tribal life and prospects and has made Native Americans fuller participants in the American dream it has brought tribal governments into direct conflict with local economics and the federal government Based on three years of research on the Native American reservations and written without a hidden conservative bias or politically correct agenda Killing the White Man s Indian takes on Native American politics and policies today in all their contradictory and controversial guises
