In A Waking State Edgar Cayce Lectures:

In a Waking State Edgar Cayce, 2004-11 Edgar Cayce has often been called the sleeping prophet because his unique information came through while he was in a sleeplike state But Cayce also lectured while he was conscious This book is a collection of most of those lectures on topics such as What Is the Soul Man s Relationship to God The Aura and The First Ten Minutes After Death Along with Cayce s fascinating insights editor Richard Peterson provides a perspective on what was happening in Cayce s life as well as in the world at the time of the lecture With a foreword by Charles Thomas Cayce Edgar Cayce s grandson this book is a unique and fascinating look into the world of America s most documented mystic Book jacket

Everyday Telepathy, Clairvoyance and Precognition Mary Barton, 2010-08-23 Latest research and examples of telepathic clairvoyant and precognitive abilities Learn how to develop your extrasensory perception [Edgar Cayce](#) Sidney D. Kirkpatrick, 2001-11-01 With unprecedented access to Edgar Cayce s private letters and trance readings Sidney Kirkpatrick delivers the definitive biography of the renowned psychic religious seeker and father of alternative medicine Born in rural Kentucky in 1877 Edgar Cayce became known as the sleeping prophet and went on to lead an extraordinary life helping and healing thousands This is Cayce s fascinating story as it s never been told before [Edgar Cayce in Context](#) K. Paul Johnson, 2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce s reliability in the subject areas emphasized by the readings Cayce s medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce s ESP his clairvoyant time travel illustrates the fallibility of information derived through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce s personal opinions and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective *Psychic Exploration: A Challenge for Science* Edgar D. Mitchell, 2011-07-01 *Psychic Exploration A Challenge for Science* is a primer on psychic research life s purpose and the meaning of the universe Originally published in 1974 this landmark anthology of nearly thirty chapters on every area of psychic research is finally available again Edgar D Mitchell Apollo 14 astronaut and moonwalker as well as a distinguished researcher of the study of human consciousness brought together eminent scientists to write about issues once considered too controversial to discuss This book includes fascinating chapters on the history of parapsychology telepathy hauntings psychic phenomena and consciousness along with an extensive glossary and index This timeless anthology continues to be appealing as a reference

work for those curious about the history of parapsychology fans of the world of psi and readers interested in the meaning of the universe Contributors include Willis W Harman Jean Houston Stanley Krippner Robert Masters William G Roll Russell Targ Charles T Tart Montague Ullman and many more perhaps the most important change since the initial publication of *Psychic Exploration* has been due to advancements in quantum physics If this trend continues then the age old puzzle at the core of religious epiphanies mystical insight and creative genius will finally yield to scientific explanations What is the true nature of consciousness From the New Foreword by Marilyn Schlitz PhD and Dean Radin PhD **Mountain Ash** Elna Fone Nugent,2008-10-09 Mountain Ash has a double meaning It stands for my grandmothers mountain ash tree in our yard and how she gave me the title of this book It also stands for my breakthrough of consciousness experience when I was thirty seven when I rose from the ashes of a dark period in my mountain home **American Book Publishing Record** ,2003

Fun with the Family Virginia Candyce Stapen,2010-05-18 Geared towards parents with children between the ages of two and twelve *Fun with the Family Virginia* features interesting facts and sidebars as well as practical tips about traveling with your little ones Edgar Cayce on Soul Mates Kevin J. Todeschi,1999 Is there really such a thing as soul mates According to Edgar Cayce yes But his definition of soul mates twin souls and perfect partners may differ from what you re expecting For decades Cayce provided thousands of individuals with insights into the nature of their personal relationships the dynamics of soul attraction and the universal laws at work that draw individuals together What is unique about Todeschi s book is that it explores the development of relationships over time played out within the framework of reincarnation In addition to discussing soul mate relationships their connection to the cyclic pattern of reincarnation and the nature of loneliness this book looks at the fundamentals of soul attraction and provides contemporary examples of the same principles discussed by Cayce *The Awakened Life* Uma Alexandra Beepat,2018-06-28 In this short book Uma shares her personal journey of awakening and enlightenment as a reference for you to self reflect on your own journey Included with each chapter are reflective questions used to challenge you to take a closer look at your life and make adjustments as needed **Psychic** ,1970 **Past Life Dreamwork** Sabine Lucas,2008-04-18 The first book to approach reincarnation from the perspective of dreams Identifies soul bloodlines the key to past life therapies Combines the author s own experiences with case studies and dreamwork with empirical research Reveals how the analyst and client are often karmically linked In *Past Life Dreamwork* Sabine Lucas examines soul bloodlines character traits talents and life issues that are the common elements and circumstances of successive past lives Found threaded through our dreams these bloodlines reveal the forces manifesting in this life and taken together they shape individuality as well as destiny within the reincarnation cycle Though a wealth of past life related material regularly surfaces in dreams until now dreamwork has been largely ignored as a therapy for successfully integrating past life experiences Using the results of 27 years of personal and professional work Lucas explains that past life memories help us work out karma on the macro level and trauma on a micro level She distinguishes three types of past life

dreams classic informatory and hybrid and demonstrates how to distinguish these from other dreams Her dramatic case studies illustrate the effectiveness of dream therapy in recognizing and integrating the resonant and recurrent circumstances and ethical dilemmas that are played out in the subconscious mind These psychologically revealing stories bear witness to how individuals are made whole through the integration of common strands of forgotten or repressed past lives Lucas shows that the integration of past lives enriches the conscious self and also promotes universal tolerance through an understanding of the patterns of our psychic soul inheritance

Edgar Cayce: The "Sleeping" Medium & Spiritual Discernment John Weldon, 2013-02-09 Edgar Cayce 1877 1945 was one of the most famous trance mediums in the world and the best known psychic in America s history Not commonly placed under those occult classifications he is commonly referred to in a more soothing category as the sleeping prophet Through entering a self induced hypnotic trance he produced over 14300 health and spiritual Readings one of the largest psychic libraries in history allegedly from his unconscious mind and or the supposed akashic records Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine His influence has extended to millions of people This book takes a critical look at the life readings and health spiritual impact of Edgar Cayce It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good intentions and how benevolent concepts such as improved health and spirituality may indeed become the devil s playground Ironically this is the very thing Cayce himself had worried about in reference to the Readings

Ghosts, Spirits, and Psychics Matt Cardin, 2015-07-28 This fascinating work provides a complete overview of paranormal phenomena including the beliefs attitudes and notable figures who have attempted to explain defend or debunk the mysteries behind the unknown Recent interest in the paranormal as pop culture fodder belies its historical status as an important subject of cultural philosophical and scientific significance This book traces the trajectory of paranormal studies from its early role as a serious academic and scientific topic studied by mainstream scientists and eminent scholars to its current popularity in books film and TV This compelling reference work details the experiences encounters and ideas that make up this controversial field of study The contributed entries examine the broad phenomena of the paranormal addressing the history of scientific investigations along with its contemporary media depictions to illustrate the evolution of cultural attitudes about the paranormal A selection of primary documents provides real life accounts and contributions from noted experts that explore the full scope of themes from spiritualism to poltergeists to astrology Accompanying images timelines quotations and sidebars make the content come to life and encourage alternative explanations of these events

Handbook of the Theosophical Current , 2013-01-08 Few religious currents have been as influential as the Theosophical Yet few currents have been so under researched and the Brill Handbook of the Theosophical Current thus represents pioneering research A first section surveys the main people and events involved in the Theosophical Society from its inception to today and outlines the Theosophical worldview A second substantial section covers most significant religions to emerge in the wake of the

Theosophical Society Anthroposophy the Point Loma community the I AM religious activity the Summit Lighthouse Movement the New Age theosophical UFO religions and numerous others Finally the interaction of the Theosophical current with contemporary culture including gender relations art popular fiction historiography and science are discussed at length

Reincarnation in America Lee Irwin,2017-07-31 Reincarnation in America An Esoteric History surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional

Dreams Beyond Time Lee Irwin,2022-05-04 Dreams Beyond Time On Sacred Encounter and Spiritual Transformation offers readers an overview of dreams research as applied to non ordinary dreams Lee Irwin describes four basic types of dreaming normative mythic psychic and transpersonal and he illustrates each type with specific dream examples These types of dreaming are then used as a lens to look more closely at additional dream types that indicate dreaming as a process of creative discovery Through virtual dreaming encounters latent human potentials are revealed and suggest aspects for spiritual development based on dream recording interpretation and analysis In turn this leads to a metaphysical description that is pan sentient illustrating a vivid living universe of process becoming in which certain dream types reveal mythic psychic and transpersonal capacities as intrinsic to a deeper more awakened sense of intersubjective self awareness While dream theories from many diverse authors are explored the author uses an existential and phenomenological method to analyze dreaming contents in relationship to altered states of mind trance out of body and near death experience meditation imagination and stages of lucid self awareness Transpersonal dreams are given considerable attention in relationship to mystical traditions paranormal research and the comparative anthropology of self
