Nhiwatiwa, 2016-09-01 This book is the second of two volumes on *Preaching in African Context* For both seasoned preachers and beginners including students in seminaries Bible colleges and universities this second volume explores how we preach and the practice of contextual preaching in Africa The two volumes go hand in hand and Nhiwatiwa demonstrates that the principles need good practice to become contextual preaching and our practice needs principles to ensure integrity Read these volumes to see why preaching is an urgent aspect of ministry that can open new horizons and give fresh outlook for the future *Preaching Effectively, Revitalizing Your Church* Guerric DeBona, 2009

Preaching Effectively Revitalizing Your Church offers a practical and theological guide to effective preaching Guerric DeBona an experienced and respected teacher of homiletics uses the metaphor of a ladder to describe the ascent up seven rungs that constitute the strategies of preaching Beginning with advice on discovering a personal theology of preaching the author proceeds to unlock the power of the Bible and the liturgy He then guides preachers in creating a unified homily and in discovering a homiletic method that best suits their own intellect and temperament Chapters on communicating in contemporary culture and on globalizing the homily for the New Evangelization are vital for coming to grips with the technological age and the often bewildering diversity of today's world Finally DeBona challenges readers to recognize and confront their own obstacles to effective preaching Each chapter ends with questions to assist preachers in appropriating the material With bad homilies consistently cited as a factor in declining church attendance *Preaching Effectively Revitalizing Your Church* answers a very pressing need especially in view of the papacy's urgent call to rescue traditionally Christian countries from the brink of total secularization Book jacket

Our Sufficiency is of God Timothy George, James Earl Massey, Robert Smith, 2010 Resources for preachers steadily appear called forth by the perennial need on the part of working pastors for helpful and inspirational materials backed by tested experience reverent scholarship and creative insights The essays in this book are of that cast and each essay is the work of an experienced practitioner scholar in the field of preaching The chapters focus on the preaching ministry of Gardner Calvin Taylor in whose honor the volume was prepared They are offered with affection and esteem by colleagues students and friends fellow preachers all whose own attempts to speak the unsearchable riches of Christ owe much to the life and labors of

Gardner C Taylor Considered by many as the greatest living American preacher Gardner C Taylor has often reminded other preachers about the need for divine help in fulfilling the call All in all a summons to the ministry is no light calling The work of communicating the gospel requires us to be more than we are to exceed who we are This volume will lead readers to the realization of the need for grace and a sufficiency only found in God II Cor 3 5 KJV as indicated by the title Our Sufficiency Is of God The Nearness of God Julia Gatta,2010-02-01 What distinguishes Christian ministry from other helping professions While many books tell clergy how to run a capital campaign handle conflict and lead a vestry this book helps pastors chaplains and lay professionals appreciate the spiritual depth of their calling and reminds them that Christian ministry is Christs ministry working through them *Fulfilled in Our Hearing* Guerric DeBona,2005 What can today s preacher learn from past practices What needs to be adapted so that the preacher can be an authentic prophetic voice for today Father Guerric DeBona mines the treasures of the Christian homiletic tradition and confronts the challenges of modern technology multiculturalism and feminism to open a discussion about how the preacher can effectively reach the assembly in today s postmodern media saturated culture *Fulfilled in Our Hearing* is certain to become the standard text in homiletics courses for ordained and lay preachers alike BOOK JACKET *The Liturgical Ministry of Deacons* Michael Kwatera,2005 Fr Michael Kwatera OSB helps deacons comprehend share and effectively perform their ministry by providing both spiritual and functional support This short work is directed to al deacons both permanent and transitional in the hope that it will promote their formation for service within the church s Eucharist other sacramental rites and communal prayer Contents include explanations of the deacon s role in various church situations and liturgies such as confirmation and marriage as well as outside of the Mass setting such as ministering to the sick With Petitions for Deacons from Ancient Liturgies and historical background this book provides an interesting and informative look at the deacon s role in the Catholic Church Fr Michael Kwatera OSB PhD is director of Oblates for Saint John s Abbey Collegeville Minnesota He s a teacher and practitioner of Christian liturgy and the author of several Liturgical Press books including *Come to the Feast Liturgical Ministry of by and for Everybody* **The Conceptualisation of the Christian Life in John Henry Newman's Parochial and Plain Sermons** Marcin Kuczok,2014-03-17 This book analyses the conceptual mechanisms behind the notion of The Christian Life in the collection of sermons preached by John Henry Newman 1801 1890 and published in eight volumes as Parochial and Plain Sermons 1834 1843 The study utilises tools of cognitive semantics such as the theory of conceptual metaphor and metonymy and the theory of conceptual integration Cognitivism offers an integral perspective on language and is gaining in popularity among scholars in the whole world The book identifies a number of metaphorical models of The Christian Life in Newman s sermons based on structural metaphors such as A Journey A Race A Trial and Family Life as well as some models based on ontological metaphors such as animalisations The Sheepfold metaphor vegetalisations the Christ is a Plant metaphor and reifications The Gift metaphor Each of the models constitutes a coherent set of metaphors metonymies and

metaphtonymies present throughout the whole of Newman's Parochial and Plain Sermons. It is also shown that the conceptualisation of The Christian Life is based on conceptual blending between conventional metaphors functioning in everyday English and the transcendental conceptual domain of Christianity. The book will be of interest to linguists particularly those interested in cognitive linguistics as well as to theologians especially those focused on the theory of preaching and to everyone interested in the legacy of John Henry Newman.
