 Discover the joy and power of walking in the footsteps of Jesus There is an image of Jesus we often possess in our minds and
 there is a Jesus of the Scriptures Unfortunately the two aren t always consistent Often the emphasis in preaching teaching
 and writing is placed on Christ s death and resurrection These aspects of Jesus s ministry are obviously essential but so is His
 life Through Christ s death we received forgiveness and reconciliation however His life provides us with something that is
 equally essential an example Without His example godliness becomes a nebulous notion that can mutate into a religion that
 doesn t reflect its founder Re Present Jesus identifies twelve core character traits of Jesus and coaches the reader into
 discerning how these traits can be applied to their own lives and contexts Covering attributes such as His love wisdom grace
 generosity and humility Daniels presents a picture of Jesus that people will want to follow The Book of Church Growth
 Thom S. Rainer,1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate
 his aim here is to present an objective view of the movement its history the theology associated with it and the principles
 which seem to separate churches that grow from those that don t The MBA Reality Check Evan Forster,David St. John
 Thomas,2010-04-06 A no nonsense guide to getting into business school at a time when the industry requirements are

evolving and competition is at a record level MBA programs are redefining their mission and seeking a new generation of business visionaries No longer simply about grades or test scores top schools now look for students with a transformative vision The MBA Reality Check covers everything from the specifics of the application process to how applicants can position themselves among the crop of tomorrow s business innovators Through their work with hundreds of MBA hopefuls Forster and Thomas have shown what it takes to succeed in today s highly competitive marketplace including How applicants can find their own exceptional story to set them apart What to include in an MBA application and what to leave out What b schools really want to learn about candidates How to turn any question into an opportunity to illustrate unique leadership qualities

Strategies for Church Growth C. Peter Wagner, 2010-01-01 Why Plan Strategy Is church growth theory incompatible with belief in the sovereignty of God Does adherence to church growth principles leave out dependency upon the work of the Holy Spirit C Peter Wagner answers no to both questions He further believes that no task could be more crucial than fulfilling the Great Commission in our generation and how to approach and plan for the execution of this task is the questions of the day Strategies for Church Growth addresses this key issue in a biblically pragmatic way It brings together for the first time many principles of evangelism and missions which have proved through recent research and experience to be effective in implementing the Great Commission It also unifies in concise form the latest research of the Church Growth Movement the Lausanne Committee on World Evangelization the U S Center for World Mission and numerous other key contributors to the recent explosion of evangelistic technology Among the topics explored are the major components of strategy choosing the appropriate strategy advantages of having a strategy the theology of church growth the harvest principle and soil testing why you should aim for church growth characteristics of good goals the meaning of mission and evangelism how to target your outreach

The Everychurch Guide to Growth Elmer L. Towns, C. Peter Wagner, Thom S. Rainer, 1998-08-01 A growing church is a living church but much of the attention in church growth today is focused on making big churches bigger This encouraging new book shows members of small and medium sized congregations how to revive and expand their ministries as well Churches of every size tend to plateau in attendance and never break free of their self imposed limitations or growth barriers This book gives detailed practical instructions for breaking through those barriers to new levels of impact and service in the community The EveryChurch Guide to Growth rallies church leaders and members to develop plans for strength and solid growth in the future
