

A close-up photograph of two hands clasped together in a supportive grip. The hand on the left is wearing a light purple long-sleeved shirt, and the hand on the right is wearing a black long-sleeved shirt. The background is a soft-focus sunset or sunrise over a body of water, with a warm orange and yellow glow. The text "GETTING ALONG FAMOUSLY" is overlaid on the left side of the image in a bold, black, sans-serif font.

Out of Corpora, 2023-11-20 The new media revolution has led to a comprehensive digitization of our textual universe and the pervasive incorporation of the media into our everyday lives from mobile telephony to social media This calls for a concerted research effort uniting linguistics and other disciplines involved in language related research The massive growth in the amount diversity and availability of textual and multimodal language data for many of the world s languages poses several challenges In terms of theory and methods it forces us to rethink traditional notions of what linguistic corpora are and what role they play in linguistic description Established corpus linguistic methods such as concordancing and textual statistics are increasingly being complemented by visualization and geolocation of digital language data Empirically there is a growing need to document and analyse what people do with language in the increasingly technologized communicative ecology of the 21st century Language and Computers Studies in Digital Linguistics invites contributions which explore innovative intelligent and creative ways of using digital language data resources and infrastructure for linguistic description contribute to the development and refinement of usage based models in linguistics using both quantitative and qualitative methods analyse all aspects of digitally mediated communication from orthography to pragmatics and sociolinguistics

Honest One Frances Horibe, 2016-04-07 This book is both a novel and essays about work life In the novel David is a young man intent on moving up in the company Protech which designs security systems To do this he steals an idea for a new product from a junior employee and sells it to senior management as his own The idea takes off but David has to constantly having to do questionable things to keep his status as golden boy He spies on another colleague for fear of an idea which might overtake his he demands his boss job to keep control of his project and he browbeats his team into saying the product is ready for release when it is clearly not He twists and turns to stay on top The parallel stories are of Becky David s mother who walks away at the end of her career to pursue a lifelong dream and of Gord David s father who is a brilliant but difficult employee who has never fit into organizational life Throughout the book there are hyperlinks to essays which discuss aspects of the story and how they might apply to the reader s life For example one essay discusses how David gets caught up in the office politics and whether you have to do it too Similarly another essay asks whether always being honest at work such as Gord maintains he is is good or bad for your career and psyche Becky s essays largely deal with whether and how you can work at what you are really passionate about rather than just put food on the table The essays can be read as the novel is being read or after All of them pose questions about how to deal with the dark side of work The New Age Dog Liz
