away in a box for 65 years My father and I came across the box during a spring cleaning frenzy and decided that it was time to read the letters and put them in some type of notebook to preserve them Little did I know that I was about to become involved in the story of Lowell Sue Reads life and unwavering love for each other As I read each letter and placed them in order I grew to know and admire both Lowell and Sue There were other items in the box besides the letters These items included a small Bible a set of dog tags a service medal a shell bracelet a small notebook and numerous other articles The letters shed light on all these other items and I realized that my great aunt had saved everything because of the special meaning that they held Lowell ended almost every letter with the words So goodnight Dear and I do love you I created this compilation to honor a man I never met and to preserve the memory of a love that never ended I hope you enjoy reading his letters and getting to know him as much as I did **Eternal Love** Maxwell L.
