Getting Into The Bible:

How to Get Into the Bible Stephen M. Miller, 2012-02-07 How to Get Into the Bible is a fast paced action packed look at the main characters events and meanings of the Old and New Testament This is the perfect handbook of the Bible for people who love movies comic books television and the Internet The Bible You Don't Get In Church Lewis Tagliaferre, 2019-09-06 With all the books available about the Bible why another one Well it must be necessary or it would not exist Why you found this book and whether you read it or not can only be explained as the will of God That is the conclusion offered in this review and commentary which combines bible history and content without interpretation that although possibly not unique or even original are easily read to help disclose the danger in proof texting scriptures It presents the story of the Bible through scriptures and commentary not likely to be discussed in churches or Sunday School classes What this book does is give you a concise but fairly complete summary of the evidence presented in the scriptures themselves unvarnished with no proof texting or cherry picking without any specific church dogma that may be distorting or hiding the truth The appendices include commandments by Jesus and instructions of Apostle Paul scriptures very few churches feel comfortable discussing However you re not left dangling in space with no firm ground underneath your feet Scripture says the truth will make you free Since the Bible obviously contains contradictions and needs a better editor there must be inferred some omnipotent power in the universe sustaining its interest and church expansion through two millennia If you are skeptical or critical about church teachings you may have found the solution to your concerns here in the discussion of Theofatalism i e the GOD above gods the prime force in the universe With this belief you can feel good inside no matter what happens outside if you work it The conclusion may be quite a shock but it definitely is a soft landing Getting Into God Stuart Briscoe, 2014-01-01 Stuart Briscoe's Getting into God will take you through the basic elements of biblical study prayer and witnessing Whether you are a new Christian or one simply wanting to get back to the basics of your faith this book offers some basic instruction on the practicalities of Christian experience How to Teach the Bible Lucien Coleman, 2003-12-16 The author was conducting a workshop for teachers in a church and was handed a note by a young woman in the workshop The note read I have never taught anything or anyone I don't know how to begin to prepare Can you help Dr Coleman meets scores of teachers just like the young woman He indicates there are men and women who are doing their best but who have serious doubts about their adequacy as teachers of the Bible Wherever you meet them they ask these same questions How can I learn enough about the Bible to have something worth sharing with my class How can I get the members of my class involved in the lessons so I won t have to do all the talking How do you get people interested when they seem so indifferent to Bible study Is there any way to get the class members to study their lessons How do you lead class members to do something about the message of the Bible other than just sit there and discuss it Where can I find out more about teaching methods How do you prepare a teaching plan These workers care deeply about Bible teaching They want to do a good job But they don't quite know how to go about it And that explains the reason for this book Dr Coleman integrates theory and practice in a how to do it book which combines discussions of teaching with skill building exercises He brings the elements of a Bible teacher's conference to the individual who has had no opportunity to attend such a conference At the same time the book may also be used as a textbook for teacher training workshops. Into the Word Bible Study Guide Anne Graham Lotz,2009-12-22 Are you searching for more than a surface reading of the Bible These 52 weekly studies emphasize personal application and will draw you directly into God's Word in order to love Him more In this roll up your sleeves look at Scripture from Anne Graham Lotz each of the studies begins with a short reflection tied to the present day providing you a springboard into the various passages presented from the Old and New Testaments In a refreshing departure from other weekly Bible studies the Anne doesn't explain what the passage means or offer support on what she feels God is trying to say through Scripture Instead she asks insightful questions in each study prompting you to personally dig into Scripture and discover God's specific message for yourself Into the Word is a spiritual study guide that leads you to the heart of God's Word
